# Chapter 280. To the panic room

---

「Minaho, that's an exaggeration」

Margo-san chides Minaho-neesan.

「For people who don't know about Shirasaka Sousuke's connection with us... they would only think that the scandal of Shirasaka Sousuke suddenly revealed to the media and Shirasaka house being involved is planned by Kouzuki-san...」

I see...there are people who don't know the existence of『Kuromori』  
Minaho-neesan and others hate the man named Shirasaka Sousuke so much  
that they continued making a revenge plan for many years.  
Originally...Shirasaka Sousuke's crimes should be kept secret so it won't leak  
outside as he's born in a family with a great influence on media, which is  
Shirasaka house.

No matter how much information you release on the internet, it won't reach  
the flow of the people in the press industry to make it an article.

And yet...this time, the people from the same press industry, have abandoned  
Shirasaka house and reported Shirasaka Sousuke's crimes.

It was Shirasaka house's network that refused to make a report till the end.  
As for why the other media companies didn't try to protect Shirasaka Sousuke...  
That is probably because Jii-chan made a move from behind.

With Kouzuki house's power...Shirasaka Sousuke's crimes can be reported as a  
big campaign.

The three anti-mainstream faction of Shirasaka house...

Can only think of that.

They're frightened only from Kouzuki Jii-chan's power alone...

In the first place...Shirasaka Sousuke's kidnapped in Australia...and was charged  
for raping a girl by the local police...

The leaked evidence of Shirasaka Sousuke's crimes and influencing the opinion  
on the internet...are Minaho-neesan's act...

They aren't thinking who's behind the scenes.

As for why Shirasaka Sousuke had gone through such horrible experience?

They don't imagine it.

They don't question it.

They don't even try to investigate.

...That is.

「Actually...the fight is between us and Shirasaka house...Kouzuki-san is just a mediator」

That's right.

This is all Minaho-neesan and『Kuromori's』revenge

Jii-chan is just a helping hand.

「And yet...those people have been convinced that this is all Kouzuki-sama's『takeover plan』」

Minaho-neesan leaks a sigh.

「Well yeah...those three only thinks that『Kouzuki-san will use any method to make Shirasaka Moritsugu lose power and take over the newspaper and television company』 The matter about Shirasaka Sousuke is just a strategy to shake the Shirasaka house...it's possible that Shirasaka Sousuke's sins might've just been made up by Kouzuki-san—or so they think」

Margo-san said.

「Really...they're rude」

Minaho-neesan mutters.

Those people think that Minaho-neesan's revenge is only a part of Jii-chan's strategy.

They haven't noticed『Kuromori's』fierce vengeance at all...?

「Either way...those three don't care about Shirasaka Sousuke anymore」

「That's right. Shirasaka Hiromitsu-san and Vice president Yamada only have the newspaper and TV station important to them. As for Shirasaka Ayako...she's fine as long as her son becomes the head of Shirasaka house even just by name」

Katsuko-nee said.

「Even as a member of the clan...they don't have to be concerned on a member of the advertising agency if it's not in the TV and newspaper company

of theirs.]

Margo-san said

「Shirasaka Sousuke's scandal is socially fatal...only to his close family...in short, they think that it's only Shirasaka Moritsugu who've been cherishing Shirasaka Sousuke all this time. They think that even if they're also in the same house, they're not responsible.]

Nagisa said.

Margo-san smiles.

「Therefore...the three of them were being cocky at Kouzuki-san at first.]

Now that Shirasaka Sousuke's downfall becomes realistic...  
They have the desire to be the next leader of the Shirasaka group.  
To them, they've got nothing to do with Shirasaka Sousuke's scandal.  
Rather, in order to settle the group after Shirasaka Moritsugu's defeat, their power is absolutely needed...that's what they think.

「Therefore, I kicked their asses as hard as I can. There's no helping on those foolish people. They selfishly misunderstood my motives. At such times, I just kick them hard to let them know. Making sure that they won't ever try underestimating me again...!」

Jii-chan smiles wryly.

「But...it's miserable but I think that most of the people in the world will have the same view as those three.]

Minaho-neesan said.

「Apart from the general public...people of the financial and political world would only see it as...Kouzuki-sama fighting Shirasaka Moritsugu.]

...Does that mean?

Depending on the point of view, Jii-chan's forcibly taking away Shirasaka house's coverage network...

Jii-chan would become the bad guy?

「I don't mind it anyway.]

Jii-chan tells Minaho-neesan.

「You've already become my『family』...I'll endure any back biting if it's for my『family』 In the first place...I'm a man with a lot of enemies. Increasing the number of people who are badmouthing me won't matter. Besides...」

Jii-chan smiles.

「I thought that I should set my hands on reforming the news agencies in Japan someday. Since this is a good opportunity, I'll start working on this. Minaho-kun and Katsuko-kun will also cooperate...right?」

Minaho-neesan bows to Jii-chan...

「After going this far, we'll do what we can」

Jii-chan stares at Minaho-neesan...

「But still...you're still too distant. Call me『Grandfather』soon」  
「That is...you see」

Minaho-neesan's tense.

「Well...you can take your time. I'll be training you and Katsuko-kun in management thoroughly after all...!」

「...Kouzuki-sama?」

Minaho-neesan's surprised.

「If you don't follow up, then who'll support Misuzu and Ruriko? It'll take time before my students become usable. Besides...though I can leave the official work to them...they won't be able to do work behind the scenes very well. You two have a broad face in the underground...」

「However, we are...Kuromori's...!」

Before Minaho-neesan was able to say『Former prostitutes』, Jii-chan interrupts her.

「...It's the past. Don't mind it. Rather, thanks to that past you've got a lot of connections」

Minaho-neesan and Katsuko-nee...knows a lot of political and financial names who were customers of『Kuromori』

「You know well how to argue with those big names... Could you make used of

that ability for Misuzu and Ruriko's sake?」

Jii-chan looks at the two.

「But...I want to do a bakery. A normal bakery」

Katsuko-nee says painfully

...I

「Katsuko-nee...leave the bakery to me」

「...Dear?」

Katsuko-nee looks at me.

「I'll put on effort to make bread as delicious as Katsuko-nee's. I'll make lots of bread everyday and have Katsuko-nee taste it. Then, I'll only sell bread that has Katsuko-nee's approval」

「Ah, I'll make bread along with Yo-chan! I'll be the seller!」

Nei-san says.

「Of course all of the new products will be made by Katsun! Then, of course when you're not busy, you can help making and selling bread too. It's Katsun's store after all!」

「Un...I'll help out too」

Margo-san adds...

「Michi, you help too」

Misuzu tells Michi

「B-Bread?」

Michi looks uneasy.

「It's fine. I'll learn to make one from Katsuko-nee so we can learn together. We'll have a competition on who can make a delicious bread first」

「Yes...Master!」

It seems Michi's fighting spirit gets fired up when it comes to competitions Either way...

This girl should experience girlish things like making food...

「I'll also help out. I'll relocate the shop and we can have Katsuko's shop as our

neighbor. Then, I can also manage the shop right?」

Nagisa says.

...Katsuko-nee's in tears.

「Idiot...Nagisa's here」

「Here?」

「Even I have a lot of acquaintances you know?」

Katsuko-nee...suggests Nagisa should also join as Misuzu and Ruriko's follow-up support.

「...Oh right. Of course」

Nagisa smiles.

「There's no helping it...It's for the family's sake!」

Ruriko then ask me.

「Uhm... Is there anything I can do to help?」

「Then, Ruriko can also make bread」

I told her

I'm worried on Ruriko who's a super-Ojou-sama being on a store but...

There would be no problem if she only makes bread inside the shop.

「Understood. Let's make breads together Yoshiko!」

「...Ruriko-sama」

「Even if she's like this...Yoshiko's good at making sweets」

「My, an immediate asset!」

Nagisa looks at Yoshiko smiling.

「Y-Yes...thank you」

Yoshiko-san feels happy that she found something she can do with Ruriko.

「Reika-oneesan, what about you? Want to go to join the bakery too?」

Margo-san turns to Reika.

「Is Katsuko-chan's bakery going to sell only bread?」

Reika asks Katsuko-nee.

「While at it...how about making it a cafe?」

「Hmm...a cafe where you can eat freshly baked bread looks good」

Katsuko-nee answers.

「Reika-oneesan...are you interested in cafe?」

Nei asks...Reika.

「Yes...a full fledged British style cafe」

I see...she's an extreme British fan...

「Eh, then that means the clerk's going to dress like maids and butlers?」

Nei-san bites.

「The maid cafe isn't trendy nowadays. If it's a shop that produces tea time like a noble in British tradition...there will be those who will want to try it」

Reika smiles

Yeah, this『Beat to death Swordswoman』lady too...

Though she's distorted in various ways, she's still a girl inside.

She wants to try a stylish and cute cafe.

「Good, that's great! Let's do that! I'm going to wear maid clothes!」

Nei-san's in high spirits.

「A flower shop, a bakery, and a cafe...if we're going to have three shops then we need a huge property」

「Better yet, why not buy an entire building?」

Nagisa and Katsuko-nee begins consultations.

「Hey hey, let me participate too」

Jii-chan laughs.

「I'll put investments. I'll find for a good land so you can decide where you want to be」

「...Land?」

Katsuko-nee asks in surprise.

「Yeah...let's build a new building. I'll make it sturdy that it won't even yield

when earthquake comes...I'm worried about my『daughters』after all. The first floor can be a store and you can live on the upper floors. We can ask a top-class engineer to build it however you want it. It'll be your castle!』  
『Wow, my longtime ambitions are becoming reality at once!』

Katsuko-nee said.

『It'll be『Kuromori sister's』building right...』

Misuzu smiles.

『When that happens, we'll make rooms for Misuzu-san and Ruriko-san and Yoshiko-san. Ojii-chan's room too!』

Nagisa winks at Jii-chan

『Hmm...that's appreciated』

Jii-chan said satisfied

『The bath is obviously where everyone can enter...Hmmm, but I wish for an open-air bath on the roof too. Also...what about the bedroom?』

Katsuko-nee asks Nagisa.

『What to do?』

『Should everyone sleep on the same room?...Or do you want to make love with just the two?』

『Well...we need both It feels good to have sex with everyone but a night where it's just the two at the bed is also needed』

『Right, of course!』

Hmm...the 21 year old former classmates combo are having their delusions...  
...But

What happened to Mana who takes the initiative joining in the talk?

Also...Megu

Yukino's not talking at all too...

The three of them are limp...just listening to our talk  
...As expected.

They must be shocked that Shirasaka house has completely abandoned them.  
The head, Shirasaka Moritsugu even hired Shirasaka Sousuke to kill Shirasaka

Sousuke's relatives.

The three from the anti-mainstream faction completely ignored them.

...Hmm

Anyway, it's bad if this continues.

I try to talk to Mana but...

「...Leave them for now」

Margo-san whispered to my ear

「Eh...why?」

「Just do it...these girls don't see their own position」

...Position?

「In groups...there are roles」

I don't get what Margo-san's saying

「Until they see that...they won't be able to have the energy to talk about the future with us」

...But, I can't just leave those three.

...Then.

The door of the room opened and Seki-san comes in.

「『Kakka』...we're ready to go」

...Go?

Oh right...we also have to move around the hotel so Viola's army won't know where we are.

「Then, let's go...everyone」

Jii-chan looked at everyone then said.

The four combat personnel are dispersed in the formation decided a while ago.

Reika's walking ahead of the group.

This is so the rear group won't be damaged when we're suddenly attacked. Behind...Seki-san is in front of the group.

Seki-san is holding her favorite pistol.

While guarding us...she's also supporting Reika when attacked.

Behind us...Jii-chan, Misuzu, and Ruriko are in the center.

Of course, Nei-san who's Viola's target is also at the center.

Michi is behind Misuzu, Ruriko, and Yoshiko-san.

The four of them are wearing the same school uniform.

She can be a dummy in the moment...and can guard Misuzu and others up close.

Lastly...Margo-san is at the back checking the situation behind.

I decided to stay close to Margo-san.

The two elite can deal with the attacks in front but...

As of now, the back feels weak.

I don't think I can do anything of help but...

I think I can be a shield when there's a gunshot.

「Seki-san...Route B4 would do?」

「Chief Tanizawa ordered so」

Reika and Seki-san exchanges few words.

They have decided patterns in correspondence to emergencies.

We left the wedding hall...

Used the stairs to go down two floors.

The fire doors on the route we're going through are already up.

「Raising and lowering the fire door can be freely done from the control room」

Misuzu tells me.

「The fire door in this hotel prevents ordinary rifle shots, and is structured to be strong against exposures」

In that case, the primary target of the intruder will be the control room?  
If they open all of the fire doors in the corridors and stairs, the intruder can come inside the hotel freely.

「It's fine. The control room is at the headquarters of Kouzuki security service.  
It's the place where most of the security department are in」

Then that means...it's under director Yamaoka's jurisdiction

That person made a lot of blunders.

...Also

「Uhm...there used to be a movie where they repelled the terrorists inside the hotel by crawling through air ducts」

Even if you close the stairs and corridors...

If they come out of the duct...

「That's quite an old movie isn't it?」

Misuzu answers.

「This hotel is built after the movie was screened. Therefore it's okay」

...Really?

「There's not many ducts where humans can get through, and on the way, there are wire mesh too. It's only a dark place with no light sources...you can't get out of such a three dimensional maze」

I see.

You'd get lost if you make a single mistake on the duct.

As expected the movie's a fiction.

It's hard to pass through and get out on the place you want.

「...This way」

Reika arrives in front of the room with『Supply Room』written on it.

「Here's the key!」

Seki-san throws the key to Reika.

She must've taken the key from chief Tanizawa too.

Reika opens the lock

「Please come in」

We all entered the room.

The room have layers of movable shelves...and equipment the hotel don't use everyday.

The movable shelf sticks to the wall normally...If there's a shelf where the thing you want to use is located, you turn the handle and make the space between

the shelves be passable with one person only.

Reika and Seki-san moves one of the shelves.

Opening it to a person's width...they head to a box located on the interior.

It's a common plastic glove...

Opening the lid...there's flags of nations jammed inside.

Nowadays...where does modern hotel use this?

Reika then takes out a flag from the case.

...Then.

There's a numeric keypad remote switch coming out from the case.

「Gimme」

Seki-san takes the switch and enters the PIN

「『Kakka』」

「...Umu」

Following, Jii-chan typed in some numbers

「This should be good」

「...Yes」

Seki-san presses the main switch...

Then the wall in the back of the room opens up.

...Is this?

It's an elevator.

「It's an elevator used for emergency situations.」 You can only enter through this room and this floor」

Jii-chan said.

This hotel is made for important conferences with Kouzuki group from the beginning.

Therefore they have designed such an evacuation system during the blueprinting.

Jii-chan stays close to the floor where the emergency evacuation elevator is...

When trying to cope in a sudden situation...

「...This elevator will not start unless it confirms the vein on my right hand」

Jii-chan puts his right hand on the panel next to the emergency elevator

『Approved!』

The announcer voice echoes from the elevator and it opens up.

『This elevator can only have five passengers at a time. Enter in turns...!』

First is Ruriko and Yoshiko-san. Then, Minaho-neesan and Nei-san. Then Seki-san enters as guard.

Though it may be impossible...we have to assume that the enemy is waiting in the emergency evacuation room.

Jii-chan Misuzu and Ruriko not riding in together is also another of those assumptions.

If everyone's captured at once, then there's no saving.

---

# Chapter 281. Complex (Part 3)

---

After a few minutes, the elevator came back.  
I don't know where the『emergency evacuation room』is in the hotel but...  
It's not near this floor.  
The door opens.  
Following...Jii-chan, Katsuko-nee and Nagisa...and the sleeping Mao-chan who's carried by her Then, Reika enters as well.  
Waiting for the elevator coming back...  
Misuzu, Megu, Mana, Yukino and Michi enters.

「Danna-sama, we'll be going ahead」  
「Yeah, take care」  
「...Yes」

Misuzu speaks to me but...  
Megu, Mana, and Yukino remains silent.  
The elevator door closes.  
The remaining people are me and Margo-san.  
It's not intended for us to be alone but...  
When I noticed it became like this.

「...Those girls are in quite a problem」  
MArgo-san said.  
「Yes. It's a bit dangerous」  
I'm also troubled.

「Earlier...Jii-chan's been talking about the future...everyone's discussing about the bakery and the building...you were trying to cheer us up so we won't get scared right?」  
「Of course...there's that. Talking about a bright future is also a good diversion」

Right now, the lower floor of the building where we are have a large number of enemies invading inside.  
Kouzuki security service and Kudou-papa's friends are repelling them but still...

it's scary

Four people have disappeared during the smoke...

To be honest, the fear is swirling in our minds.

「Tomorrow will come and everyone will be happy...if you believe that and talk about it, the scary feeling will be countered」

「Yes...everyone know that」

Therefore, Nei-san, Nagisa, and katsuko-nee...are all happily talking about a dream.

Misuzu, Ruriko and Yoshiuko-san also joined in the talk.

Soothing the place and brightening the atmosphere

「Reika-oneesan looks serious but...her airheaded-ness is what makes her cute so I think that's fine」

Margo-san said and laughed

True...Reika's got the nerves of steel because she's an elite guard.

She must be completely fine in this dangerous situation.

Therefore, she doesn't understand how uneasy we are.

Surely Reika can talk about the dinner menu of the day while fighting an enemy.

She's not assuming that she'd lose to the enemy at all.

She has a strong will to defend absolutely.

The opposite of it is Minaho-neesan and Kudou-papa who prepares all in advance in case it turns to the worst.

However...as a professional guard who fights on the site, I think that this way of thinking has its merits too.

As long as Reika's calm...people around her can be at ease.

...Huh, wait.

Then that means...

She really wants to do a British style cafe?

「The number of shops to do have increased...that's hard for you」

Margo-san laughs.

「Margo-san will help too right?」

I asked...

「I don't want to be a maid but I guess I want to dress up as a garcon?」

「Ah, I think you'll get popular with that」

「No, I think that maid Nei would be more popular with the customers」

「That's not true. Margo-san is also going to get a repeat customer」

「But are you sure? Won't it be different from the British cafe Reika-oneesan wants to do?」

「It's fine. Reika is quite out of sync with the world. Or rather, if Reika herself makes a shop, it'll be very popular...」

A super beautiful lady who dresses as a British gentleman...

That looks cool.

I think there will be a lot of female fans.

「You're right. The shop would prosper」

Margo-san happily said.

「By the way...what to do?」

Margo-san asks me suddenly

「...What?」

「The three from Shirasaka house looks depressed」

Shirasaka Sousuke's daughters...Yukino, Megu, Mana.

They didn't join in the talk about the future shops

The three of them look gloomy...

「Well, Yukino-san isn't in the family...so we can leave her alone」

...Yeah

「Megu-chan and Mana-chan though...what do you intend to do with them?」

Margo-san's beautiful eyes look at me.

「...What to do?」

「What do you think is the problem...?」

...That is

「I think it would be like this. The family's increasing rapidly」

...Yeah

Michi, Ruriko, Reika, and even Jii-chan...all join in our family

「Then...everyone found their roles in the family」

...Roles?

「For example...Kouzuki-san is committed being the grandfather role of the family」 He's someone who's been the center of the house since he's born...a person who moved everything as he wants. Normally, he's good to be in the position of the head of the family and yet...he let Minaho become the head, and follows as a role as the grandfather...」

Yeah...it's certainly true

Our head is Minaho-neesan

Then, Jii-chan always raises Minaho-neesan.

「Nagisa-san and Katsuko-san are the elder sisters of the family. They also double as the mothers of the family」

Right. Nagisa and Katsuko-nee are different types but they're the gentle elder sisters of the『family』

Katsuko-nee is the type that pulls everyone vigorously...

Nagisa is the type that pushes you from behind.

「Nei...she's the lone『little sister』of everyone before you came in. Thanks to you, she became a『middle elder sister』that looks after her brothers and sisters」

Yeah...Nei-san's kind to us always.

Getting close to us and showing us her bright smile.

「That girl isn't only protected by me, Minaho, and Katsuko-san...she starts to act to protect her little brothers and sisters herself. I'm thankful to you」

「No...I didn't do anything」

Margo-san smiles

「If you weren't that kind of boy...Nei would still be hiding herself in her shell」

...Nei-san

「Now then, let's go back to Megu-chan and others...those girls are in pain as they don't know their own role in the family」

...Megu and Mana?

「Look, all of the newly members of the family are all from Misuzu-san's lineage right?」

Yeah...Michi's Misuzu's guard. Ruriko's Misuzu's cousin. Reika's an elite from the Kouzuki security service. Jii-chan is Misuzu's grandfather.

「They're not overlapping with the members of the『family』until now., Then, Megu-chan is born from the mansion...so she's close to Minaho. Therefore, Megu-chan is accepted as a member of『Kuromori』but...Mana-chan and Misuzu-san feels like a bit floating from the other members...and you were bridging them with other people」

True...Misuzu and Mana are connected with『Kuromori』with me as a connection.

All of them are carefully dealing with the two...

They're being careful...so they're not accepting them as a family member?

「However...the『family』has expanded you see. Kouzuki-san has connection with Minaho and Katsuko-san...Reika-oneesan is open minded so she opened up her mind when she decided to become our『family』 But the shy girls...」

「Ruriko and Michi」

「And Yoshiko-san too」

Right

Yoshiko-san is still on hold but there's a possibility of her entering the『family』

「In order for those to get in touch with the other family...Misuzu-san is becoming the『bridge』 Just how you were the『bridge』for Misuzu-san and Mana-chan」

True...Misuzu is talking to Ruriko, Michi and others...

She waves at those girls when she starts talking with others...

She's taking care so they can blend into the family.

「That's a threat to Megu-chan」

...Threat?

「Doesn't it feel like Misuzu made her own group with the two and became

the boss of that?」

「That's just」

「No, but...you can see it that way right? If you change your perspective」

...Yeah

「Or rather...Megu-chan and Mana-chan became a group first. She's been taking care of Mana-chan until she became an ally」

「...Yes」

「Megu-chan also knows Mana-chan from before so...knowing that she's her sister, she's kind to Mana-chan」

「Right」

「Therefore...look, the two are always together right?」

Right...Megu and Mana have been a combination since a while.  
They've always grouped as a two...I think that it's a bad trend to them.

「As expected...they feel stronger to be in two, than one, to be in group than alone」

「But, strong?...What are they fighting for?」

It's meaningless to have only the two of them group up in the family

「That is...as expected, they want to monopolize you. Those two have so possessiveness」

Margo-san said.

「They have a strong rivalry sense against Katsuko-san, Nagisa-san, Nei...and Misuzu-san. But, both of them aren't confident with their charm...so they actively appeal to you as a pair of sisters」

Speaking of which...we've had sex with the three of us in the classroom during dawn.

That's them unable to endure after watching Yukino's sex with me?

「However...with the『family』increasing, Misuzu-san's group is created. Furthermore, Ruriko-san and Michi-san are both cute, Reika-san's a beauty. They know that Kouzuki-san is a necessary person as a shield behind us. Megu-chan and Mana-chan are in a hopeless pinch」

「Why?...It's not that I won't be taking care of Megu and Mana because

the『family』has increased.]

「Well, that's not your problem. It's their heart's problem.]

...Megu and Mana's?

「Misuzu-san's smart so she has clearly defined her relationship, position and her role from the start.]

...『Danna-sama』

「In a position to serve you as a woman...she'll never rule you from the top. Then, as one of your『women』she declares to the other that she doesn't intend to monopolize you.]

Misuzu's always humble...never imposing.

「Therefore, everyone learned from Misuzu's lineage. Michi-san is calling you『Master』Ruriko-san's『Onii-sama』Reika-oneesan's『Lord』... All of them are declaring that they're under your control.]

...I see

「Everyone's all beautiful and cute right? Furthermore, they're polite and have elegance too. Smart, considerate...and above all, they don't want to monopolize you.]

...Yeah

「In case of Megu-chan and Mana-chan...they would feel a horrible inferiority complex comparing them to themselves. They originally have no confidence in themselves...those girls only think of wanting to monopolize you]

Figure, brains...even in kindness...they think they're losing...

「Especially Mana-chan...she's been playing the character that interrupts between you and other people in a frustrating manner, forcibly keeping her relationship with you right? Therefore I think the damage in her heart is huge.]  
「Eh...that character was just made up?]」

I'm surprised.

「You know her when she was Shirasaka Maika right? Was it a personality like now?」

「...NO」

When Mana was Maika...she likes talking but she doesn't have a personality of forcibly forcing herself into the conversation like she does now.

「Inside them...they're desperate to show their existence to you」

Oh...that's why she exposed her ass and come at me...

That's a desperate appeal from her.

「Besides, Mana-chan. She's always so intense against Yukino-san right?」

「...Yes」

「For Mana-chan now...the only person she can blame on is Yukino, her real sister」 Besides, when Mana-chan speaks horribly to Yukino-san, you come in worry. She hits on Yukino a lot because she wants you to come close to her」

Margo-san sees it like that...

「Well, but still...Mana-chan still has the energy to make an appeal to you. Megu-chan's the one that shuts inside」

Comparing herself to Misuzu and the new『women』...she feels even more inferior.

「When the negative emotions accumulate...she won't be able to bear it and explode. That repeated today」

True...Megu's got a bad chain that continues.

「What should I do?」

I asked for Margo-san's advice obediently

「...Make the two decide their『role』in their family」

...Role

「At the same time, you should rule the relationship in between them and you」

...Role, position

「Look,m earlier...didn't I decide the combat crew's formation right?」

Yeah. Margo-san assembled the formation for herself, Seki, Reika, and Michi.

「If you don't do that...we'll just have distrust when it comes to battle」

Margo-san smiles.

「For example, if it's Reika-oneesan...she just takes the vanguard and worry about the enemies in front, eliminating them. Seki-san can follow up from behind and knows when to make a decision, she can concentrate to her only role. She doesn't have to worry about other things」

True, if their roles are defined, then they can concentrate on that.

「Of course...you've got to have the confidence on doing the role well and have to trust other people's abilities. Also...you have to accept that your role is necessary」

...Necessary?

「Yeah. The feeling of needed from the loved ones...you'll be able to fulfill your own role

...True.

「Right now, Megu-chan and Mana-chan...feels that they're just luggage to the family, that's why they're depressed. They've just been abandoned as worthless people in the Shirasaka house. At these times, don't let them brood over it. The more they think about it the more they feel depressed. They have to devote to their own roles and loose the leeway to think about other things. By doing something...they can feel needed , their inferiority complex should be cancelled」

...Yeah

But...Still

What's Megu and Mana's role in the family?

「For roles...you should let them do what they're used to. That should make them confident in it」

Margo-san says

...But

「Ah...the elevator's back」

The elevator door opens.

We enter...

「Err...push the『last passenger button』was it?」

Margo-san pushes the switch as Jii-chan taught him.

With this, the elevator will be hidden in the wall like when we first came to this room

It won't open without Jii-chan's vein authentication again.

The elevator begins to move

「...Eh?」

I thought the elevator is going up.

Viola's army is attacking from below.

Therefore...Jii-chan sent the anti-mainstream faction of Shirasaka house and the executives and their sons above.

There's no possibility of the enemy attacking from the rooftop with parachute or hand gliders...

I thought that the『emergency evacuation room』we're fleeing to is on the upper part of the building.

But...the elevator goes down.

On the contrary...

「This is moving sideways?」

「Of course. If it's an elevator that moves straight up and down, it's easily exposed by the structure of the building. You can't tie it on a straight line so sometimes it moves sideways through the floor. Then I think that the elevator moves weaving an invisible space from outside the machine room」

I see...that's why it took some time coming back.

The elevator descends several floors, move left-right, and then descend again.

「Based from this...Kouzuki-san's emergency evacuation room is in the basement I think」

「Basement?」

「Yeah, like the fifth floor basement...this is a hotel set up in the land fil so I think they dig a hard place in the ground and made it the foundation of the building. I wonder if it's also a nuclear shelter?」

Margo-san said.

I don't get it.

Anyway...I think of Megu and Mana's『role』as we descend in the elevator

「By the way...」

Margo-san looks at me.

「Do you not intend to become a domineering husband?」

...Eh?

「You and Megu are on the wrong buttons...you're trying to make an equal relationship on all sides」

...That's

「The two of you are classmates...originally, you have an inferiority complex towards her, right?」

Me...to Megu?

No...she's right.

Megu's the class chairman...she's got a lot of girl friends in the class.

When I entered the high school, I was unfamiliar with girls...

I couldn't speak even to Megu.

「On the other side...the relationship of you and Misuzu-san is going well, Misuzu-san humbled herself first. Even though she's actually older than you... she raised you up」

True.

Misuzu is always using honorifics on me...

「With her entering your control from the start...she can balance with you.」

「Balance?」

「Misuzu's only above you isn't only by age, right?」

Yeah...Misuzu's;

Beautiful, elegant...the lady of Kouzuki house.

Normally...she can't be balanced to be with me.

Therefore, Misuzu's the one setting me as her『Danna-sama』...creating a well balanced relationship

「Then, in Megu and Mana's case...?」

「Don't you think it pains them because you're trying to have an equal relationship?」

That might be the case.

「We've been waiting...Danna-sama!」

With Misuzu as lead...everyone's waiting for us in front of the elevator.  
Oh, as expected, Megu and Mana are in the corner of the room, depressed.

「...It's wide」

The [emergency evacuation room] is sized around 20 tatami mats  
It's made like a party room.  
The air is stagnated a bit.

「I just activated the air system so it'll feel better soon」

Reika said.

「Toilet's there...there's bathroom there too」  
「There's only canned food and mineral water but it looks like we have food for a few days!」

Katsuko-nee and Nei-san told me.

「How low is this from the ground?」  
「When converted to floors, it's located at the 8th floor underground. However, there's only two rooms in here」

Jii-chan laughs at my question

「...Two?」

「That room is the monitor room. We can check the status of all the surveillance cameras in the hotel. Even get in touch with outside」

Jii-chan instructs Seki-san.

Seki-san opens the door and inside is filled with screens.

「I will go to that room. I want to check the situation as I'm the one in charge」

Jii-chan heads to the monitor room

「I'll join you」

Minaho-neesan said

「I'm going there too」

Margo-san heads to Jii-chan

「I-I'll be going here too」

Seki-san says and turn to Jii-chan...

「Fujimiya-kun and you will stay here...deepen the friendship with everyone」

「...Friendship?」

「Yes, relax. I don't mind if you have sex in this room at all」

Jii-chan said and Seki-san got startled.

「That's...that...!」

「There should be a lot of other things on the shelf on the back. Also, that sofa can be a bed」

Jii-chan ignores Seki-san and continues talking

「Ruriko, you can't do it yet. I want to watch Ruriko's first time」

「Yes...grandfather」

Ruriko replies.

「The others are all okay?」

Misuzu asks her grandfather

「...I'd like some photos and videos though. I'll watch later」

Jii-chan replied and Misuzu turned and said.

「Michi...want to lose your virginity?」

Michi...

「Yes...gladly, I'll give my virginity...!」

---

# Chapter 282. Cheers!

---

「Wait...Jii-chan, wait a moment!」

I call out to Misuzu and Michi...and Jii-chan and others who are about to go to the other room.

「What's wrong, Danna-sama?」

Misuzu asks me with a curious face.

「No...you see Mineral water will do but let's have a toast together」

「...Toast?」

Jii-chan's also surprised.

「That's right, a toast! Anyway...let's have a toast for everyone in the『family』 coming here safely. Also...let's take photos. A commemorative photo. Katsuko-nee, you got a camera?」

「If it's a camera then I've got a shelf on the back」

Jii-chan answers.

「...Back when my sexual function was active. I bring a woman in here and Tanizawa usually takes care of it so he leaves one

「Wait...is it only chief Tanizawa who knows this『emergency evacuation room』?」

Katsuko-nee asks Jii-chan.

「Well...yeah. Tanizawa...and my only full time guardians Ootoku and Choumoto knows」

「When I was elected as a full-time guard, I was taught about the existence of this room but it's my first time coming here」

Seki-san said.

「Those who bring food here are Tanizawa, Ootoku, and Choumoto only. There's no other people who have touched it」  
「I'd like to ask...」

Minaho-neesan speaks

「Can you completely trust those three?」

Yeah.

Just what if...

What if those three were connected with the enemy...

Then running to here would backfire.

「I can tell what Minaho-kun is saying... But, humans are beings that can't live in secrecy with others. You must a person you can entrust everything with. It's true that if those three betray us then we're ruined. But that's why we can only trust them」

「...Would it benefit chief Tanizwa, Ootoku-san, Choumoto-san to be supporting Shiraska house or even Cesario Viola?」

Misuzu asks.

「I can't think of anything in particular. There's no point following Shiraska Moritsugu on betraying me...I don't think that those three will cross over the US to be allies of criminals. However...it's hard to see the circumstances on people's behind. It's possible that unexpected things happened while I don't know」

Jii-chan answers.

「Well, we're prepared for that...life always have their bad times」

Everyone in the room fell silent.

「Well...we also have our last resort. First, we can cut off the power of the direct elevator from this side. The power can't be turned on from the upper room. For the time being, the box will be left down」

Jii-chan operates the elevator's panel and turned off the power.

「With this, they can't come from above」

「Can't they just come through the space of the elevator?」

Nei-san asks.

「With it making a complicated left and right turns...could you come down hundreds of meters of dark space with just a rope? Even if a special forces

soldier can't do that. Above all, even if you get down here...the elevator box will get in the way. This elevator's ceiling is made of steel. You can climb up and go back with a gas burner to set it on fire but you can't go down.]

I see. That's why they keep the elevator down.

「This elevator is our only way of escape?」

Margo-san asks.

「No...you can only come here from the upper floor elevator but, there are two secret routes underground」

...Secret route?

「There's a lot of doors in the middle of the route. All of those doors are made to open only from the underground side. If they forcibly open from outside, the alarm will ring」

...I see

it's not that we're trapped in here.

「But...does chief Tanizawa know where you come to the ground?」

Reika said.

「Yes...it might be an ambush where we escape. In that case...it'll be yours and Seki-kun's turn」

「Margo-oneesama and I are here too...!」

Michi replies.

「Umu...we can bet on you two on the very last moment」

Jii-chan smiles.

「Umu...it is as you say. We should toast even with just water. Let's take some commemorative photos too. It's true that it's a necessary event for the unity of the『family』」

Jii-chan looks at me and laughs.

...I

「Megu!」

Megu who's been gloomy all this time reacts in surprise.

「W-What!?」

「Give glasses to everyone and pour in mineral water」

「Ah, me too!」

「I will help out too」

Nei-san and Yoshiko-san tries to help but...

「No, let Megu do this. Megu's our class chairman」

「...Class chairman?」

Megu looks at me with a surprised face.

「That's right. Up until now, hasn't it been Katsuko-nee who's been taking care of various things in our everyday life? But, Katsuko-nee's going to be busy from now on so Megu should do it from now on. Ah, of course you don't need to do all by yourself. It's fine to ask for people's help but, Megu's the center, please look after the『whole family』」

「...Look after?」

「Whether everyone has glasses on their hands...or they have the drink poured in. If there's someone that's not looking energetic, try to talk to them... Megu can just do how she usually do as a class chairman」

Megu's a very attentive and gentle girl.

As a class chairman...she treats everyone with a smile.

Then she should do it among her family too.

「Megu...when you entered high school and was nominated as the chairman... most of it are girls but weren't you trying your best to make friends with everyone in the class?」

「That is...because I thought I would only be in high school until the end of Golden week」

Megu's scheduled to become a prostitute after the holidays by Shirasaka Sousuke.

「Who cares about the reason. Megu's definitely a good chairman. Therefore, be the chairman of the family」

「...Yoshi-kun」

「Before you were called『Onee-san』or『Imouto』...Megu must make friends with everyone in the family」

...Yeah

Megu right now is dependent on the kindness of everyone in the family. She must actively keep in touch with the family by herself.

「...But, I」

I use my trump card.

「Don't argue with me. I'm telling you to do it...so just do it」

Megu's startled

「I'll take all of the responsibilities. Megu just have to think of following me without thinking anything else」

Megu stares at my eyes.

「I'm jelly of Megu-chan...Yo-chan's taking all the responsibility!」

Nei-san tells Megu with a bright smile.

「Megu-chan always speaks a lot of『buts』and『however』 You always think too much. Also...you always think so dark!」

Yeah. That's right...Megu

「Therefore...before thinking of dark things, you should just move your body as Yo-chan tells you!」

「...Move my body?」

「Right. For the time being, it's important to work more than think. If you just think, the situation won't change...!」

Margo-san follows up.

「A class chairman on the『family』?...Isn't that great? That's very like you」

Margo-san gently smiles.

「Well...it's Megumi's bad habit to just stand and think. I think it's a good idea to have a habit of moving before thinking. Don't argue with him for a while and do as he says」

Minaho-neesan tells Megu.

「Well, I think that it's fine because it's Yo-chan...but, tell me if he gives out an unreasonable order. I'll scold him a lot!」

Nei-san said...Megu.

「No...I don't mind if it's unreasonable. Got it, Yoshi-kun. I won't bother nor think anymore. As long as Yoshi-kun needs me then I'll do anything he says...」

Megu...

「Megu...come here」

「Eh what?」

I embraced the Megu who came close.

「W-What's wrong...?」

「I thought that was cute. Therefore...I'm kissing you」

I covet Megu's lips.

Pushing my tongue in deeply...I lick Megu's mouth.

When I release our lips...Megu's eyes are melting.

「Look...do your job as the chairman. Give glasses to everyone. Then pour in water. After that...」

「...Yes」

Megu's looking at me with enchanted eyes.

「Ruriko-san and Yoshiko-san, Reika-san and Seki-san, Michi too...Megu's still haven't talked to them that much, try to actively talk to them. Tell them what kind of girl you are and what you like. Know what kind of people they are and like it. Be friends with them. Okay?!」

「...Yes. Yoshi-kun」

I slap Megu's ass.

「Go now」

「Megumi's going!」

Megu restarts

「...The glasses are on the shelf over there」

Katsuko-nee calls to Megu with a pleasing smile.

「There doesn't seem to be enough glasses for all」

Misuzu follows up.

「Ah, there's paper cups in here...what to do, Megu-chan?」

Nei-san asks Megu.

「Then, prioritize giving glasses to Kouzuki-san and the seniors...let's use the paper cups」

「Ah, want to write a name on the paper cup?」

「Let's see, Nei-san...is there a pen available?」

「We have some here」

Nagisa tells them.

「Then, turn the paper cups and write on it...Yoshiko-san, sorry but could you please be in charge pouring in water with me?」

「Yes...gladly」

She's originally a wonderful class chairman who's attentive.

Megu who's given a role will live like a fish that got on water.

Yeah...this is good for Megu.

「...It looks like it worked fine」

Margo-san goes to my side

「Yes, thanks to Margo-san's advice. Thanks」

I speak my gratitude.

「You have to be thorough for a while. I think it'll be troublesome for you but... you've got to help Megu-chan in her daily life」

「Everything?」

「Everything...for example, if you want a drink then you should ask Megu-chan instead of doing it yourself It's fine to be a domineering husband. You must not give her the opportunity. If she doesn't realize that she's needed in your daily life then she'll fall into the spiral again」

...Yeah

With Katsuko-nee and Nagisa who are rich in daily life power and broad-minded around...Megu's spiral of trouble accelerated.

「If you look from the outside, it feels like you're just the bad guy dominating Megu0chan but...I think that you must bind Megu-chan so her desire to monopolize you can be removed. I think it'll be troublesome but...that girl will break if she's not loved as such」

「...Got it」

Megu brings a paper cup to me.

「Here, Yoshi-kun's cup. Write your name with this pen」

「...Do it for me」

「...Eh?」

「Write my name on the cup」

...Megu

「Okay...got it」

Megu writes『Yoshi-kun』on the paper cup

「You know, you should hurry up pouring in the water for everyone...talk to those people you haven't talked that much while pouring in」

「Un...got it」

「Don't talk back」

Megu...

「Yes...Dear」

She happily answered.

It's really as Margo-san said.

Since she's a classmate...she's once a pretty girl he can't speak with normally I've been trying to have an equal relationship with Megu but...

It seems that Megu's comfortable with me being a bit intense as a domineering husband.

This is Megu's personality and her problem in her nature...I'm not a domineering husband so it makes me feel fatigued but...

If this is the best for our relationship then I've got no choice.

「...The world is a huge stage and humans are just actors」

Margo-san said.

「What's that?」

「Shakespeare...in the end, humans are always playing the role that is required of them. A person who doesn't know their role are only alienated from the population. Acting is the power to live in the society you see」

Margo-san smiles.

「You're right. I'm ready for it」

I can no longer manage by myself.

「Mana...come here」

I call out Mana

「W-What...」

Mana's coming close with a gloomy face.

「You...aren't you my『sex slave』?」

「U-Un...that's right Onii-chan」

「And yet...aren't you a bit too cocky earlier?」

Mana trembles.

「S-Sorry...Sorry, Onii-chan. I apologize...please don't abandon Mana」

I embrace Mana...

「You...keep your body clean all the time」

「...Eh?」

「If I want to have sex with you then I'll do it anytime. I don't care about your mood. If I want to embrace you then I will, anytime, anywhere」

「...Onii-chan」

「Inside your pussy, your mouth...you'll serve me until I'm satisfied」

「...Mana's needed?」

「If I didn't then I would've already abandoned you long ago」

「Because...Mana's not as beautiful as Misuzu-san, I don't have big breasts like Nei-san or Katsuko-san」

「That's not for you to think!」

I grab Mana's ass tightly

This girl can only appeal her existence only through sex.

Therefore, I have to show that I hold sexual desire to Mana more than needed.

「Mana...you know that I like to rape you, right?」

「Eh, Onii-chan?」

「Our first time was rape wasn't it?...Mana's a charming girl I want to rape」

Mana's face turns red in shame.

Right, I forced myself in her.

She only thinks that she can detain me through sex...

She's playing as the bitch to blow away her shame.

Mana's trying to run to the pleasure of sex often but...

The real Mana isn't still feeling pleasure from sex.

Mana's still an immature 14 year old girl.

「I don't like how Mana's seeking sex from me」

「Is that so...sorry」

「From now on, I'll rape you when I want to...okay?」

「Un...does Onii-chan like to force to have sex with girls who don't like it that much?」

「Not for other girls but...I want to have that kind of sex with Mana」

「...only me?」

「Yeah...I want to rape Mana all the time」

Mana looks up at me.

「Got it...then I'll keep my body clean all the time. So Onii-chan can rape me anytime anywhere. In exchange...」

「...What is it, Mana?」

「Be sure to do it everyday. If you don't do it everyday then Mana would get worried」

「...Got it」

I lick Mana's ears.

I bit her earlobe.

「...Ahn!」

「Also...cooperate so I can have fun」

「...Cooperate?」

「I want to do Ruriko and Reika too」

「Ah... got it Mana should just talk about how amazing sex with Onii-chan is so they can hurry up and have sex, not fear of it」

「Mana's clever」

I pat Mana's head.

「Err...What about Seki-san and Yoshiko-san?」

I...

「Mana...are you a child who don't understand unless I explain everything?」

「...Sorry. Got it. Mana will do her best for Onii-chan's sake」

「Get along with everyone. Strive to be cute. I'd be troubled if Mana disturbs the place for being rude」

「Un, you're right. Mana will take care so Onii-chan can have a fun sex with everyone」

Am I that lewd person inside her head?

...Must be

I've only connected with Mana through sex.

But still, that's good as long as Mana makes friends with other『women』

「Take your time telling me about yourself too next time」

「...About Mana?」

「What kind of girl are you, what do you like...I'll ask you questions in bed after sex」

「Oh, that's the situation. Got it. Mana should be tied in the bed? You're taking videos?」

「Of course, I'll do that but...you can't lie. I want to embrace the true Mana」

「Un...got it」

「Also...I think you'll become even more beautiful so do it for me」

「Right. If I don't become beautiful then Onii-chan will get tired of me!」

Mana smiles

Yeah...for the time being, this is fine.

Really, life is decided with your acting skills

「Gonna have sex with Michi afterwards?」

「Yeah, I'll do Michi」

I'm ready for it

「Then, Mana will help out at that time. Mana will lick Onii-chan's penis before it enters Michi-san」

「Then please」

「...Un」

I gently pat Mana's back

「Okay, everyone...do you have water?」

Megu checks if everyone has water with them

「Looks good...then, Minaho-san, speech」

Megu looks at Minaho-neesan who's the『head』

「Wait...! Yukino still don't have one!」

Hey hey, Megu...you didn't hand Yukino a paper cup.  
Yukino's very, very depressed looking though

「But...that person's not in the『family』」

Megu argues

「We're all in the verge of living and dying together! Don't you think that it's bad to be left out on a time like this?」

「...But」

「No buts!」

I shut up Megu

「You're right. At such times, if you become shallow then your luck will only turn worse」

Minaho-neesan said.

「Megu, hand her a cup and pour in water」

「...Me?」

「Megu's the class chairman right? Don't cause trouble to others...!」

I must not spoil her at these times.

「...Okay, Yoshi-kun. Understood」

Megu pours in water to the paper cup and hand it to Yukino.

It seems that she doesn't want to give Yukino the paper cup and pour in water.

「Here...Yukino」

Yukino looks at Megu...

「I don't need this!」

...I

「Yukino, just accept it...and have a toast with everyone」

「No! Don't order me...」

Yukino looks at me with eyes of hatred

「Then, get out of here!」

「...Eh?」

「If you can't toast with us then Yukino's our enemy. We'll shove you to the elevator and send you back on the upper floor!」

「...I-If you can do it then try it. I'll tell the people attacking here where you're hiding!」

「...I'll cut your tongue so can't speak」

「I still have my hand...I'll write and tell them!」

「...We'll cut both your hand tendons, Even your fingers」

「...You're joking?」

「I'll do anything for the survival of my『family』 If there's no choice then I'll kill Yukino...!」

Yukino trembles in fear.

「S-Stop...that's! I-I...!」

「Then accept Megu's cup! Everyone's waiting because of you!!」

I scolded Yukino violently...

「Y-Yes...」

「Megu, hurry up and give it!」

「U-Un...Yukino, here」

The two girls with the worst relationship...passed the paper cup

「Okay...Jii-chan, a word please」

I leave the toast to Jii-chan

「Sure...anyway, I hope this isn't our parting exchange. What, as long as we're united as a『family』nothing is scary...!」

That's right...we should unite even more.

「Let us believe in our happy future...Cheers!」

「...Cheers!」

# Chapter 283. The night where Michi gives her virginity (Part 1)

---

「Here, a cookie」

After the toast...Megu looks for cookie cans from the emergency food shelf and offers it to everyone.

I'm glad that it's not hard crackers or something. Those aren't that tasty

「Onee-chan too, please have some」

Ultimately...Megu's moving around lively as soon as she's given a role in the family.

It's as Margo-san said, moving your body won't let you have time to think or worry

Rather, it makes you take the initiative on various things yourself.

「Instead of a duster, there's a clean towel in here so use this」

「Should I bring more water?」

「I'll check the other canned goods over there...!」

She's originally a kind and attentive girl.

Yeah...Megu should be fine now.

「Yoshi-kun...want some more water?」

「...Megu」

I embrace Megu while sitting on a chair  
I bury my face in Megu's well shaped breasts

「...What's wrong?」

「I want to be spoiled」

「...Sure. As much as you want」

Megu pats my head.

「Okay, let's take photos!」

Katsuko-nee focuses the camera on us.

「Hmm, looking good...this is a good camera. As expected of Kouzuki Ojii-chan  
The items even in the furniture room are top notch!」

Katsuko-nee says as she takes a photo of Jii-chan and others.  
Jii-chan's surrounded by Misuzu and Ruriko and Yoshiko-san.

「My my, Mao-chan's completely asleep...!」

Mao-chan is sleeping comfortably in the sofa of the bed.  
She's using a big towel as a futon.

「She's been excited all day meeting a lot of people」

Nagisa says as she stroke her daughter's cheeks.  
Yeah...she's been like that since the symposium today 「Sleeping is a small  
child's job. Now then...it's about time we move to the monitor room」

Jii-chan gets up

「I'll accompany you」

Minaho-neesan too.

「I'm going too. It's about time Kyouko-san makes a contact」

Margo-san stands up.

「...Kyouko-san is still in Australia right?」

Margo-san's master, Kyouko Dothnomechey went to Australia to detain  
Shirasaka Sousuke.

「Our last contact's been 24 hours you see...」

Margo-san smiles

「If you give her a whole day, she can fly anywhere on the earth. The situation  
here is sent in real time so it's certain that she's flying to Japan」

「Could it be that she's coming to help?」

「...Possible!」

「Un, Kyouko-san likes to appear on unexpected times and places after all」

Nei-san laughs.

Margo-san and Nei-san seems to trust Kyouko-san from the bottom of their  
heart.

「We have to contact Morimoto-san who's still at the mansion too...」

「I wonder if Morimoti-san is giving Agnes-chan proper meals?」

Katsuko-nee mutters...

There's a 12 year old girl named Agnes who's in the basement of the mansion

「Rather than that, I hope she's eating food made by someone other than Katsuko-san」

Margo-san tells Katsuko-nee

「If there's no one in the room then she'll eat...once she gets hungry and become unable to endure it. I know that but...」

Agnes is a daughter of Shirasaka Sousuke on a white woman

...To make her his own sex toy

She's been confined in the mansion since she was born...she's been taught nothing but to devote herself to Shirasaka Sousuke someday

She's never gone to school...

「Well, I think that there will be no problem in the mansion but...I'll check the defense system just in case」

MArgo-san said then goes to the next room.

Cesario Viola doesn't have enough strength to attack both the hotel and the mansion at the same time.

In the first place...all of Viola's targets are gathered here.

The target herself, Nei-san...and the kill requests of Shirasaka house head, Mr. Moritsugu, Yukino and Mana and Megu are here too.

The process of entering the hotel from the theater has been witnessed by all. It's too late to send people on the mansion where nobody is...should be

「Well, you don't have to worry. Have fun here」

Jii-chan gently told us.

「Grandfather! Please look this way!」

Misuzu calls Jii-chan

Then...Misuzu has Michi sitting on a chair in front of her.

「Look, greet grandfather Michi」

Michi...

「Okay...I'm sorry I can't show you my loss. At the very least, please check my hymen...!」

「Danna-sama...please come here. Take off Michi's panty」

Misuzu calls me

「Ufufu, I'll photograph Michi's embarrassing figure.」

Katsuko-nee sets up her camera

「Nagisa...take the video cam」

「Okay, Katsuko!」

Nagisa leaves Mao-chan and takes the video camera from the shelf.

I go in front of Michi.

「Danna-sama...please」

Misuzu said with a smile

「Yes...I am master's sex toy. I'm a toy. Please make me a toy」

Michi said with her face turned red.

「...My」

「Ah, that small child」

Reika and Seki-san are surprised.

The two beauties don't have any experience in sex.

「Michi...lift your skirt」

「Yes...Master」

Michi lifts her skirt with her trembling hands.

Michi's cute thighs...

Her white panty is in full view.

Her crotch is wet.

「Michi...you're drenched」

「Yes...I've been waiting for Master」

Michi answers

「It's my fault?」

「Yes...I...my head is filled with Danna-sama violating me since earlier」

「...How do you want to be violated?」

「Painful...make it hurt」

...Michi

「I like it painful...please do me violently」

Michi leaks a hot sigh

「...Got it」

I crawl my fingers in Michi's crotch

「...Ah, Ahn!」

Then...her love juice spreads on her wet cloth.

「...I'm taking it off」

「...Yes」

I put my hand on Michi's panty.

Michi floats her waist to help me out

「...Afu!」

The thin cloth slipped through Michi's still thin ass.

Then...the panty lowered through her thighs.

Michi's vagina with no hair at all is perfectly closed.

A small female genital.

The slit that's like a line of spatula on clay has warm juice overflowing on it.

Can my dick enter this place?

「...I'm embarrassed」

Michi's ears turned red in shame

「You're cute, Michi」

I pull down her panty to her feet.

I took it off on one leg but left the panty on her ankle.

This way...it has the feeling of me violating her 「Michi...open your legs」

I ordered

「...Y-Yes」

Trembling in shame...Michi spreads her legs on top of the chair.  
Michi's flexible body...is very good to embrace I think 「Open your vagina and show your insides」  
「...Eh?」

Michi seems to not know how to do it

「I'll do it」

Misuzu tells Michi with a smile.  
She reached for Michi's crotch and opened her vagina with both hands

「Aaaaah...S-So embarrassing」  
「Don't tremble...Danna-sama can't see Michi's important place that way」  
「Yes...Misuzu-sama」

...The trembling stops

「Michi...how should you beg at such times?」

Misuzu asks...

「...M-Master...please take a look at Michi's embarrassing place」  
「Sure, I'll take a look」

I peek inside

「I can't see it over the overflowing love nectar」  
「I'll lick it off」

Misuzu says but...

「Nah. I'll do it」

I bury my face in Michi's crotch  
Sucked in Michi's love nectar.

「...Aaaaah, masteeeer!!!」

Michi trembles in pleasure.

「Amazing...doing that much」

I can hear Seki-san's voice.

「Does licking the genital really feel good I wonder?」

Nagisa answers Reika's question

「If you're receiving it from someone you love...anything would feel good」

「...Someone you love?」

「Yes. He loves all of us in the『family』after all...!」

I make my tongue crawl as if cleaning Michi's slit.

While at it, I also lick her clitoris.

「Afuuu, afuuu...that's amazing~!」

「I'll do this everyday if you want... !」

「Yes...gladly...please enjoy my body!」

「Here...it's clean now」

I let go of my face once again

「Come now Michi...open it yourself like how it was done earlier」

「...Yes」

Michi opens up her vagina with her fingers.

「Please take a look master! Please take a look at Michi's hymen!」

Michi's moist eyes appeal to me

...I

「Yeah. I can see it Michi...」

There's a slimy pink colored meat deep inside Michi

Wow, the membrane's quite dense.

This would hurt when I break.

「Can you see it too...grandfather?」

「Umu, I can see it. It's a beautiful hymen. It's a bit wasteful to break it」

「It can't be helped. This is a necessary trial for Michi to become an adult...」

Danna-sama's woman」

Misuzu said

「I'll try to be as gentle as possible」

I say...but Michi

「No, please break it violently. Please make Michi's inside a mess.」

...Michi

I kiss Michi.

Michi violently asks for my tongue.

「I feel sorry to take my leave but I'm worried about the situation above. I'll watch the rest on a video later. You can enjoy the night.」

Jii-chan said

「Fujimiya-kun...Seki-kun.」

「Yes.」

Jii-chan looks at the two elite guards.

「Take a close look at her lose of virginity. It's something you two will experience later...!」

「Yes, certainly.」

Reika replies.

「I-I...」

Seki-san's puzzled.

「Ruriko and Yoshiko too...take a good view.」

「Yes, grandfather. Michi-san is at the same age as me so I will watch it thoroughly Yoshiko too, right?」

「...Yes.」

Ruriko is holding Yoshiko-san's hand tightly

「Katsuko, Nagisa...take care of the other things.」

Minaho-neesan tells the two.

「Yes, Ojou-sama.」

「I'll record a wonderful first time experience!」

The two replies holding their cameras.

Then...Jii-chan and Minaho-neesan head to the other room.

「Megu...take off my clothes.]

I order Megu

「Eh...Yoshi-kun?」

「It's your job to take off my clothes right?」

I'll stick to being a domineering husband to Megu.

I'll make Megu do all no matter how trivial it is.

I'll bother Megu on things I can do by myself

If I don't let Megu participate on each of my actions...

Then she'll get depressed again

「G-Got it...Yoshi-kun」

Megu reaches for my clothes.

I'm not doing anything

I stay solid like a stone statue and let Megu do everything.

Taking off my coat and shirt...

Megu then takes off my belt.

「...You're not jealous that I'm going to feel good, right?」

I whisper in Megu's ears.

「Eh?!...Yoshi-kun...!」

Megu looks up at me.

「If I embrace a woman I feel good...if I feel good then that means that Megu should feel happy」

「...That is」

「Megu, do you hate Michi?」

「I-I don't」

「I want to embrace Michi. I think it'll feel really amazing when I break Michi's virginity and ejaculate inside her. Michi's okay with it too?」

「Yes...I want to be violated by Master!」

Michi answers while having her legs open.

「Megu, I'll have sex with other girls regardless of what you think. I'm not a man only for Megu. Accept that」

「...But」

「Megu's the『family's』class chairman Think of what's best for everyone in the『family』」

The words enrich Megu's mind...

「Got it...Yoshi-kun only has sex with his『family』」

「...No, Megu」

「...Eh?」

「If the『family』wants it...I'll rape anyone」

I look at Yukino

「Minaho-neesan wishes for Yukino's pregnancy」

Therefore...I've got to keep doing Yukino until she gets pregnant  
Megu...

「You're right. Yoshi-kun wants to do it with Yukino」

Yukino glares at me.

...I

「Yeah. Got it. Megu will help out if that's what Yoshi-kun wants. I hate just watching from the side... I will do anything if Yoshi-kun wants to have sex with someone」

...Megu

「In exchange...please don't throw me away. Please...I beg you」

I pat Megu's head.

「When we return to the mansion...you stay in my room」

「...Yoshi-kun?」

「But, you won't be alone. Even when I have sex with another woman in my bed, you'll stay there and watch」

「Okay...I got it」

「If I want to do it alone with another woman then I'll do it on a different room. However, if it's in my room, then you'll stay with me...is that okay?」

「...Yes, dear」

Megu swore.

「I want to stay in Master's room too...」

Michi said.

「Please give me a dog house Michi wants to be bound there with a collar on her neck. Then, when master is in the mood...you can violate me anytime」

「M-Me too...I want to stay in Onii-chan's room I want to be raped anytime you would like Onii-chan...」

Mana says

「I'm fine on my room. I want to be loved in my own space. Of course...I'm fine having fun with other girls in your room too Katsuko-nee said.

「I have my house with Mao-chan. You can just come there. Once a week will do. I'll wait preparing a special treat for you!」

Nagisa said

「I wonder what should I do?!」

Nei-san...before that, your virginity first

「I'll ask grandfather and rent a room.」

Misuzu said.

「A condominium with good security will do. I'll make it a room for me and Danna-sama...for whenever he wants to embrace me. I welcome everyone however...Misuzu has her own territory and I would like to please Danna-sama」

Yeah. Misuzu feels away in the mansion.

That said, because she's living with her parents at the house...

She can't call me in her house.

However...having sex in a luxury condominium....

「Then, Yoshiko and I will rent the room next to it」

Ruriko said

「I still don't know a lot of things about sex. I would like to receive guidance from Misuzu-oneesama and everyone」

「There's no need for guidance!」

Nei-san tells Ruriko

「Just do it whenever Yo-chan wants to! Just say yes to everything and do it no matter how embarrassing it is. It's fine, Yo-chan will never do anything girls absolutely hate. He'll surely make Ruri-chan feel good too」

「Yes...I'm looking forward to it」

No...Nei-san, should a virgin like you say that?

Well fine

「...Yoshi-kun」

Megu looks up at me

「I'll take your penis out」

Megu exposes my penis.

It's already erect to max

「That's going to enter me」

Michi mutters as she look at my erection

「I wonder if this can go in, Michi looks small」

「Please put it in...you can force it. You can split it apart...please bully Michi!」

Love nectar drips from Michi's crotch

「Misuzu...strip Michi」

「Yes, Danna-sama」

Misuzu takes off Michi's clothes.

The stripping process is recorded by Katsuko-nee and Nagisa.

Meanwhile, Megu's taking off my socks

「Mana...suck it」

「Okaay, Onii-chan」

I let Mana do fellatio before Michi gets naked as promised 「Ruriko-san, please watch! Mana's going to lick up Onii-chan's penis」

Mana fills her mouth with my dick as if demonstrating it to Ruriko and others. She licks the glans with her tongue

「...That's amazingly lewd」

Seki-san leaks out her voice.

It seems to be her first time seeing this

Reika's observing quietly.

Ruriko is watching Mana's fellatio interestingly as she hold the hand of the frightened Yoshiko-san

「We've got to do this kind of service too. Yoshiko」

「Mana-san and I don't have that much experience...so Danna-sama is teaching us how to make him feel good」

Misuzu said

「No way...even I don't have that much experience」

「That's not a matter of experience Danna-sama just has to tell how he feels good. Ruriko-san, Michi and I will do anything after all」

Misuzu says as she take off Michi's clothes.

「Oh right, I will run as the next student council president in the next semester」

What...Misuzu?

「I've talked about how the school is strict as an Ojou-sama's school, right?」

「Yeah, you've talked about it but」

「The school doesn't have any young male teacher. The school regulations are very strict」

「...Right」

「Therefore...I think that there's not a woman who had sex in the school building since it was established」

...Misuzu?

「Our school has a sports festival, and people outside the school are invited via ticket system. At that time, let's do it in the student council room. Sex and fellatio too」

Misuzu said happily

「Ruriko-san will join in too, right?」

「Yes...if that's what Onii-sama wishes then Ruriko will do anything」

「Michi will join too」

「Yes...however, Master」

Michi is already on her bra and stockings only

「...First, please pierce through my virginity」

There's love nectar flowing from Michi's crotch to her thighs

「The depths of my stomach feels so hot...!」

「Fufufu, Michi...!」

Misuzu smiles mysteriously

「Michi's wombs wants Danna-sama's semen...!」

# Chapter 284. The night where Michi gives her virginity (Part 2)

---

「Michi...come」

My penis sucked by Mana is already at maximum erection 「Yes, Master」

Michi stands up trembling and comes close to me.  
Embracing this small body...our lips violently piled up.

「...Aaah」

Michi leans her body to me

「Michi...touch Danna-sama」

Misuzu holds Michi's white hand and leads it to my penis.

「Ah, so hot...so thick」

Michi's fingers gently stroke my glans.

「You'll become a woman using this...swear to love only Danna-sama's penis for the rest of your life...!」

Misuzu said, Michi...

「Yes. I will accept only Master's thing... Please break my virginity with this stout thing. Please release semen as much as you want...Michi, please make Michi pregnant...!」

「...Michi」

「I am Master's lewd toy. Please release Master's lust inside Michi's body!  
Please play with Michi anytime anywhere」

Michi's breathing turned rough.  
Her crotch is dripping love nectar on the floor like water.  
Michi seems to be easy to get wet.

「I'll take off the bra」  
「...Yes」

Michi's brais the sports type, perfect for her body.

I take those off.

Michi's immature and flat chest.

Her pink nipple's the only one sticking out, appealing her existence from arousal.

I knead her nipple with my finger.

「Au...I'm sorry. Master」

「...What's wrong, Michi?」

I don't know what she's apologizing for.

「My chest isn't enough」

I rub Michi's flat chest.

I can feel a thin layer under the skin.

There's a foundation for growth so this chest is going to expand in the future.

「Don't be ridiculous」

I whisper in Michi's ears.

「I'll stimulate it a lot to make this part of Michi well mature...」

「...Master」

「I'll have fun in raising Michi」

「Yes...please nurture me. I'll become a woman under Master's preference...!」

I stand on my knee.

I've got to do this in order to lick Michi's petite nipples.

「...I'm licking it」

「...Yes」

I lick up Michi's nipples.

「Aaaah...T-This feels good...!」

「Michi, do you like being licked by Danna-sama?」

Misuzu smiles beautifully to Michi.

「Okay...this is good. If it's licked everyday...Michi's breasts will surely inflate...」

「Then I'll do it everyday」

「Thank you...it's only for Master. There's nobody else that could lick it other than Master and his child」

「My...what about me?」

Misuzu laughs

「...Misuzu-sama」

「Michi, Misuzu wants some love too」

「...Y-Yes」

Michi answers embarrassed.

「Danna-sama...when I make love with Michi, I'll properly ask for Danna-sama's permission. Misuzu and Michi are both Danna-sama's『woman』」

Misuzu said

「Misuzu...you want to do it with another『woman』right?」

Misuzu's originally a lesbian pet of Nagisa.

She prefers women more than men.,

「Yes, if Danna-sama allows it then...I want to make love while being watched by Danna-sama」

Misuzu answers honestly

「Who do you want to do it with right now?」

I asked meanly...

「Everyone with the『family』 Nagisa-sama, Katsuko-san, Megumi-san...also, I also like to attack the still virgin Seki-san」

「What...me?」

Seki-san's surprised.

「Yes. I think that Seki-san has a nature to become a masochistic slave. I want to make Seki-san's lust bloom...!」

Misuzu said, Seki-san turned red.

「Danna-sama, this isn't cheating therefore...I'll never do it without Danna-sama's permission...and I'll only have Danna-sama for my entire life」

「I know...love in between『family』isn't cheating after all」

If you say that far...

What about me who's going to violate Michi

Oh right.

「Misuz...could you do Megu and Mana after Nagisa and Katsuko-nee?」

I said

「...Yoshi-kun?」

「...Onii-chan?」

「Meguy and Mana's connection is strongly only with me. If you love each other in the family, you can entrust your body and mind with confidence...I think the instability will be gone」

「Right, that might be true」

Katsuko-nee said

「Of course, I'll be right by your side...okay, Megu, Mana?」

「Un...got it. Onii-chan」

Mana's been yearning for Katsuko-nee and Nei-san originally...  
She'll accept without any problems.

「I'll do anything Yoshi-kun wishes for」

But, Megu doesn't have any lesbian nature at all  
I think this might be a problem but...

「I...If Yoshi-kun wants to see it then I'll give myself to an unknown man. No matter how hard it is, I'll endure」

Look...Megu's consciousness heads to a different direction.  
Instead of love between women in the family...  
It turned to a perverted play of embracing a stranger in front of my eyes...  
It's the same inside Megu's head.  
Megu sees everything as an abnormal act except for male female one-on-one sex.

Megu's been raised by Yamamine house who are people with common sense so she has a strong sense of morals.

「I'm not asking for that...far from having someone embrace Megu, I'll never

show the naked Megu to any other men.」 Even Megu's hair is mine. I'd rather die than hand Megu to other men!」

「...Yoshi-kun, I」

Megu's thrilled by my declaration

「Megu, you should also say clearly if you want to do it or not! Do you think that you can please me by saying that!」

「Sorry...Yoshi-kun」

Megu prostrates on the floor.

「Please. Megu won't ever have sex with other men...」

「That's obvious. I'll never allow other men!」

「Yes, Yoshi-kun」

「Then...what about the other『women』 I'll definitely be by your side watching when doing it with the『family』...」

「Then...I think I can endure it」

「Then do it. Get used to it」

「...Un」

Megu nods.

「Hey, dear」

Katsuko-nee said.

「What?」

「It's good to do it within women but...I don't want to use vibrators or any dildo. That's okay right?」

「Why?」

「Spread their womb's with your penis. So yours are a perfect fit. Our holes are dedicated to you so I think the climax experience in the vagina should be your penis. I want them to remember the sense of receiving semen in their womb」

「...Got it」

Katsuko-nee...she's seen various women as she was a prostitute in the mansion.

There must've been a prostitute who became crazy on sex with machines. This means that I must make my women feel only sexual satisfaction from me.

「Now...please concentrate on Michi」

Misuzu said

「Right...I'm going to have sex with you Michi now」

「Yes...Master」

The small girl in my arms nods.

「Okay...this way please」

Nei-san made one of the sofas a bed.

「Wait a moment, there's some clean sheets in here」

Megu then looked for sheets from the back and spread it out.

Megu who became the class chairman of the family is really attentive.

「Let's put a cushion under your waist」

Nagisa...gives a cushion for Michi's first time sex with me.

「Dear, wait a moment...」

Holding the video camera, Nagisa turns Michi on the bed.

Katsuko-nee also records Michi's naked body for her last time being a virgin

「Misuzu...help Michi-san make memories」

「Yes, Nagisa-sama!」

Misuzu also enters the video screen

「Raise your body and look at the camera...」

「Yes, Misuzu-sama」

Michi looks up at the lens

「...What's your name?」

「...Kudou Michi」

「State your age and school year」

「15 years old...third year in middle school」

「Michi's going to give her virginity to her beloved master, won't she?」

「...Yes」

「Face the camera and say it yourself. This recording will be left for eternity.  
We'll be showing it to Michi's daughter in the future」

...Daughter?

「Michi doesn't intend to give birth but girls」  
「...yes」

Michi speaks to the camera

「Michi's going to be violated by Master...lose her virginity. Please take a look  
at Michi becoming an adult...also」

Michi thinks for a bit then said

「I'm very happy right now」

Misuzu smiles

「Well said...so cute, Michi」  
「Thank you very much...Misuzu-sama」

Then...Michi looks at me  
Sitting naked on top of the bed...

「...Master」  
「...Yeah」  
「I will dedicate all of my body and mind. Please make love with Michi. Please  
stay by my side forever」

Michi's puts her three fingers on the bed and bows her head.

「...Sure」

Misuzu speaks to me.

「Take care of the later. Danna-sama」

...I  
I head to the bed  
Michi lifts her face and wait for me on the bed.  
...Chu  
First...Kiss Michi's lips.  
I can hear the shutter of the camera.

Katsuko-nee seems to be taking photos of all the decisive scenes.

「...Are you scared, Michi?」

「...A bit. It's thrilling. That's what's good」

「...Michi?」

「Please make me afraid more...!」

There's beads of sweat floating in Michi's egg like forehead.

Misuzu said that she's a masochist but...

Michi's a genuine masochist.

This girl is perhaps.

「Michi, spread your legs」

「...Yes」

Michi opens her legs.

Her vagina is totally drenched.

Her body's waiting to be violated by me.

I open her slit...

Then checked her hymen once again.

This membrane will be lost soon...

Eternally.

This small...purity of a 15 year old girl will be tainted.

Katsuko-nee's camera photograph's Michi's hymen and embarrassment...

「...I'm going to put it in」

I stroke my penis and put it in Michi's slit

「...Hot」

The body heat comesin contact and Michi's body shakes.

「Michi, you must take a look at Danna-sama's face properly」

Misuzu said

「Show your face at the moment Michi becomes a woman」

「...Yes」

Michi's eyes look up at me.

「.....Michi」

I enter my hand under Michi's back and grasp her shoulder.  
The right hand holds down the base of Michi's thighs...  
I made sure she can't escape her body to escape from the pain.  
However...this position...  
The penis erect enough to pierce the heavens is off from Michi's opening

「Misuzu...lead my dick inside Michi」

「...Danna-sama」

「You want to see Michi's virginity loss, right?」

Misuzu smiles at me.

「Danna-sama...I love you!」

Misuzu holds my penis.

「Wait...I'll give a charm」

Saying that...once again, my penis is licked by a tongue.

「Okay...here we go」

Misuzu once again lets my penis hit her opening in the vagina.

「Michi...relax」

「...Yes」

「That's no good...breathe deeply」

「Suu...haa」

「Michi...your heart is throbbing, right?」

「...Yes」

「Me too」

Misuzu smiles

「My virginity was stolen by this penis too」

「Yes...I'll be the same with Misuzu-sama」

「Right. We'll be together forever」

「...Yes」

Michi looks at me

「My heart has calmed down. Please come, Master」

「...Here I go」

I push my glans in Michi's small slit.

「Nugu...!」

Michi frowns in pain

But, her eyes are looking at me.

Michi's entrance is too narrow.

Even my glans can't enter

「Relax...deep breathing.」

Misuzu tells Michi as she hold the root of my penis 「...But」

Michi's defensive instincts prevents my penis from entering.

The trained flexible body is shut tightly...the barricade doesn't allow any more disorder

「Michi...be a doll.」

「...Misuzu-sama.」

「You're my and Danna-sama's toy.」

Michi breathes in deeply

「...I.」

「Accept it...be violated by Danna-sama.」

「But」

Even her mind thinks so...her body doesn't stop rejecting 「Misuzu...let go」

I tell Misuzu

「Danna-sama...?」

「Let's change how we do it.」

I also let go of Michi's body

「I-I'm sorry...Master.」

Michi said regrettably.

It's not Michi's fault

Michi's been training martial arts for a long time.

Her defense instinct is strong and her muscles are trained more than a normal girl.

「Michi...get on all fours and stick out your ass」

「...What?」

「I'm slapping your ass...!」

Michi...

「Yes...please punish Michi to your heart's content」

She hurriedly crawled on the bed

「...Please」

「Yeah」

I slapped Michi's butt with all my might!

...Bashin!

「...Ugu!!!」

Michi doesn't scream

She's desperately enduring it.

Therefore...I slapped it again and again!

...Bishi!

...Pashishi!

「Nunuuu!」

「...Auuu!」

I slapped her butt thirty times.

Michi's white ass became swelling red with my hand.

My hand also feels painful

「This is the last!」

I slapped Michi's butt with full power!

...Bibashiii!!!

「...Akaga!!」

Then, Michi plops on the bed

「Haaa, haaaa, haaa...!」

Michi's breathing heavily, sweat coming out of her body.

I look at Misuzu.

Misuzu nods.

...Now!

「Michi...!」

「Yes, Misuzu-sama?」

At the moment Michi turned to Misuzu...

I roll down Michi's body!

Michi can't move her body from the shock of but slapping.

「Danna-sama, now!」

Misuzu then pushes down Michi's body!

I forcibly enter in between Michi's legs....!

And pushed my glans in her vagina!

「Uuu...Gyaaaaaaa!!」

Michi can't do anything from the surprise sex.

My glans penetrates Michi's inside.

As of squeezing out the love nectar of Michi who's aroused from the butt slapping...I push in my glans!

「Michi! Look at my face!

Michi looks at me with a frightened expression...flapping her mouth.

「Michi...I'm breaking it

The shield is blocking the invasion of my penis.

The pink colored meat membrane.

Michi's chastity itself

「...Say break it!」

I ordered...

Michi's heart collapses...

...Michi!

「...Break it! Violate me! Please defile me!」

Looking up at my face...

Michi's eyes, have pearl like tears coming out 「Make Michi yours!」

...Donuu!

I pushed my waist with all my might!

「Hyaaaaaaaaaaaa...!!!」

Michi screams!

One more!

Violently, powerfully...I knock my mass of erect lust in Michi's small body!

「Ouuuuch! It hurts...Ouuuuch!!!!...aaaaah!」

The moment Michi spit out all the air from her lungs...!

...Zurururu!

Her hymen broke and my penis pushed into her unexposed womb!!

「...Auaaaaa!!」

Then...push it to the roots!

「Hiiiiiii...it's coming in!!!」

This is the deepest part!

The tip of my glans is kissing her plump uterus...!

「I-It was taken. I'm being violated...I lost it...!」

Michi looks at me with eyes opened wide like I'm a rapist.

Tears fall from those eyes.

Misuzu lick up those tears.

「Delicious...Michi's tears from losing virginity」

「...Misuzu-sama」

Misuzu holds Michi's hand.

Michi's hand grips Misuzu tightly due to the pain of losing her virginity

「Dana-sama...how does Danna-sama feel about Michi's virginity?」

「Yeah, it's too narrow and tight...it's clamping me. Can you tell...Michi?」

「Yes...Master is inside me」

Michi says as she leak out hot breath.

Her whole body is moist with sweat.

The smooth skin that's like a white porcelain is dyed red.

「Don't move for a while」

Katsuko-nee takes photos of me and Michi connected 「Okay, face this way you two」

Michi's virginity loss is recorded forever

「...It hurts right? Are you okay Michi?」

When the recording was completed, I asked Michi...

「...More」

「...What?」

「Please make it hurt more」

「...Michi」

「I love pain」

「Yeah...got it」

I slowly moved my hips...!

「Nuguuu...!」

Michi's desperately looking at my face while she endures the pain

「...It hurts...ouuch...it hurts...liii!!!」

Michi shouts as her body shakes.

「...I...surely...will become...a good toy...!」

Michi...Michi...!

「Therefore, please make it hurt...more, please play with Michi more!!!」

I can no longer endure.

I push in my waist in a dash.

「Haaaa...!!!! Aaaaaah!」

Michi spill sweat and tears...enduring my rape.

Misuzu holds Michi's hand tightly...

「Danna-sama...please don't hold back. Please pour it inside Michi as much as you want」

Michi...I want to ejaculate in this body that was just a virgin!

「Aaah...Michi!」

The hot thoughts accumulate inside my head...

「M-Michi...I'm cumming!」

「Please! Make me...master's...Master's『woman』! Please impregnate me!  
Please pour it inside me!!!」

Michi shouts while enduring the pain.

Her eyes are looking at me in pain.

「Ah...no more!...Michi, I'm going to let it out...I'm going...to ejaculate...inside  
Michi...!」

...at that time.

Michi tells me

「...M-Master...I-I...today...」

「...What?」

Oh...My penis is clamped up!  
I-I'm being squeezed.

「I-I...this is a day of my ovulation...!!」

...Hey.

W-Wait a moment!

Ah...I-I can't wait...!

「...Aaaaah!」

...Dokudokudokuuuu!!

The first blow!

「...aaaaah, so hoooot!」

I can feel my hot liquid pouring inside Michi's womb!

「Aaaah...I'll get pregnant! I'm being impregnated! Master's child...I'll bear  
it!!!」

...Doku, doku, dokuuuuu...!

The ejaculation...!

My ejaculation doesn't stoooooop...!!!

「...The hot thing is spreading deep inside meeee!!!!」

# Chapter 285. Pillow Talk

---

「...Master」

Michi turns her arms around my back.

「My...master...!」

She hugs me tightly.

My penis continues to defile Michi's virgin land with cloudy liquid.

「I...became a『woman』 An adult...『Woman』」

Michi's vagina is clamping me.

Making me pour inside her womb until the last drop...

「.....Michi」

「How was my body?」

「It's pleasant. Michi's small and narrow...perfect for hugging」

「...I'm glad」

I kiss Michi

Michi licks my tongue.

「All of my dreams came true. I'm no longer scared of anything」

...Dream

「...Misuzu-sama」

Michi looks at Misuzu.

「I'm here. I've watched you offer your chastity to Danna-sama. Well done.  
Continue to serve Danna-sama in the future」

「Yes...I will be by Master and Misuzu-sama's side. Is it allowed for me to stay by  
your side?」

「Of course. We'll love you for our lifetime」

「...I'm happy, Misuzu-sama」

Michi once again looks at me.

「This is my first dream. I've been yearning for Misuzu-sama since childhood. I

want to serve with all my life as her guard. But, if Misuzu-sama marries into another house from Kouzuki family...the guards must be taken over to the married house.]

「It's fine already...Grandfather has acknowledged my relationship with Danna-sama.]

「Yes. Then...I am also made Master's『woman』.]

「Right. You're the same with me. We'll be serving Danna-sama for always.]

「Yes...Misuzu-sama.]

With this...Michi and Misuzu won't separate for their lifetime.

Michi's happy about me making her my woman.

「Also, my second dream...is to bear a child as a successor of Kudou style ancient martial arts...I have the obligation to pass the techniques to the next generation.]

...Child

「However...I thought that it would be difficult to find a gentleman who will give me a child and understand the significance of Kudou style ancient martial arts...】

...Yeah

A normal man would be only confused even if he's told about the succession of the ancient martial arts.

「Master...please impregnate me with Master's semen and allow me to teach the child with Kudou style ancient martial arts...!】

Michi looks up at me seriously

「Well, I don't mind of course but...

As soon as I answered...Michi smiles

「I thought you would say that...Master!】

「But...there's no need to be pregnant right now, right?】

I said...

「Michi's still 15 years old...you can give birth to a child later can't you?】

「I don't mind it even now】

Michi puts strength in her stomach

「Ufufu...Master's seed inside my stomach feels warm」

This is bad.

She seriously intend to get pregnant right now

「No Michi...follow Danna-sama's instructions」

Misuzu tells Michi

「A woman's body would change from a girl to a mother when they get pregnant and give birth. Master wants to enjoy more of Michi's girlish body」

「Is that so?」

Michi asks me

「Yeah, I think that Michi's going to become even more beautiful in the coming years. I want to embrace Michi's growing body」

「That's right First, have your body grow to Danna-sama's preference...having him pour his semen in your womb more and more. It's not too late to become a mother」

Misuzu tells Michi

「...Understood. Then, I won't get pregnant until I graduate from middle school」

「High school」

I said

「You mustn't get pregnant while wearing uniform, Michi」

「Then...it'll take more than three years」

「Three years would be gone in a blink of an eye」

I kiss her.

「Before your mission as the successor of the Kudou style martial arts...I'll teach Michi the fun as a normal girl」

I kiss Michi's face.

I lick her cute nose.

「...Master」

「It's an order...enjoy your student life. There's a lot of things to do while young. You can start your mission as the successor after graduating. Okay?...」

「I also order you. If you don't enjoy your life, Danna-sama and I won't have fun as well. We'll be together for always so let's live happily. Okay, Michi?」

「...Yes」

Michi answers with moistened eyes.

「I'm so happy」

「It's great to give your virginity to Danna-sama, right?」

「Yes...this must be『Love』」

...Michi?

「I thought that『love』for men would be irrelevant for the rest of my life. But, having my skin overlap with Master's...it feels very pleasant. I want to stay like this forever. I want to accept Master...」

My dick goes hard inside Michi again.

「That's right. Michi's also in『love』with Danna-sama」

「Yes...I yearn for Master...!」

...I

「...Are you an idiot?! That's not love! Real love isn't like that!」

Yukino who's been gloomy in the corner of the room screams  
At the person outside of the『family』...everyone ignores Yukino

「Err...Yukino-san, do you know what true『love』is?」

Mana asks

I just warned her so she's not speaking harshly like usual

「That's obvious! I have someone a truly『love』!」

...Yukino. Well, that is

「Someone you『love』...no way it's that?」

Nei-san asks Yukino with an amazed face.

「Yukino-san...have you forgotten that your boyfriend tried to beat you up and

rape you?」

Yukino was attacked by Endou in the room next to the principal's office  
No, I was the one who raped her in the end but...

「Because...I liked him at first! I hate him now! I think that he should die but  
when we started dating, I really liked him!」

Yukino shouts.

「That unilateral emotion of yours isn't『love』」

Nagisa said

「『Love』means you love and you're loved. Trust that connects your hearts!」

Nei-san said

「Yes. We all are in『love』with Danna-sama, I understand that well」

「Un.. Mana also is in love with Onii-chan!」

「Megumi-chan too?」

Katsuko-nee looks at Megu.

「...I」

「Just because the other women seem to be more attractive than you...you only  
think of him being taken away...it's not that you're thinking that he's betraying  
you, right?」

「Yes...Yoshi-kun will never betray us. I know that」

Megu said

「That's right. Megumi-chan's problem is only inside Megumi-chan. If you trust  
him then you should rebuild yourself」

Nagisa tells Megu.

「...Yes」

「Don't corner yourself Megu! If you've got the time to think that then do  
something you have to do right now!」

「...What I have to do?」

「Michi needs emergency contraceptives」

I tell Megu

「Ah...right. Does anyone have some?」

Megu, Misuzu and Mana all have contraceptive pills they got from the doctor but...

They don't have any emergency contraceptive pills.

「Ah, I have it!」

Nei-san said

The ladies of Kuromori carry emergency contraceptives all the time from the fear of the time when they're raped all of a sudden.

Everyone has their dark past.

「Nei-sama, please please hold it for your own... I'll let Michi-chan drink mine」

Katsuko-nee said

Nei-san's enemy is still alive.

Cesario Viola and his party are targetting Nei-san.

Nei-san has her emergency contraceptive as her『charm』

She should have it.

「If I recall...Emergency contraceptive drugs should be drunk within 24 hours after fertilization, right?」

Michi said

「That's right. But, it's most effective if done as soon as possible」

Katsuko-nee said

「Master...please let me stay like this for a while」

Michi looks up at me.

「I might be pregnant with Master's child but, I want to confront the enemy holding that possibility」

「...Michi」

「I will definite protect it. Master...Misuzu-sama...and my『family』...!」

Then, Michi touches her stomach

「Also...this warmth deep inside my stomach...!」

If the possibility of fertilization inspires Michi's heart, then...

「Got it...you don't have to take the drug right now」

I tell Michi

「Oh...I love you. As expected... I love Master!」

...Michi

「Who cares whatever other people say...for me, this is『love』! That's fine on its own I will『Love』master for the rest of my life!」

Michi embraces me...!

「I see...I get it.」

Reika mutters suddenly...

By the way, Seki-san and Yoshiko-san are still shocked for seeing a live virgin sex.

Ruriko's watching curiously.

「I'm not interested in love or marriage but...I thought I want to bear his child. I see, If I bear lord's child then it'll solve all problems...!」

...Err

Reika's a woman who's lacking in various things.

「Yeah. I must make Mao-chan's little sister so I also need to get pregnant soon」

She's completely fallen for Mao-chan.

Or rather...Reika's truly satisfied with the『family』

「But, Reika-oneesama...the situation right now doesn't allow it」

Nagisa tells Reika carefully.

「I know. I'm a professional guard until the enemy are eliminated.『Family's』safety is above all...right, Seki-san!」

「Ah...Yes?」

「Get yourself together」

「Ah, aah...Sorry」

Seki-san's face turned red and apologized.

「Onii-sama...he's gotten bigger inside Michi-san again...!」

Ruriko's been staring at the joint.

「There's so much blood coming out...Michi-san, does it hurt?」

Michi answers

「I like it painful. I have devoted my body after all」

Then she looks at me...and smiled

「I can tell. Master's gotten bigger inside me」

...Michi

「Please stir up my insides again. Please release a lot of hot stuff」

I-I...

---

# Chapter 286. Mystic Sex

---

Nagisa turns the camera to Michi and I who are still connected...

Katsuko-nee also presses the shutter to make continuous shots.

「When I will have sex with Onii-sama...will I also be photographed like that?」

Ruriko asks Misuzu.

「Yes. This is the rule of the『family』 Megumi-san, Mana-san and I also have records of it too...!」

「...Is that so?」

「What? Ruri-chan's embarrassed?!」

Nei-san smiles at Ruriko.

「No. I would like to be photographed by all means...!」

...Ruriko?

「After all, it's a memory of a lifetime...I must show it to Onii-sama and my children in the future」

...What?

「You're right. Danna-sama's love is very sacred and precious」

Misuzu, wait...

「Yes, Oneesama I have just learned it today however, what beauty it is to receive a man's love using your whole body! Don't you think so, Yoshiko?」

Ruriko talks to Yoshiko-san but...

「I-I...am a bit scared」

「There's nothing to be scared of. Misuzu-oneesama may be used to it already but...Michi-san is at the same age as me. And yet...she's properly accepting Onii-sama」

Ruriko's eyes are shining...as she look at the part where we connect.

「...Please touch it and confirm」

Michi tells Ruriko

I look into it once again but...Michi's vagina seems to be tight but flexible.

There's not much blood.

My dick that's penetrating deeply that ejaculated white liquid a while ago...

The overflowing love nectar coming from deep inside Michi.

「Then...excuse me」

Ruriko stretches her white fingers.

「H-Hot...it's very hot」

Ruriko speaks her impressions as she stroke my penis.

「Michi-san's place is spread out so much. It's designed to fit perfectly」

「That's right. A woman's body can accept all of her beloved man」

Misuzu said

「I will be accepting this too」

「Yes. Michi who's smaller than Ruriko-san was able to...so you can. Be at ease」

「Yes...Misuzu-oneesama」

Ruriko's slightly aroused.

「Uhm...I don't know whether should I say this but」

「What is it Ruriko-san?」

「If possible...I would like to be embraced by Onii-sama in various places」

Various places?

「Earlier...Misuzu-oneesama talks about her plan to have sex with Onii-sama in the school during an event」

「Yes. I will. Really」

Misuzu said clearly

「Listening to the talk earlier...I somewhat felt my heart throbbing...」

「Ruriko-san's aroused」

「Yes...I want to be embraced by Onii-sama in various places not just inside the school...」

「Is that so?...For example?」

Ruriko answers Misuzu's question

「...An unpopulated seaside, or on a lake on summer highlands.」

「You like it on romantic places?」

「Yes. While looking up at the moon.」

Ruriko...that's all outdoors right?

You like outdoor sex?

「Do you want to be alone with Danna-sama?」

「No. I would like Misuzu-oneesama and others to be with me. Also...I want to be photographed...!」

「My, Ruriko-san wants to have her sex with Danna-sama outside to be recorded?」

「Yes...uhm...do you mind?」

On top of outdoor sex...she likes to be recorded too...

Even though she was a beauty with no sexual knowledge just ago...

No...Ruriko has the Kouzuki blood.

She's just obedient to pleasure.

「That's a nice idea. Danna-sama will surely answer Ruriko-san's hopes.」

Before I could answer...

Misuzu declares with confidence.

Well...she's right though

Am I just saying okay to everything?

「You see...I also got a lot of sex I would try with Danna-sama. I've got to ask more and have to put it on schedule beforehand...!」

Misuzu smiles

「I...I also have a play I want to do.」

Katsuko-nee mutters

「Even I do too...But, even if the shop's closed, I can't just leave Mao...!」

「If you just told me earlier then I can babysit Mao-chan!」

Nei-san answers Nagisa.

「Really? Then I'll leave her to you...there's a good hotel in Shounan」

「Eh, could it be that you're intending to stay there...Nagisa?」

Katsuko-nee retorts to Nagisa.

「I won't stay there! It's just a place famous for its beautiful sunset. I want to make love while looking at the sun sinking in the sea with just the two of us!」

「Ah, that's good! I also want to do that!」

Nei-san, you're jelly but...you're still a virgin

「We'll go by car and come back at night. I've got to manage the shop next day...and I can't just leave Mao」

「If it's Mao-chan then she'll be fine in the mansion! Sensei would be pleased with her」

Nei-san says so but...

「Mao's the one not good. If I stay away from her for too long, she'll cry from too much worry」

「Really? Won't Nagisa be the one worried?」

Katsuko-nee asks Nagisa meanly

「Anyway...as expected, we need to manage his schedule」

「Right. We should make time for everyone to be loved as him as fairly as possible」

Nagisa and Katsuko-nee look at each other

「With that said...Megumi-chan, do it」

Told by Nagisa...Megu's surprised.

「M-Me...?」

「That's right. You're the class chairman of the『family』...so do it properly」

Katsuko-nee smiles

「Right. Megumi-san is going to the same school as Danna-sama...I think you know well the best on his side for everyday. You're qualified for it」

Misuzu also asks for Megu's schedule management

「That's right...Besides, if it's Megu-chan then she can properly make a fair

schedule」

Nei-san smiles

「...Put your own schedule too. You should think of what he wants to do himself and schedule it...not just placing people who are available. Okay?」  
「You should have some of his love with as much time as everyone...!」

...I see

Katsuko-nee and Nagisa...

They foresee that the mentally weak Megu becoming afraid of the other women, become unable to demand anything from me...  
And also, in order to not make her depressed alone...  
They entrusted the schedule management to Megu.

「Ah, Megu-oneechan...it's tough to do it all by yourself? I'll help out too!」

Mana says so but...

「Nufufuun, Mana-chan mustn't do that!」

Katsuko-nee rejects it.

「Right. If it's Mana-chan, she might make a schedule where she can monopolize him forever」

「Eeeh, that's harsh...Katsuko-san, Nagisa-san! Mana won't do that!」

「That's right, Katsun. Mana-chan won't do such a blatant cheat!」

Nei-san intervenes.

「Right...at glance it might look like fair but Mana-chan looks like she has spend time along with him six hours more time with Yo-chan in the span of a whole month.....Mana-chan's a girl who would cheat like that!!!」

Nei-san made Mana broke down.

「Uwawawawa...it's found out」

As usual, Mana's sly...

「With that said...Megu-chan, do your best alone! Thanks!」

Nei-san smiles...Megu

「...Understood. Then I'll do the schedule management of Yoshi-kun」

She acknowledged it with a serious face.

Okay. This case is closed.

Megu's mental stability seems to be going good too.

「Master...!」

Michi smiles from under me

「Oh sorry...!」

While I'm connected with Michi...I was thinking about the other『family』  
This isn't good.

「It's fine. It's conveyed that Master really loves us『family』from the bottom of  
his heart...!」

...Michi

「There's something I would like to try. Is it allowed?」

「Want to try...right now?」

「Yes...while I'm still connected with Master...」

Michi...what is she trying to do?

「...Then please enter the deepest part of me」

I push my erect penis deeply

「Does it hurt...Michi?」

「As mentioned earlier...I like it to be a bit more painful」

Michi smiles

「Then...what to do next?」

「Please relax a bit and take a look at my face」

「...Sure」

I relax my body and look at Michi's face

「What do you think of my face?」

「Cute...or rather, beautiful. Michi's facial feature is noble. Your features are of a  
beauty」

She'll be a rare beauty for the next few years.

「That's fine but...」

「What, Michi?」

「Please take a look at my eyes...」

「...Yeah」

「Place your right hand above my heart」

「...Like this?」

「That's right...How does it feel?」

「Your nipple is getting stiff...I'll stir it up」

「Don't mind it...please focus on my heartbeat」

...Heartbeat?

「What's going on with my heart...?」

「It's moving...beating. I can tell...Michi」

「Yes. I'm aroused. The intense heartbeat from copulating with Master doesn't stop...!」

Michi stretches her hand and touch my chest.

「Master's heart is also pounding」

「Un...somehow, I'm really aroused」

It's not just the connection of our genitals...

We're feeling each other's heartbeat...

Michi's whole body...the wave of her life.

「Please continue looking at my eyes...match with my breathing...」

「...Sure」

「Suu, suuu, haa...ad repeat. Try to breathe as deep as possible... Please spit out the bad air collected in your lungs」

「...Got it」

Suu, suu, haa...

Suu, suu, haa...

We synchronize our breathing while still connected with her.

The timing of the breath is also completely matching with Michi

...Oh

Michi's beautiful eyes...

Somehow, I...

I feel like I'm being sucked by those eyes

Suu, suu, haa...

Suu, suu, haa...

「...Ah」

...Before I noticed.

『Suu, Suu, haa...』the breaths are matching...

My waist is shaking.

My body's making a piston movement starts on itself

「It's fine...please leave yourself to the flow of your mind and body. Please leave it to me」

It's completely different from the awkward sex earlier.

Michi also pushes up her waist according to my movements.

...Guchu!

...Guchu!

...Chupori!

At the moment my waist pierces Michi's deepest part...

Michi pushes up her waist from below.

The glans and uterus clashes again and again.

The pushed out liquid wets the part where Michi and I are connected...

「Aah...Michi, I...!」

The movement of my hips are becoming fast.

My eyes are still looking at Michi's face.

Michi's looking up at me too...

「Don't go against the flow...stay, stay like this...please feel me. I also feel Master...breath to breath...heartbeat to heartbeat...mind to mind...synchronize everything...!」

...I, and Michi...are matching

Everything and anything...it's completely matched...

「Ah...I can tell. Master's heart is connected! It's connected with me!」

.....Michi

...Michi

...Michiiii!

「...You're mine...!」

「Yes. I am Master's...!」

「Then...I'm also a part of you」

My body is seeking the pleasure from Michi on it's own...

I can't think of anything but to be connected with Michi and have sex with her.

I'm caught by Michi.

Mind and body...

「It's not, Master...I...I am a part of Master...!」

...Michi

「Let your body follow the flow but don't get swallowed by it. Please find me...  
I'm here!」

Michi holds my hand tightly...!

...Ah.

...Ah, ah, ah.

...I can tell

...I understand.

「M-Michi...does it hurt?」

I feel pleasure every time I hit the deepest part of Michi but...

Michi's feeling pain.

She's enduring the pain.

「It hurts...but, I like this pain!」

Right.

Even though we're connected...

Our bodies are separate...

What our body feels are different.

...But.

My heart is in here.

Right.

I can feel Michi's heart.

「It's accepting Master...I...all...I'm opening everything...accepting everything...!」

Michi became a『woman』

「I'll pour it all inside Michi. I'll pour it all until Michi drowns...!」

Therefore...I become a『man』

『Man』and『Woman』are different creatures.

『Yin』and『Yang』...

However, because we're different creatures...we become one when overlapping...

「I can tell...I can feel...Master's big wave is happening...!」

「Yeah, Michi...I...I'm about to!」

「I can tell...I know...!」

We keep staring at each other...continuing our intense sex.

「Please look at me more...feel me...!」

「Un...I can tell, I can feel it!」

「Master...accumulate, collect it more...then release it all at once」

「Aaahj, Michi...you'll accept me?」

「Yes...I'm open. I will welcome everything from Master!」

「Ah...aaaah, aaah!」

「More! More...please hold back for now!」

「...Michiii, Michiii!!!」

「Aaaaah, I'm open...I'm open to accept Master...!!」

「I, I...I'm about to...!」

「Look at me...the breathing, the heartbeat, our minds...please match it together」

At that moment...we synchronized perfectly...!

「...It's bursting!!」

「...Kuuuuuuu!」

At the moment I exploded inside Michi...!

Michi accepts everything

「Aaaaaaaah... cummiiiiiiing!!!」

「Cum, cum, cumming...Michiiiii!!!!」

The hot magma explodes...attacking Michi's uterus...!

...Byurururururu

...Byrururururu

...Byurururururururu

「Kyaaaaaaaaaaaaaaa!!!」

Michi screams while being impregnated...!!!!

As of Michi's hips is connected with mine...

Melting.

We're blending together...!

「...Kudou style ancient martial arts...Mystic『Shingetsu』」

Michi mutters.

# Chapter 287. Mystic Art talk

---

「Haa, haa, haa...M-Masteeeer...!」

Michi who's whole body is sweating looks up at me with teary eyes

「I did it...I...have grasped the mystic art...!」

「M-Michii...!」

She grasps my hand tightly  
I'm melting with Michi  
My mind and body is melting

「Uuuuuu.....!」

I release another blow of semen...  
It feels like the floodgates of my body has collapsed...  
The sperm produced by the testicles are being poured into Michi's womb

「I-I can't stop ejaculating」

「It's fine...you can release as much as you want inside me...!」

Michi's expression is also melting from the pleasure of being impregnated...

「I am a part of Master. I exist only to accept Master... We are...!」

「...Aaaah」

I embrace Michi tightly  
Michi does too...  
We're one  
Our mind and body are becoming one  
I'm sinking inside Michi...

「D-Don't, Mii-chan...!」

I hear Nei-san's shout in my ears!

「If you continue...Yo-chan will weaken and die!」

My long ejaculation continues...  
The ejaculation doesn't end...

「Stop right away! if this continues, the two of you will completely drown!」

This voice is...Reika?

「But...it's wonderful. I'm becoming one with Master...!」

「No! Come back Michi!」

Misuzu panics as well.

But, their voices feels like somewhat from a distant world.

I'm completely melting with Michi

「...Excuse me then!」

Reika stands up

「Wait...what are you going to do, Fujimiya-san!?」

Seki-san sounds surprised...!

「S-Stop...no way, you're!」

「Fujimiya Reika...entering the field!!!」

Reika holds the cane.

「Stop, Fujimiya-san!!!」

「...Haaaaaaaaaaaaaaa!!!」

Unconcerned of Seki-san's restraint...

Reika swings down her cane with an intense fighting spirit...!

「!!...Master, danger!!!」

Michi realized it immediately...she twisted her body sideways while embracing me!

...Zugo!!

The sofa bed we were lying down on just a few seconds ago is pierced with a steel cane!!

The sheet with Michi's virgin blood...

「W-What are you doing!」

Seki-san shouts at Reika, but...

「I judged that if she doesn't feel genuine bloodlust...Michi-imouto and Lord's

heart tuning won't be broken.]

Reika answered with a calm tone

「But...isn't it dangerous to just beat them up! If you hit them then his spine would crumble to pieces!」

「Michi-imouto is a genuine warrior. I know that she would protect Lord's safety no matter what...」

Reika answers Seki-san seriously...

「...Haa, haa, haa. Yes, thank you very much...Reika-oneesama」

Michi answers while embracing me

「This mystic art seems to be hard to control」

Then, she looked at me...

「Are you okay, Master...?」

「Y-Yeah」

The sweet sensation of blending until a while ago...is interrupted  
The ejaculation also ended

「Anyway, get off for now you two」

Katsuko-nee tells us

「Un, right...Michi, let go」

「Yes. That's regrettable...」

I pull out my penis from Michi's pussy

「...!!」

It seems the pain of losing Michi's virginity came back...  
She frowns in pain.

When I pull out the glans from her vagina...a large amount of white liquid spill out like flood.

That liquid is also mixed with Michi's virgin blood.

「Michi-chan...spread your legs, good. Then look at the camera!」

Katsuko-nee presses the shutter as if she just remembered it.

Nagisa also records the naked body of Michi that just became a woman

「Water?」

Megu hands me glass of water

「Thanks...give Michi water too」

「...Un」

I drink the water...

Aah...I'm completely sweaty all over

「Michi...explain what just happened」

Misuzu asks Michi

「It's mystic art...or so you said...」

Michi answers after drinking a glass of water.

「Yes Kudou style ancient martial arts, mystic art...『Shingetsu』 It's a skill that was taught by my grandfather...a technique I wasn't able to master, used for the first time」

...A mystic art you weren't able to master?

「The essence of Kudou style ancient martial arts is to...『ward off』,『bend』the enemy's『Qi』 Without confronting the『Qi』upfront, pushing it aside like a stream of water, piercing the gaps of their『Qi』...!」

...Un

I know that.

I saw it during Michi's fight with her sister, Haruka.

「Humans are a creature of crowd. Therefore, people tune their『Qi』with others in their everyday life. And, forming a『collective mentality』...humans run a society as a『group』」

...Right

Japanese people love to『read the atmosphere』

Or rather...those who can't read the atmosphere of the『group』are hated by the surroundings.

「Therefore...Kudou style's technique of『bending』the『Qi』deviates them from

the『Collective mentality』Without being swallowed by the atmosphere of the location...incidentally, they're always required to keep a solid『ego』...」

I get now why Michi and Kudou papa are doing things at they own pace...  
The people of Kudou school absolutely avoid being suited with the pace of the surroundings...

Not joining the flock...looks cool but...  
They always feel out of place to others...

「However, as the result of repeated research to counteract with the『Qi』of other people...The fifth generation Kudou Yasushi on the other hand had developed a technique to combine『Qi』with others」  
「...Combining『Qi』with others?」

Misuzu ask michi

「Yes. By completely combining your『Qi』with the enemy...you can manipulate them as you wish. That's how the fifth generation thinks.」

Yeah...earlier, Michi and I.  
I was completely in sync with Michi.  
If Michi ordered me at that time...I would've done anything 「However...actually, the fifth generation wasn't able to use it in actual combat」  
「Eh...why?」

Nei-san throws a question

「Looking at Yo-chan and Mii-chan earlier...it looks like your mind is synchronized and it looks pleasant though...」  
「This mystic art needs to have both minds connected... You have to be in a very close relationship with the other party you're synchronizing with...! Being able to see through the other party's mind means your heart can be seen through as well...」

Oh, I see.  
Those who exchange with experience in which both their mind and body becoming one...can't be hostile anymore.  
The other party is a part of oneself...and oneself is a part of the other.  
People who share the sense of blending...can't fight.

「But still, this mystic art was effective in solidifying the unity of the Kudou family clan...the experience of blending enhances the ability to read the『Qi』... which increases the original ability of Kudou style which is to『bend the Qi of others』」

I-I see...

True, when you experience this...you'd feel more sensitive to『Qi』

「I have learned this mystic art from my grandfather but...I have never grasped the essence of this technique until now」

「Eh, Mii-chan and your grandfather?」

Nei-san's surprised.

「No, uhm...this mystic art isn't intended to be done during sex...」

R-Right...

Michi was a virgin too...

「Originally...we face each other in meditated state. There's no physical contact...」

Ah, as expected...

「Just observing the other party...and synchronizing the breathing and heartbeat. The breathing leads to the movement of the『heart』...the heartbeat leads to the movement of the『body』 If these two are perfectly synchronized...it reaches the point where the mind and body melts together...that's the mystic art『Shingetsu』」

It's easy to say in words...

But it's actually tough to do...

「I have attempted to synchronize with grandfather multiple times but I have never succeeded before」

「And yet...why do you will be able to do it with Danna-sama this time?」

「That is...Master opens up his heart to me completely」

Michi smiles embarrassed.

「I thought I could open up my heart with this man. Also...my body too」

...Body

「Doing the act of sex for the first time in my life... If I have exposed my everything to Danna-sama this far, then I'm no longer scared of anything. I believe that Master will accept me no matter what happened...」

Michi looks at me.

「Also...I am able to understand the difference between the body of a man and woman through sex...」

...E?

「According to the fifth generation... 『Pour a sacred wine into the cup and reflect the full moon. Drinking the full moon reflected in the cup is the same as drinking the full moon floating in the sky...』From those words, the fifth generation originated the name of the mystic art『Shingetsu』」

The sky's full moon reflected in the cup.

「I never understood it all this time. However, tonight...with Master's embrace, I have finally cleared up the doubt I had all this years」

By having sex with me...?

「The moon in the night sky and the moon in the cup are different. After knowing the difference...drink the moon with the mind. If you do so...you can reach the stage where you swallow the moon」

...Err

I don't get it at all but...

「When I trained the mystic art『Shingetsu』with my grandfather...I didn't understand the difference between my body and grandfather's body. Grandfather is a man...of old age. And yet.

...Ah

「That's right. Even if we try to keep our breathing and heartbeats synchronized...there's no way to match. The base of our bodies are completely different...」

I see...

It's the same as a normal bicycle and a large bike for racing.

If you don't know the difference between the two in the first place then there's

no way you'd match.

「On the contrary...if you know the difference then it's not hard to synchronize. Master is very honest...easy to match, and has an easy to understand mind.」

I see...Michi matched with me

「That's right...knowing the difference, and matching it together. When I was with grandfather, I didn't understand that difference. I'm dependent to grandfather...and grandfather thought that the immature me can't be fully trusted yet. However...with Master, once he ejaculated inside me, I finally understood the mind and body...!」

...Michi

「I understood more by synchronizing with mystic art Master's mind and body as well...does Master understand me too?」

...I

「Yeah. I know so well. What kind of girl Michi is...what Michi's body is like... Michi's body is so delicate...soft...but very strong. I know how far can Michi's body bend...!」

Un. As a result of the synchronized experience...I know everything about Michi's body.

「Also...the timing. I know the rhythm Michi's living with」

「Me too. I know Master's preferred rhythm」

「It was the rhythm I moved with earlier...it felt really good」

Sex with Michi feels addicting

「Yes, if you wish...then we can do it anytime!」

Michi smiles

「Wait a moment...Michi」

Misuzu interrupts

「Yes, Misuzu-sama?」

「Uhm...could you teach the mystic art you just did earlier?」

...Misuzu?

「Michi and Danna-sama looked very pleased...it really felt like you two were melting together」

Misuzu...is a bit excited

「I also want to do it with Danna-sama that way...!」

Misuzu speaks with bright red face.

「Right, I also want to experience that...!」

「Un. It looks very pleasant. Also, it's an attractive offer to be melting together with him」

Katsuko-nee and Nagisa look at each other then said 「Un un! Mii-chan, teach us too!」

Then, the virgin Nei-san also says that.

Michi...

「Yes, I can teach it however...」

「What...is there a problem?」

Misuzu asks

「No, there's no problem in particular. If Misuzu-sama is formally introduced to Kudou style martial arts...then you probably can learn it within ten years...!」

...Ten years.

Well...it's a mystic art after all

「Eh, what about me?!」

「Nei-sama...starting now, it would be a bit...」

「Is it impossible for me?」

「...If you shut yourself in the mountain and learn desperately and repeatedly, you can learn it in 20 years」

Hmm...

Nei-san shutting herself in a mountain...?

「Then that means...」

「It's no good with me too?」

Katsuko-nee and Nagisa sighs

「...I'm very sorry」

Michi bows her head

「Uhm...am I going to a mountain too?」

Mana mutters.

「That's right. For Mana-san, you can reach it in about seven years. If I teach it one-on-one...」」

Kudou style ancient martial arts is amazing.

「Uhm...I just think about it but...」

Ruriko speaks up

「Onii-sama didn't do any training in particular didn't he?」

...Me?

「Oh. I didn't do anything」

「Then that means that Onii-sama and Michi-san melting together, that kind of mood...is all thanks to Michi-san's ability?>」

「Yeah...I think so too」

Ruriko looks at Michi

「Michi-san...could you not use that mystic art aside from one-on-one?」

...Eh?

「For example...Michi-san and Onii-sama then Misuzu-oneesama makes love...what happens?」

Misuzu looks at Michi in surprise.

「What about that Michi?」

「I think it's the first time this mystic art is used for sex so...I can't say anything precise」

Michi answers with a serious face.

「But if I expand my ability...I think it's possible」

We're having sex with three people and Michi as mediator?

「...How can Michi's ability expand?」

「That is...to have more sex with Master...and able to control the blending sensation...」

Right

The rampage earlier didn't stop...

「The mystic art can't be used for a while unless someone's monitoring it」

「I'll monitor it for always」

Misuzu said.

「I think that it's better to do it when Maru-chan's with you! Maru-chan knows about psychological things so if you go to a rampage, she can stop it like Reika-oneesan did so it won't turn to a dangerous situation...」

Nei-san said.

「Yes. I'll also ask for Margo-san's help

Misuzu said.

「Instead...when it's 3P, I'll be the first one. Okay...Michi!」

「Yes...Misuzu-sama!」

Michi smiles to Misuzu

「Is it okay for me to be next?」

The one who said that is...Ruriko!?

「I'm very interested in the『blending sensation』...!」

「Sure...right, Danna-sama?」

Misuzu acknowledges it without permission...

「Also...can Michi-san do it with four people?」

...Four?

「If I continue studying...then someday」

Michi answers clearly

「I'm glad...then by that time, let's blend together Yoshiko」

Yoshiko-san looks at Ruriko in surprise

「...Ruriko-sama?」

「I want to blend with Yoshiko, does Yoshiko don't want to?」

「T-That's not the case...!」

「I'm glad...then, that's a promise. Yoshiko」

「...Y-Yes」

...Errr

「Uhm...should I pull out and have Michi, Ruriko and Yoshiko do it together?」

I tell Ruriko.

「I want to blend together with Onii-sama...I would like Yoshiko to understand that too.」

...Rurioko

「Therefore...we'll do it with the four of us」

Ruriko smiles

「Eh, what about me? I want to join in too!」

Mana shouts but...

「I don't mind but...Mana-san has to completely open up her mind to me...」

Michi said

「If you're not ready to open up all your body and mind...you won't reach the blending stage.」

...Mana

「Uuu, I'll do my best」

She mutters

「Ufufu...before we noticed, Michi has overtaken us」

Misuzu said laughing

「Misuzu...don't say that unconditionally」

Nagisa smiles

「There's still a lot of things you've got to teach Michi-san, don't you?」

Misuzu's startled.

「Michi-san was a virgin until a while ago...!」

She says while looking at Misuzu and Michi.

「Michi...I'll teach you how to serve Danna-sama after sex」

「Please...Misuzu-sama」

Misuzu smiles

「Then, first clean Danna-sama using Michi's mouth...!」

# Chapter 288. Family unite

---

「Wait a moment...!」

Megu stands up and gets a clean towel wet with water.

「There's blood so you should wipe it with this」

Megu hands the wet towel to Misuzu.

「It's not good to lick human blood...a senior in the club told me so」

「Thanks...Megumi-san」

Misuzu smiles and thanks megu

「Danna-sama, I'll wipe the blood off...!」

The chilly wet towel touches my flushed skin.

Misuzu lifts my penis that begins to wither then gently wipes it

Yes...this feels good

「Ufufu」

「What's wrong, Misuzu?」

「I just felt that this is fun」

「...What is?」

「Taking care of Danna-sama...as I do this, Danna-sama shows a very pleased face...!」

...Misuzu

「Megumi-san, here's the towel. You want to help Danna-sama too, right...?」

「Y-Yes」

Megu takes the towel from Misuzu.

「Yoshi-kun, I'll wipe this too...!」

Megu wipes the back of my penis through my testicles 「Un, this feels goo...  
Megu」

When the cleaning was done...Misuzu speaks.

「Megumi-san, let Michi do the rest from here. We have to teach Michi how to serve」

「...Yes」

Megu parts from me.

Instead, Michi...

「Now Michi...lick it with your tongue and clean it up.」 It's something that must be done absolutely at the end of sex...！」

「Yes...excuse me then」

Michi crawls her small tongue in my glans.

Lick...

The pleasure spreads out...

「Suck it...be sure to squeeze out the semen left inside Danna-sama」

「...Yes」

Michi kisses the tip of the glans and sucks.

Ooh...I'm being sucked out.

「Let's do it together...Misuzu-sama」

「...Eh, Michi?」

「I want to serve together with Misuzu-sama」

Misuzu smiles

「Thanks...then let's do it together」

Misuzu then draws her face to my crotch

「I'll lick below...Michi can do the above, okay」

「...Okay」

Misuzu licks me from the root of my penis.

Michi sucks the glans...

「It's better to roll the balls with your tongue. Gently. Men's sperm is made from there so don't do it strongly」

Nagisa advices Misuzu.

「...Like this?」

Misuzu's tongue gently strokes the surface of my scrotum.

Ooh...it's ticklish.

「Michi-chan, raise your face so he can clearly see how you lick it...You must show him what you're serving.」

Katsuko-nee advices Michi

「...Yes.」

Michi looks up at me embarrassed.  
Her fellating face seen by me is turned red.

「Un, that's a good face...so innocent. I'll take photos of it.」

Katsuko-nee takes photos of Michi who's doing cleanup fellatio.  
Nagisa also records the two people with their faces on my crotch with her video camera.

「T-That's enough already. Doing further than that will make it bigger again...!」

I say...Michi

「I don't mind. Please ejaculate in me over and over again...in my mouth or even in my womb...!」

「Hey hey...It's unfair to do it with only Michi-san!」

Mana intervenes from the side.

Mana's teasing her own crotch...

「Next would be Mana and Megu-oneechan's turn! Also, Nei-san hasn't done it at all yet!」

「What...Me?!」

Nei-san suddenly raised a stunned voice.

「That's right. As soon as we came, Onii-chan has given priority to us over Nei-san... She hasn't done it with Onii-chan all this time. Nei-san wants to have sex too right?」

「Hmm...!...」

「There's no need to hold back...Next should be Nei-san making love with Onii-chan with all the best...!」

Mana thinks that Nei-san and I already have that relationship

「Well...you see...」

Nei-san's mouth is opened wide...troubled

「No...you see. Anyway, let me rest for a bit」

I tell everyone.

「If I ejaculate more now...It'll hinder me from the future actions」

...Yeah

We're under attack from an enemy...evacuating

We don't know when we'll move again...

「Anyway...let's stop for now!」

Misuzu looks at my penis...

「That's regrettable but...there's no helping it, Michi」

「Yes, Misuzu-sama」

「Let's do it with the three of us next time...by that time, let's be loved by Danna-sama for the whole night」

「...Please, Master」

Michi happily smiles at me.

「Yeah, sure. I promise」

I embrace Michi and Misuzu in my arms.

「Then, next would be Nei-san and Mana combo」

Mana says

「...What?」

「Mana wants to see how Nei-san and Onii-chan are doing it. Mana isn't used to sex yet so Nei-san, please teach me your technique」

Mana thinks that Nei-san's quite a sex technician.

Well...she's sexy and glamorous after all

「Nei-san...do you not want to do it with Mana?」

「T-That's not true...Mana-chan」

Nei-san answers troubled.

「Then...that's a promise」

「S-Sure...got it」

Now...what to do with that?

But, for Mana who's sticking only with Megu, I think that it's good she's interacting with the other『women』

「Then, Megumi-chan and I will be together. I'll teach all my techniques to make him faint in agony」

Katsuko-nee smiles at Megu

「T-Thank you very much...」

Megu answered obediently

Un...I think it's not a bad choice for Megu to be an apprentice of a homely Katsuko-nee

If she's with Katsuko-nee, she has no time to be depressed...

「Then, who should I join in with?」

Reika's words turned the room silent.

「R-Reika-oneesama...well」

Katsuko-nee looks puzzled.

「I think that Reika-oneesan doesn't have to think of being with someone yet... you're still a virgin...」

Nei-san said with a smile

「Anyway, try to have sex for once first...okay?」

...Un

As a matter of fact...there's no expectations on what will happen to Reika once she experience sex.

I can't imagine Reika panting or feeling it at all 「I see, sure...it's true that joining up three people may be a heavy load for me...」

Reika...joining?

「Well, there's no need to rush. Take it slowly. Either way, we enjoy it as all

family members in the end」

Nagisa said smiling.

「Therefore, don't be with anyone for a while, have fun being alone with him tenderly...!」

Nagisa laughs but...

「Nagisa-sama, Michi and I ask for your guidance! We're still immature when it comes to sex so we need Nagisa-sama's teachings」

Misuzu tells Nagisa.

「Michi thinks so too?」

「Yes. Please become our sex master」

...Hmm

Sex Master...

「Michi-chan...stop with the『Master』! It feels like I've got to do some Indian mantra or some sorts」

Nagisa said smiling wryly.

「Geez...I get it already. I'll look after you two. But, have Katsuko teach you too. You'll be biased when you learn from only one person Listen to the opinions of various people about sex...then choose your own style of doing it. Also...after all, it's meaningless if he doesn't feel good so match it with his tastes. You must study well what kind of sex he likes」

「Yes...Nagisa-sama」

Misuzu answers.

「Master likes my ass. He also likes Megumi-oneesan's ass...he's always looking at it」

Michi said...Megu reacts

「...Is that so? Yoshi-kun?」

...Err

...I

「Yeah. Yo-chan likes tight asses. He's always sending glances to those」

Nei-san laughs.

「He also loves breasts...there are times where he just stares at Nei-san and Katsuko-san's breasts...」

Misuzu says.

「Right. There are times he talks to my breasts not my face...!」

Katsuko-nee says

「Ah...sorry」

「It's fine. But, if you're that interested then it's okay to touch it. Or even embrace me...」

「But, look...everyone is here」

「Who cares! Everyone's『family』 Yo-chan should attack us more instinctively!」

Instinctively...Nei-san

「But, I'm envious. Danna-sama doesn't look at my body that way...」

Misuzu mutters...Nei-san replied

「Can't be helped. Yo-chan likes Mi-chan's face after all...!」

...Eeeeh?

「Yo-chan likes beautiful, elegant and innocent looking faces like Mi-chan and Ruri-chan, right?」

...Well

「It seems true that you don't know what your own preferences are」

Katsuko-nee mutters.

「An old guest of mine declares...『I like long hair and a clean type girl』but... actually, he chooses a short hair, and girls who are vulgar when speaking. That's actually the type of women he likes. However...he himself thinks that he likes a pure and clean girl」

Is that so?

Then...Misuzu and Ruriko's faces are a perfect fit for my tastes?

「But, a preferred woman has two sides you see, Therefore he also quite like

Megumi-chan's face I think」

Katsuko-nee said

「Me?」

Megu's surprised.

「Megumi-chan has the sex appeal of a shrine maiden you see」  
「...What?」

Megu doesn't seem to get it.

「Yeah...it's said that the charm men feels towards women have two sides!」  
Nei-san explains.

「Mythological speaking, Venus and Diana...Goddess of perfect beauty and sexiness, and the pure and innocent virgin God. Both of them are attractive! If we go down the age a bit more then there's the examples of『Blonde Isolde』and『Fair hands Isolde』」

「Nei-san, you're knowledgeable about this」

Megu admires

「No, this is all Maru-chan's story. Maru-chan's interested in those, she researched about it」

Speaking of which...

Margo-san went to a university.

「It's not that the other is superior. Men feel attracted to many types of women!」

Nei-san smiles

She's indirectly telling Megu that there's no need to feel down...  
Thanks.

「That's nice, everyone has some part liked by Onii-chan...」

Mana mutters.

「What are you saying? Mana-chan is still young so you can become a woman of his preference right?」  
「That's right. We're all grown ups so we can't change now」

Katsuko-nee and Nagisa comforts Mana.

「Oh I see...I just need to have a tight ass like Megu-oneechan and Michi-oneesan, and huge breasts like Katsuko-san and Nei-san!」

「Also, Misuzu-san and Ruriko-san's elegant and pure atmosphere」

「Also, Megu-chan's shrine maiden's sex appeal too...!」

Katsuko-nee and Nei-san says, but...

「Mana can't be elegant or a shrine maiden」

...Mana

「Mana can just stay as herself. It's best when you're just Mana-like」

I say and pat Mana's head

「...Onii-chan」

「I like the Mana right now just fine」

「...Un」

Mana clings to me.

「Mana-chan right now...is a loli bitch right?」

Nei-san mutters.

「I'm worried that he might become a pedophile」

Misuzu too...

「Un. For Nagisa and I, it's a matter of life and death」

K-Katsuko-nee...

「In that case...let's just make him drunk with adult techniques」

Nagisa suggests to her close friend.

「Yes, there's no other way」

「I'll teach Michi-chan how to get bigger breasts too. Anyway, let's keep his interests away from the loli street」

「Let's do our full power...Nagisa!」

The 21 year olds tag teamed...

What's going to happen to me?

「Now then...having that said. Let's take a break from lewd things for now」

Katsuko-nee turned to me.

「Take a shower」

Nagisa said

「Ah, then...I'll wash Master's back」

Michi tries to say but...

「How many shower rooms are in here?」

「...There's two」

Megu answers Katsuko-nee's question.

Assuming that any number of people stays in the evacuation room...there are several toilets and shower rooms prepared 「Then, get on one each」

「...But」

Michi looks at me when Katsuko-nee said that.

「He needs a bit of time to be alone...he's been looking after us all this time...」

...Katsuko-nee

Yeah

It helps a lot if I can have some time alone 「Michi...do as Katsuko-oneesama says」

「Yes...Misuzu-sama」

Misuzu looks around the room...

「Mana-san...could you take shower with Michi?」

「...Me?」

「Yes...I want you to get along with Michi...!」

Un, right.

We should increase the chances of the『family』getting along better.

「Understood...Michi-oneesan, let's go」

「Okay, Mana-imouto」

「Err...I don't like that call」

「Then, how should I call you?」

「Just Mana! Mana will call you Michi-oneechan...!」

The two head to the shower room.

I also go to the other shower room

「Refresh yourselves...!」

Katsuko-nee said.

Coming out of the shower...my clothes are folded cleanly.

As expected, there's no substitute underwear in this situation...

It feels good when it's done cleanly like this 「Thanks, Megu...」

「...Err, that」

「Megu did fold it right?」

「...Yes」

「Megu's a very attentive wife...!」

Hearing that, Megu turned red.

Yes...as expected, it's good to let her assume a『role』

If it was Megu before...she'd come up with this then worry『Can I do this without permission』

Megu now...is the class chairman of the『family』, so she acts more than she thinks.

Moving her body for everyone's sake, Megu's spirit should be good.

「...Somehow, the situation's quite tense」

While I was taking a shower...Katsuko-nee starts the room's moitor.

It seems it's connected to the line of the monitor room next door where Jii-chan and Minaho-neesan is.

The larger monitor displays the image of the hotel.

「The enemy seems to have come up to the seventh floor. It seems that they're taking down Kudou-san's subordinates, but...」

On the screen, the figure of the Banbarubie 3 fighting the enemy is shown...

---

# Chapter 289. Live action version

---

The fight in the screen...

The enemy troops are approximately twenty people.

Even if you say they're fighting enemies...As usual, Banba-san's the only one fighting.

Barbie-san and Ruby-san are sitting on the corridor of the hotel, taking a break eating anko bread.

There's plenty of pottery dishes in front of Ruby-san for some reason.

Did she bring it from the kitchen of the hotel?

『Hey, Banba-chan, the enemy's coming from behind!』

『Do your best!』

Banba-san jumps into the enemy crowd...so the enemy can't use their guns carelessly, she takes down the enemy one by one with the flail.

『Okaay, oh there!』

The steel ball at the end of the long hard stick strikes down another man in black combat suit

『Oops, that's dangerous!』

The enemy was trying to attack Banba-san from outside her vision...Ruby-san throws a Frisbee like plate to restrain him.

Shururun...barin!

At the moment the plate hit the enemy and broke...the steel ball knocks down his head!

Dobaki!

『Ruby-san thanks for the support!』

『Yeah, go all out on the fights!』

『Yes!』

Banba-san feels like she's the only one fighting but she's not feeling any doubt from it.

『Fight...me!』

Cheering herself up, Banba-san continues fighting.

『By the way...Banba-chaan』

Barbie-san calls Banba-san.

『Yes, what is it...Barbie-saaan?』

...Dokaa, bakiki!

...Dougachan!

Two enemies were taken down with one blow!

『Though we're at this kind of situation...I've thought of casting the live action version of Science Ninja Corps Gatchaman!』

『Oh...Barbie-neesan, that sounds fun』

Ruby-san is up to it...

『Barbie-saaaan...what's Gatchaman?』

...Dogan! Gatsun!!

Barbie-san ignores Banba-san's question...

『Well then, presenting!』

『Oh, go go...!』

Barbie-san and Ruby-san are the only ones excited.

『First...G1 Eagle Ken...as for the main character, after all it's gonna be Matsudaira Ken, a big star with dignity!』

『Fumu fumu, I see』

...Err

『Then...the preferred Joe this time is harsh so I think Joe Yamanaka is good』

『I see, I see』

Could this be?

『As for Swan Jun, a cute and sexy actress is fine...so Miho Jin will do!』

Uhm...you're just looking for celebrities with same names...

『Then, Barbie-neesan...as for Owl Ryu...should we go with Ryu Lighter?』

Ruby-san said, Barbie-san...

『Right, I was pondering whether to pick Ryu Lighter or Ryu Chisu Look...both of them are visually perfect as Owl Ryu, right?』

『What...who?』

Barbie-san answers confidently

『...Ryu Hosei!』

.....o

『Ah, true! The body is perfect and the face are completely alike!』

『Right right?! Ruby-chan!』

...Dokna, baki!

Banba-san takes down another enemy alone...

『Barbie-saan...Who's Ryu Hosei?』

...Err

『What?! Banba-chan, you don't know Ryu Hosei!』

『Sorry! I don't!』

『You're lacking in study! You have until tomorrow to write a 30 pages 400 character manuscript on your research about Ryu Hosei!』

『Okaaay, got iiiit...!』

Banba-san takes down a few more enemies while doing such a foolish conversation.

『Then...Barbie-neesan, what about the remaining Swallow bird Jinpei?』

Ruby-san talks to Barbie-san

『Oh, as for Jinpei...how about Jean Claude Van Damme!』

...Hmm

There's only『Ji』and『n』on there...

『AS expected, the live action Gachaman...needs at least one serious action star!』

『As expected of Barbie-san, that's some deep thoughts!』

No, that...Ruby-san?

『If it was me, I would go Ken Nuzzo, Joe Higuchi, Inouye Jun, Murakami Ryu... and Nozue Jinpei!』

『Ruby-chan, it won't be an action movie with those people!』

『Well, for that...we can just use some CGs!』

『Oh...there's that too!』

『Yes...but, because of the budget, the CG can only be used heavily in the opening scene!』

『Then that means...the final scene!』

『For that...we've got to strain with the body of the cast as expected!』

『You sure? Your cast are all people with great age. Ore rather, they're deceased aren't they?』

『If you say that, Barbie-san's casting is the same!』

『Well, the CG can do their best on that!』

Dokaka...Bakiki!

『Then, Barbie-saaan. In the end, what's Gatchaman?』

The story loops again.

『Who cares about that Banba-chan!』

Barbie-san gently said

『Right...Nee-san. It's now known!』

『Yes...these guys aren't Japanese!』

...Eh?

『If they're a normal Japanese boy then there's no way they won't retort to our talk just now!』

『There's no doubt...Neesan!』

T-They were doing that foolish talk for that reason...?

『Banba-chan, move aside...I want to warm up and sweat my body!』

『Okaay, Barbie-neesan...!』

Banba-san moves away from the enemies...

『Now then...let's go!』

Then...Barbie-san takes out a machine gun...

Zuba...!!

The enemy group in black combat suit collapses entirely...

Zubababababababababababababababababababa...!

『Nn...K-A-I-K-A-N!!』

In the midst of the powder smoke...

Barbie-san mutters as she shoot all the bullets of the machine gun.

『Nee-san...please be a bit more idiotic. Like Kaigan or Gaigan...!』

『Ruby-san...What does Kaigan, Gaigan mean?』

『Nothing. They're just a maggie in the plateau...』

Ruby-san heads towards the fallen enemies

『...Nee-san, even if these are rubber bullets, they work』

『Well yeah. Even with a protector, it's structured to give an impact on the inside of the body. If you hit their head, it'll cause concussion over the helmet.』  
『That's amazing!』

『Because the rubber bullet hitting directly feels sticky...the impact shakes the brain violently. Look, even in boxing, a big gloves has less penetrating power but the probability of causing a concussion will increase because the area to hit is larger. It's the same reasoning as that』

Barbie-san explained.

『...Now then』

Ruby-san peels the mask of the fallen men...

『So, how many? which country?』

『These guys looks Russian』

Ruby-san answers Barbie-san.

Ruby-san turns the man's clothing and looked at his abdomen...

『As expected...the tattoo's letters are Russian』

『Really...Ruby-chan?』

『Yes. The letter R is flipped.』

Russian...

『When I was a child...I can't imagine an American criminal invading Japan using Russian thugs.』

Barbie-san sighs

『Perhaps...these came from Hokkaido or Niigata route. Could it be that Cesario Viola and others have landed in Japan by slipping through Russia?』

Ruby-san guesses.

『But...there's not a single man in the army that seems to be under Viola in these 30 men.』

『The attacking enemy have around 150 people in total, was it?』

『Yes, those who were riding the three large busses...the free guys that joined them, it's that much.』

『Old man Kudou flooded them on the first floor...and the upper level is divided into six routes, right?』

『That's right. The enemies invading divided to groups of 20-30 people.』

『Normally...Each of the group has Viola's lackey with them.』

『Right. He'll let only his subordinates take command.』

『Him not doing that means that...Viola's direct subordinate don't have that many people?』

『Could it be that he intended to let the Russian immigrants to die from the start?...Look, this guy has a camera.』

Does the command communicate while watching through the cameras?  
Therefore they've come up to the upper floor with only Russian forces

『Viola's elite force won't be lacking any person then. Are they still on the first floor? It's unknown whether they're already up on one of the six routes though.』

Barbie-san analyzes.

『Anyway...should we contact old man Kudou?』

『Or rather...he's watching our battle with the surveillance cameras anyway.』

Barbie-san heads to the surveillance camera on the ceiling...

『Hello, old man Kudou! Can you see my nipples?! It's slightly pink today!』

『Banba-chan...use your ass to write in front of the camera!』

『Eh, Barbie-san, butt letters?』

『That's right! Okay ♪ Banba, how do you write Ba? ♪』

『♪ You write it like this♪』

Banba-san swings her ass towards the camera...

The Banbarubie ladies does as they please as usual 「...Were you watching too?」

The door opens and Jii-chan enters.

Minaho-neesan and Margo-san shows a gloomy face.

「Yes, we've been watching」

Misuzu answers

「We've only seen these people's fight but...」

Seki supplements.

「The others are also the same...the three enemy units that came up from the first floor have already been defeated. All of them were Russian. A far east Russian mafia...no, it's a hoodlum before mafias. Kudou is already interrogating using capable men. It seems that Viola called out Vladivostok when he came to Japan」

Barbie-san's analysis is correct?

「They came aboard with a ferry, Russian merchant ship...and came from the Niigata port」

Minaho-neesan says

「In that case...The one with Niigata as his ground among my subordinates is Kouzuki Noboru」

Kouzuki Noboru...Kouzuki Kenshi's father that didn't arrive at the hotel, didn't make any report either...

「Thinking about it normally...he's the traitor. He ignored my summon...in addition to him not showing up, he can put pressure on Niigata customs and let

the Russian people land without inspection.]

The traitor of the Kouzuki group is Kouzuki Noboru?

「But...Kouzuki-san doesn't think so?」

Margo-san said

「Yes...it's too obvious that the traitor is Kouzuki Noboru. Won't you be suspected for purposely summoning the enemy if you used the place under your influence?」

Jii-chan thinks deeply

「Even if we kill all the executives who are in this hotel...Kouzuki group still has representatives of other executives and affiliated companies. In a situation where Kouzuki Noboru is seen to have plotted to kill us...then the remaining people won't forgive him」

In short...someone's making us doubt Kouzuki Noboru?

「I think that Kouzuki Noboru can't be called out because someone has already kidnaped him.」

Jii-chan said

「Then...who's the real traitor?」

Misuzu asks...Minaho-neesan answers.

「Perhaps...it's an executive that's already in this hotel」

Calmly responding to Jii-chan's summons...

Someone among them is communicating with Viola from behind.

「All of the executives are now evacuated to the upper floor room together with their children...」

Margo-san said with a serious face.

「This is bad...if the traitor is among them and invited the enemies, the other executives and their children would be taken as hostages...!」

I-I see...

「They're my important vassals...in addition, they don't want to kill my

students.]

Jii-chan said in pain.

「Therefore, let's hurry back to the upper floors and figure out the traitor and isolate them from the others. As fast as possible...」

Margo-san...does that mean?

We have to dispatch a special mission unit among us?

「Of course...we must keep this room in perfect condition. Or rather...we can't let the enemy know the existence of this『emergency evacuation room』 Only a few number of people will go up quickly...do the mission and come back fast. That's the only way」

「In that case...there has to be at least one person left to guard this room」

Reika said

「Also, in front of the elevator above. There should be someone who would watch the enemy so they won't notice the existence of the elevator」

Margo-san said.

「If ever the elevator is going to be occupied...you can stop the elevator from this room. But, in that case, the person who came from above won't be able to come back in this room」

Yeah...if it's to protect the people in the evacuation room, then there's no other choice...

「Now then...should we organize the team?」

Michi speaks to Margo-san who has a gloomy face.

「Of course I'll come up!」

---

# Chapter 290. Will

---

Michi...going up?

「The current combat personnel in here are I, Margo-oneesama, Reika-oneesama, and Seki-sama. If there's only one left behind then it's natural that the remaining three will sortie...」

Michi says calmly

「But...Michi, you're still a middle school student」

Misuzu intervenes.

「Should it be better to leave it to everyone and Michi remains here?」

True...Reika and Seki-san are both elites of Kouzuki security service...  
Margo-san is a pro trained by Kyouko-san.

Though Michi's the successor of Kudou style ancient martial arts, her mission is to guard Misuzu since before...

Thinking about it normally, Michi should be left here  
...However

「...What do you think?」

Minaho-neesan asked...

「My opinion...?」

「That's right, what are you thinking right now?...No, what do you feel?」

I feel?

...Hmm

I can understand the reason in my head but...

There's an alarm ringing in my senses.

「When you're a grown up like me...you're often deceived by the difference of reason and sense. Thinking realistically it would be strange but...you think that it's okay in your senses so you often fail to act. The sense gained from experience is often wrong. Therefore, when you grow up...it's better to act by reason. If you go with common sense, you'd judge that it's impossible...」

Minaho-neesan said

「But, you're still young...and almost had no experience facing such a crisis, do you? If so...you better put our sense the priority. What is your survival instinct saying?」

「...Err」

Is it okay to talk about what I sense?

「Anything will do...just say what you're feeling right now...!」

Minaho-neesan looks at me with eyes of trust...

Okay. Then...

Let's say what's making me uneasy.

「I think that a member who's not tempered should go up」

「...Tempered?」

Oh...It was a schoolboy's expression

Mana doesn't understand.

「Err...I think that those people whose mind are full with tension have their judgement unwise. Therefore, I think that we better form a unit with people who are calm and their judgement not dulled...」

「Speak specifically」

Minaho-neesan looks at me.

「...Well」

「It's fine...you better say it clearly since it's for everyone's safety」

...Right

「Margo-san, Seki-san and Michi should go up. Reika should stay here...」

「Why? Lord...!」

Reika's surprised.

「I don't lose my judgement. I can fight enough...!」

The beautiful lady dressed like a man glares at me with strong eyes.

「I think that it's Reika's bad point to have a calm face on anything」

「...Lord?」

「I somehow understood why chief Tanizawa didn't choose Reika as the full time guard of Jii-chan」

「W-What do you mean?」

Reika asks me.

「Reika...you're obsessed with『aesthetics』too much」

「...『Aesthetics』?」

Everyone in the room pays attention to me and Reika.

Except Mao-chan who's asleep...

「When you suddenly heard the story inside the Kouzuki house...there's no problem being told『Continue to serve as the guard』but, when asked『Do you want to join in the family?』people normally would be confused with that. Just like Seki-san right now. Seki-san's reaction is the natural, I think...」

I said.

「But Reika just said『Yes, understood. I accept』You thought that it's the right action that suited your『aesthetics』, right? Therefore you did」

「I am prepared for it! I have no regrets in the path I chose. I have joined the『family』after I understood everything!」

Reika says in a slightly strong tone.

She's a bit agitated.

As expected...she's not calm

「Yeah, I know that Reika is a person would protect me to death once she makes a promise. Therefore, I accepted Reika as『family』But, I think that Reika's mind is overdoing it」

「That is not true...!」

「I wonder? Reika's speaking that she became our『family』to convince herself every time something happens Again and again」

She purposely speaks extreme to accept the current situation.

It's unconscious so she herself isn't aware of it.

But, Reika's mind is suffering as she can't keep up with the pace of the rapidly changing situation...

「At first...I thought that Reika's a my pace and a slightly dull perso」

「No, Fujimiya-san's just dull」

Seki-san speaks frankly

「No, she's not. Reika's true self is delicate and sensitive. Therefore, she purposely plays the rich and dignified personality...!」

Reika escapes from my glance.

「That British Gentleman crossdressing too...it's relatively a person in form. By showing that『I'm like this』you can defend your own heart. There's the ideal Reika inside Reika's mind...as you try to approach the ideal, you hurl with your own self, the others can see as Reika having her own pace and a good personality I think」

「I-I...I have accepted all of it properly! Even becoming everyone's『family』...!」

「No, like I said...I don't doubt at Reika's feelings, we still welcome Reika. But, you have to make a clear division in your mind and heart」

「...Heart?」

「Yes. Reika's heart is puzzled about having sex with me and giving birth to my child. Therefore, you were interacting with Mao-chan with all your best...trying to stimulate yourself having a child... Haven't you been talking about giving birth to a child since earlier?...」

That's right...Reika is

「I-I...」

「You don't have to force yourself to have sex with me...you don't have to think about having a baby」

「Ah, Lord...?! Am...am I disqualified from the『family』?」

「I'm not saying that...Reika's already everyone's『elder sister』 You can stay in the『family』」

That's right...that's not the problem.

「There's no need to be my『woman』...you're already『family』」

I said...Misuzu

「Please wait...Danna-sama! We're...family with no blood relations! Therefore, we need to be united by having sex with Danna-sama...」

「No, that's wrong...Misuzu」

I said

「Well...at first, there's a lot of girls who are tied to only me, it was just by chance... It's not something that has to continue forever」

「That's not true」

Misuzu looks at me.

「No...suppose I die... This family will continue. Already. Or rather...It has to」

I think.

「Minaho-neesan, Katsuko-nee, Nagisa, Margo-san, Nei-san...and, Jii-chan. If I were to die today...Megu and Mana, also, Misuzu, Ruriko, Michi and Reika...take care of our family. I want everyone to live happily」

「Danna-sama...what are you saying?」

Misuzu's stuned.

「I know...」

Minaho-neesan tells me on behalf of the elders.

「Your『family』is my『family』...no matter what happens, I won't abandon them. I'll make everyone happy...」

「Un...Minaho-neesan」

I look at Misuzu and the younger girls.

「Everyone...get along with each other, I want you to help each other out like real sisters」

「...Yoshi-kun, what do you mean by that?」

「...Onii-chan?」

Megu and Mana looks at me worriedly

「I'll go up with Margo-san and others above」

Hearing that...the girls are stunned.

「P-Please wait...Danna-sama」

「That's right, Yoshi-kun doesn't need to go...」

...I

「No, I will. I've got to」

Jii-chan looks at me.

「It's not like you're needed to go. I will go above」

...I thought he'd say that.

「We must judge who is the traitor among the executives...above all, they will only listen to my orders. Nothing will happen if I don't go」

「...That's not true」

I said.

「I'll settle it the『Kuromori』way Right, Margo-san?」

Margo-san smiles.

「Right...we can just use our ability to silence once we know who the traitor is. In addition, we should just isolate them from the other executives and their children right?」

There's no need to force them to listen to what we say violently.  
There's no need for Jii-chan to go out...

「It'll end immediately if I order them however?」

「The enemy is aiming for Jii-chan. If you go up easily, then you're just going as expected」

「...However」

Jii-chan's not convinced.

「Jii-chan...sorry but could you keep on living for Misuzu and Ruriko's sake?」

I said

「...You?」

「Jii-chan, I don't know why are you trying to put your life at risk but...no, I'm sure that Jii-chan has some intention behind」

「That's right...I act according to my plans...」

...Yeah

He summoned Cesario Viola to this hotel...

It's a daring action to sacrifice a hotel.

He easily accepted my relationship with Misuzu...  
He even entered the『family』himself...the purpose is to entrust Misuzu and Ruriko to Minaho-neesan...  
It's still too early to declare Misuzu as the successor in front of those guys.  
Jii-chan is hiding something.  
He feels the danger in his life so he decided a lot of things for Misuzu and Ruriko in a hurry.

「But...Jii-chan is impatient now. You're not calm. I think you shouldn't go up in that state to confront the traitors and Viola」  
「However...why are you going up?!」

Jii-chan shouts

「Well...because I will go up?」

The voice is...Nei-san...

「W-What does that mean?」

Jii-chan's surprised...Nei-san...

「This『emergency evacuation room』is absolutely safe right? Kouzuki-san has evacuated Mii-chan and Ruri-chan in here...」

Yeah...if he didn't have the confidence that neither the traitor nor Viola would notice this room...

Jii-chan won't bring his two treasured granddaughters here.

「But, as long as I'm here...Viola would look around the hotel relentlessly. It's possible that he might notice the existence of this room」  
「Besides...the enemy target have all gathered in here」

Margo-san said.

「Therefore...I'll go up, show myself in front of the enemy...I think we should disturb them」

「Yeah. When Nei shows up...we can divide the enemy further. The forces targetting Kouzuki-san and Shirasaka house, and troops chasing Nei-san...」

I thought that Nei-san would say that...

Nei-san has to leave this room in order to ensure the safety of the『little sisters』

...Therefore

I will also have to go on the upper floor with Nei-san.

To protect Nei-san...

「...Danna-sama」

Knowing my strong will...Misuzu speaks worriedly

「Misuzu...You did your best today. I think that's amazing」

「...eh?」

「You were prepared to be kicked out by Jii-chan from Kouzuki house...you confronted him with that preparedness...promised to undertake the whole Kouzuki house...contested against the『private school』」

「It's all thanks to Danna-sama」

「No. It's Misuzu's power...I love you, Misuzu」

I embrace Misuzu's body

「...D-Danna-sama?」

「Therefore...you don't have to work hard anymore for today」

「...Eh?」

「You're not needed to be the leader of the family You can take it easy」

「I-I...」

Misuzu's body trembles.,

「Misuzu is my『woman』」

「...Yes」

「Then...there's no need to work hard for now」

「W-Why?」

Misuzu doesn't understand what I mean with what I said...

「...Megu had the same symptoms as Misuzu right now」

「...Symptoms」

「Able to have a relationship of trust with me to an extent...worried that the relationship won't continue like this forever. Due to anxiousness, in Megu's case, she tried to drown in sex with me. She tries to ease her anxiety with sex.

In Misuzu's case...」

「In my case...?」

「You try to strengthen your relationship with me by becoming the leader of the family's younger group...unconsciously」

Right...it's the same with Megu  
Misuzu's also uneasy

「...I」

Misuzu who's not an original member of『Kuromori』had an inferiority complex.

Therefore...the new members, Michi, Ruriko, and Reika close to her.  
And even wanting to watch Ruriko's sex with me...  
Made Michi's loss of virginity public.

「But you see...Michi and Ruriko won't be under Misuzu's rule. Both of them are strong women. Even Reika, she's someone who follows anything if ordered」  
「.....」

I look at Ruriko while embracing Misuzu.

「Ruriko...you still don't trust me do you?」

Ruriko smiles...

「I do trust you. Ruriko loves Onii-sama who's fair on everything」

...Yeah, that's how it is

No matter how much Misuzu recommends me...a steady girl like Ruriko can't accept me easily.

「At such times...you just have to take the time for the relationship to progress. Even Misuzu didn't trust me at the very beginning, did you?」

That's right.

Misuzu had really fun...when it was during our second time having sex.  
It's not the first time.

「I completely trust Master...!」

Michi said confidently

「Since our heart became completley in sync...I love Master as much as myself」

Well...Kuodou style mystic art is special case.

Normal people can't make such a spiritual exchange like that

「Anyway...don't rush, Misuzu. Right now, Misuzu's rushing the other girls, they'd all struggle with me」

「Struggle with Danna-sama?」

「That's right...Because everyone wants to make a stronger relationship with me than any other『women』...they'll struggle for me and be exhausted」

「That...might be the case」

「If you have time for such things...then get along with the other girls. Who's the leader and who's the member of the groups...take out those power relationships. Everyone's『family』and『sisters』...」

「...Yes」

「Become sisters who can help each other even if I die」

「...Danna-sama?」

Misuzu looks up at me.

「...It's just a what if. You don't need to concentrate no strengthening the relationship with only me. Be more united as a『family』...」

「...Yes」

Misuzu looks down.

「I'm not blaming Misuzu. There's a lot of things that happened today for Misuzu so your nerves are rising. Misuzu really worked hard today」

I embrace Misuzu tightly

「...Thank you very much Danna-sama」

「Therefore...stay docile for a while and calm your heart down Okay?」

「...Yes. Uhm, Danna-sama」

「What is it Misuzu?」

「I...I'm sorry. I'll become a good wife for Danna-sama for sure...」

「Misuzu is already a good wife for me」

I kiss Misuzu

「Hm...I got completely outdone」

Jii-chan said

「It can't be helped...I'll let you do as you will」

Somehow, it looks like he's given up on the plan going upstairs himself.

「Yes. Then , Ruriko. While I'm not here, consult Misuzu and Megu...and take care of everyone」

「...Me?」

Ruriko's surprised.

「Yeah, I think that maybe RURiko's the most calm in the younger group right now」

Megu and Mana have been abandoned by Shirasaka house...so they're already at their wits' end.

Mana clings to me randomly because she's afraid of being abandoned.

Attacking Yukino is her way of flipping her anxiety.

Somehow or another...I think that speaking with Yukino who's connected by blood is the easiest.

What we need in the current situation is a calm nerve.

「I think that it's better to try analyzing everything from Ruriko's perspective. Everyone, pay attention to Ruriko's opinion」

I tell everyone

「Anyway...Kouzuki-san, Misuzu-san, and Ruriko-san will stay in this room. If these three gets caught by the enemy then it'll be game over」

Margo-san said.

「Then the ones going up are Me, nei, Seki-san and Michi-chan...and, you?」

Margo-san said...I

「...We're taking Yukino」

「What...Me?」

Yukino looks at me in surprise.

「Yeah...Yukino's eyes are needed...!」

---

# Chapter 291. Will (Part 2)

---

「N-No, I don't want to...!」

Yukino said

「Because...I'm absolutely safe in here right?」

Yukino's clear vision is needed by us now.

「It's hard for you to stay in this room if I'm not with you right? This will be quite a bed of nails I think...?!」

I threaten her meanly

「T-That's」

Yukino looks at Misuzu, Megu and Mana.

All of them aren't friendly with Yukino.

Rather...they're antipathic against Yukino.

「If Danna-sama's going out then please take that person」

Misuzu, follows up

「Right. I also don't want to breathe the same air as Yukino」

「Me too desu」

Megu and Mana too...

「I-I get it...I should just leave. I'll leave then...!」

Yukino is also not good with the girls of the same generation.

Yukino loves to be pampered by men.

She doesn't like to be close to girls cuter than her.

Therefore, Shirasaka house thoroughly bullies Megu...

Making fun of Mana, her little sister all this time.

「In exchange...be sure to protect me! Okay!」

Yukino says angrily.

「We can't make promises...but instead, Yukino-san shouldn't leave our side.」

We won't go search for you if you get out of our sight.]

Margo-san said coldly

The only way to negotiate with Yukino is to threaten her all the time.

Yukino's always prioritizes herself and ignores others...it's impossible to do a 50-50 trade with her.

Yukino can't be stopped unless she's bound by fear.

Really...Yukino's a woman who's not interested in others but herself

「Is it okay to take Yukino in this look?」

I ask Margo-san.

Yukino's wearing a yellow and black striped dress and a strange make up...

The『Kishima Kuroko』look

Isn't it too flashy to take her to the warzone?

「Isn't it fine for her to stand out?」

Margo-san says...

Ah. She completely intends to use Yukino as a decoy...

Margo-san's making a clear difference.

「No...There's a lot of Kudou-san's subordinate above. She can be misunderstood as another of the free guards with that flashiness」

Seki-san said.

I see....Viola's minions have been considerably burdened by Banbarubie-3 and the other free people so...

With Yukino hanging around in this appearance, she'd be shot with no questions.

「Err...is there a change of clothes in this room?」

I look at Jii-chan

「Look at the shelf over there...There should be several costumes around for plays」

Jii-chan's subordinate...perhaps, chief Tanizawa did...

They're really ready.

Assuming that Jii-chan would evacuate here bringing a girl...

There's a lot of goods for sex.

...Hm?

Having them prepared this far...

I wonder if it's true that Jii-chan's sexually withered?

Shouldn't chief Tanizawa be familiar with Jii-chan's health condition...?

Katsuko-nee had said that he hasn't had sex in the mansion for years however...

「Which do you like? There's a nurse suit, bondage, and sailor suit too...!」

Katsuko-nee opens the closet and asks me.

「Any normal clothes?」

Yukino asks in sour mood...Katsuko-nee

「I'm not asking you...!」

Ignored Yukino and looked at me.

「Which clothes do you want Yukino-san to wear?」

...Err

「Let's do with sailor uniform」

If she wear a pink nurse outfit or a lewd bondage costume...to be honest, she'd look like friends with the Banbarubie 3

Yukino's actually a 16 year old girl but if she wears a sailor uniform it'll look appropriate for her age.

「What about her makeup and hairstyle?」

「...In compliance with school regulations」

I answered

「No way...I don't want to look plain」

Yukino says...

「Don't complain if you get shot in the warzone because you're too flashy okay?」

Margo-san shut her up.

「Well then...Katsuko, have Yukino-san prepared」

Minaho-neesan said

「As for you...come to that room We'd like to have a meeting in advance」

...Meeting

「Right. Nagisa and Nei, Ruriko-san too, please come...Katsuko and Yukino-san too, do the changing on that room. I want you there too」

「Yes...Ojou-sama」

Katsuko-nee replies

Nei-san and Seki-san will go upstairs so I understand but what will they tell Nagisa, Ruriko and Katsuko-nee who will remain here?

「...Margo」

「I know...Minaho. We'll have a meeting here with Michi too」

Margo-san smiles.

Nevertheless...the only two of the battle teams will have a meeting in this room.

「Reika-oneesan...Could you look over Mao's situation for now?」

Nagisa talks to the depressed Reika.

「That girl don't wake up easily once she falls asleep but...I'm a bit worried」

「...Are you sure with me?」

Reika mutters powerlessly

「Yes. We're『family』after all」

Nagisa answers Reika with a healing smile

「...Understood. I'll look after Mao-chan」

「Thank you...Oneesan」

「Yoshiko...I'll be going then」

「...Ruriko-sama」

Yoshiko seems worried.

「It's fine. I also wanted to talk to Kuromori-sama」

Ruriko tells her retainer.

「Take care of grandfather okay?」

「...What?」

「It's fine, stay by Grandfather's side. Don't get away from him」

「...Got it」

Yoshiko-san answers with a curious face.

「Ruriko-san...this way」

Minaho-neesan opens the door next to the monitor room and calls Ruriko.

「I'm coming」

Ruriko stands up.

Nagisa, Nei-san, and me too...

Then we head to the room next to the monitor room.

「Hey, don't look this way!」

Yukino and Katsuko-nee are in the depths of the room where the monitors and PCs are lined up.

Yukino's clothing changed to sailor uniform.

「No, I'll watch. You know that I'll watch don't you?」

If Yukino says to not watch her change then I will.

Yukino knows that it's my personality.

「I get it. Then watch...geez!」

Though angry...Yukino takes off her yellow and black dress.

「At least your body line's beautiful」

Her breasts aren't big but Yukino's got a good style 「W-What...」

Yukino glares at me.

「For now...that body line will collapse soon」

Katsuko-nee tells Yukino.

「You're gonna get pregnant...and give birth to a baby」

Yukino looks down...trembling.

「This beautiful girllish body...will change in 2, 3 months. It'll become a mother-like body.」

Minaho-neesan coldly declares to Yukino

「...I」

「Give it up...even you already know that you're pregnant for sure, don't you?」

Yeah. If I ejaculate inside her everyday...

She'll definitely get pregnant.

She never used contraception too

「...Now then, Ruriko-sama」

Minaho-neesan ignores Yukino then turns to Ruriko 「Margo will be watching over Kouzuki-sama」

At the moment the door closes...Minaho-neesan tells Ruriko 「I'm thankful for your thoughtfulness」

Ruriko bows her head.

「He might've given up a while ago but...he's grandfather. He might suddenly go to the upper floor by himself」

Minaho-neesan and Ruriko doesn't trust what Jii-chan said.  
Jii-chan's is still thinking about returning to the upper floor regardless of danger.

Therefore...Ruriko ordered Yoshiko-san to not leave Jii-chan's side...

Minaho-neesan has Margo-san monitoring him.

「Does Ruriko-sama understand what Kouzuki-sama is trying to do?」

Minaho-neesan asks.

「I don't. Does Kuromori-sama know anything?」  
「I imagine several cases but I have no proof」

...Minaho-neesan?

「The perpetrator of the fuss this time is grandfather?」

Ruriko asks.

「Guiding the enemy to this hotel...gathering the traitors and the other

executives in the same place...though he may be involved in some of it but I don't think that Kouzuki-sama is behind everything.]

Minaho-neesan said.

「The raid of the American criminal, Cesario Viola is a sudden occurrence. Kouzuki-sama is trying to take advantage of this opportunity...so I can't think that Kouzuki-sama did all the preparation. However...」

「...However?」

「I'm certain that Kouzuki-sama is trying to do something using this commotion. Furthermore...he's rushing. He's prepared to use this hotel and discard all the people...」

「True, I think that grandfather who's usually careful on everything is in a rush...」

Ruriko is also worried about her grandfather's behavior.

「Why does he not have Ootoku-san and Chouomto-san, his full time guards by his side...normally, Tanizawa-san doesn't leave grandfather's side. I can only think of it as abnormal to have only Seki-san and Fujimiya-san by his side」

Right.

Speaking of which...What's Kouzuki Security Service doing?

What's going on with Jii-chan's escorts> 「...We'll watch over the situation for now. I think that even if you ask Kouzuki-sama now, he won't give any answers」  
「Yes...I think so too」

Is Jii-chan really planning something?

「Let's leave Kouzuki-sama's case for later...Ruriko-sama」

「Yes, what is it?」

「It's about Misuzu-san earlier...」

Yukino who's changing her clothes intervenes with the talk of the two

「That was interesting you know」

...Interesting?

「You...didn't you feel annoyed about that Misuzu?」

Yukino speaks while looking down on me.

「Well...I can tell. If she sticks to you that much, of course you'd get fed up even if she's such a cute lady. I can tell your feelings.」

Yukino laughs at me vulgarly.

「You see...I don't think of her as annoying or troublesome.」

「Lies...there's no way that's the case.」

...Hmm

「Yukino...let me tell you this clearly in this occasion...」

「What?」

「...Don't make fool of people who are working their hardest.」

Yukino looks at me with a startled face.

「I was often told by my late grandmother...no matter what, people who are working their hardest are great. That must be admitted.」

I think so too.

「Misuzu is thinking about me, Kouzuki house, my『family』, doing her best. Well, she might've overdone it...been using brute force but Misuzu's thinking of doing her utmost. That thought of Misuzu must not be ignored. They have to be accepted...!」

Yukino fell silent.

Minaho-neesan asks Ruriko.

「Do you think so too? Ruriko-sama.」

Ruriko...

「Yes, I have the same opinion as Onii-sama.」

「Therefore...you agreed to join our『family』.」

「Yes. I can't get married as I wish anyway. If Misuzu-oneesama and I were bound by the same man...I thought that it is a little wild solution but I decided that it's a good choice if Misuzu-oneesama would be happy.」

Ruriko accepted joining the family for Misuzu's sake?

「I'd rather have even only Misuzu-oneesama to be married with the man she loves more than both of us become unhappy from marriage with people we

don't want. Besides, I...am Happy」

...Ruriko?

「Since before, Misuzu-oneesama has been hiding her heart, acting in front of Kouzuki house and the surrounding people. Enduring up with herself and putting other people as her priority... Looking at Misuzu-oneesama's figure working recklessly to be tied up with Onii-sama, it makes me very happy...」

「That's why you accepted Misuzu's plan?」

「Yes. Besides, it's not a bad plan at all. It's better than marrying the men from the『private school』or someone related to a distinguished family I've always wanted to stay in Kouzuki house all the time, I don't want to leave Yoshiko either. Above all, I...」

Ruriko says.

「I hate being ordered by men. I don't think that someone like Onii-sama will force me to do anything」

No, it's true that I don't intend to order Ruriko around but...

「I think that it's a really good choice that Onii-sama doesn't get involved in management of Kouzuki family even if Onii-sama and Misuzu-oneesama marries. Then, Misuzu-oneesama will be the center of management and I will exist as the symbol of Kouzuki house. A joint control by me and Misuzu-oneesama seems very attractive...I want to realize it」

This 15 year old beauty is strong.

Of course.

Ruriko's been raised to be the successor of Kouzuki house since birth.

「I think that a clumsy woman like me isn't fit for Onii-sama's preference but please be affectionate with me for now and the years to come」

Ruriko bows her head.

I refuse this too well behavior.

「Ruriko...you see」

「Yes...Onii-sama」

「I really want to embrace you. You're cute, beautiful」

「Thank you for your compliments. I'm sorry for your concern」

「It's not concern!」

I...!

「I thought I want to have sex with you since the first time I saw you」

「...What?」

「I thought of embracing you and pouring in my semen inside you...!」

「Uhm...what are you talking about?」

「Ruriko is that attractive!」

...Ruriko

「You jest...Ruriko isn't charming」

「There's no way that's true!」

「Everyone's praising Ruriko to make me feel better but...that's all just because Ruriko is a daughter of Kouzuki house. I understand that」

...Aaah

This one too...

She's distorted...

「I get it. Ruriko...get out of Kouzuki house」

「...What?」

「Ruriko has died in the battle in this hotel」

「Onii-sama」

「Then, renew yourself and come to me」

「Uhm...what are you talking about?」

Ah, that's not enough.

Let's go『Kuromori』style

「Ruriko...I'll kidnap you」

「...WHat?」

「Then...make you my『woman』 You won't come back to Kouzuki house. To be honest, I don't care about Kouzuki house」

Yeah...this is right.

「I'll cherish you for my lifetime so you don't have to think about Kouzuki house anymore. You'll stay kidnapped by me for your life」

「...Why are you saying that?」

Ruriko's mask is peeling off.

「That's obvious...because you're so cute that I want to do it with you!」

「Without any backing of Kouzuki house...I'm a woman with no value!」

「If you think that you're worthless then go to me! I'll polish you up!」

「...Onii-sama!」

「I'm going to have the naked Ruriko who has nothing Get naked and be kidnapped by me!」

Yukino's been watching us in shock

For her, she can only see me as talking nonsense.

「You...do you think that you have no value as yourself, that you only have the name of Kouzuki house?」

「That's right...if there's no support from Kouzuki house, I have no worth」

「I don't need the Kouzuki house part of you...I want the essence of Ruriko who you say is worthless」

「My essence」

「Ruriko is cute」

Minaho-neesan intervenes our conversation.

「You made another promise with a girl」

...Eh?

「You can't die easily now」

...Minaho-neesan

「No...I'll never die...!」

---

# Chapter 292. Will (Part 3)

---

「You were thinking about dying just now didn't you?」

Minaho-neesan asks me.

「No, not in particular...It's not about dying or wanting to die」

I answered

「It's just that...I feel like it'll be fine if I died right here now」

「...What do you mean by that. Onii-sama?」

Ruriko asks in surprise.

「No you see...Misuzu, Megu, and Mana...everyone's concentrating their consciousness to strengthen their relationship with me, they've gotten a bit reckless you see」

「Right, I think those girls are too dependent on you」

Minaho-neesan agrees to what I said.

「Yeah...they're not bad girls but they're doing their best, desperately. But, I think that this shouldn't go on」

I feel it desperately.

「It's true that I made the junction and have gathered the【family】but... I think that the family should get along with each other without me from now on」

Actually...It's getting into that direction.

Megu and Mana are now talking to people they haven't talked much with before...

Misuzu will no longer stick out only herself anymore, I think.

「So...With everyone becoming a proper【family】supporting each other...I'm no longer needed」

「...No longer needed?」

Ruriko's puzzled

「That's right. Right now, when everyone's lonely and have no one else to fill

their heart, they come to my by chance you see. The family's working properly, so if anyone wants someone to ease their minds, then instead of me, they should go with better people.]

I...

「Y-You...you do know that you're a defective person don't you?」

Yukino smiles.

「I do. I have nothing after all」

「Great. If you don't know even that I won't be able hold back anymore」

Yeah...for Yukino who was raped by me and made her life miserable...

Whatever I say is useless.

「Of course you know that you're a bastard beyond saving so you'd better die quickly!」

Yeah...I

I'm someone who should die.

「For Misuzu, Megu, Mana...I think that I'd better die here now. Even if I die, I know that Minaho-neesan will help them out...Even Jii-chan won't abandon his family as he made a promise.

I don't know what's in Jii-chan's mind but...

Kouzuki Shigetaka is a person who would do as he promised...

「Rather, if I die here...those girls would be able to break through...I thought that it might be better. No, it's not like I really want to die. But, I just think about it...」

Right now, I'm no longer needed in the『family』

Minaho-neesan speaks.

「What do you think about Michi-san?」

Katsuko-nee tells me.

「Michi's already fine. She'll live confidently as a martial artist. I don't think that she needs to depend on Misuzu or me anymore. Even now, she's standing on her feet right now」

「Reika-oneesan?」

「Reika...she wants people who can be her『family』it's not that she wants to be my『woman』 If she's accepted by everyone, I think it'll be fine」

「What about Ruriko-san?」

Ruriko speaks up before I could answer.

「Onii-sama has spoken to me honestly so Ruriko will also talk. As I said earlier, I thought that I don't mind it even if Misuzu-oneesama and I serve Onii-sama together. I think that it's a good option to protect the Kouzuki house. But, deep inside my heart...there's the feeling of『If Onii-sama dies here right now...』」

Ruriko...

「In this case...I understood that Misuzu-oneesama's heart well. I think that there will be no objection in the future where Misuzu-oneesama and I join up raising Kouzuki house. I'll never be hostile. I love Misuzu-oneesama」

Yeah.

Up until now, they just distrust each other because they don't know each other's hearts well but...

Misuzu and Ruriko now have built a relationship of trust between their hearts.

「Therefore...Onii-sama is unnecessary for the relationship of Misuzu-oneesama and I. I know that Misuzu-oneesama loves Onii-sama from the bottom of her heart...I respect that however... If Onii-sama died at this stage... there will be another alternative, I thought」

That's right.

Eliminating the men who has the ambition to dominate Kouzuki house...they will not allow partners who are participating in the management of the corporate group.

Kouzuki house is co-governed by Misuzu and Ruriko.

Going that far is good.

But, for Ruriko...it doesn't have to be me.

Far from me who she doesn't know...

She'd rather come looking for a man with good lineage and family...without ambition...

This plan is more robust and perfect.

「Yeah...you're right. I get that」

As expected, I should die here.

If I die...it feels like the storms here and there will be able to settle peacefully

「...Onii-sama」

「What, Ruriko?」

Ruriko's puzzled. Her face is pale.

「I was speaking horrible things to Onii-sama with the purpose of making you angry」

...What?

「Onii-sama is really thinking about Misuzu-oneesama and I, even the entire Kouzuki house」

「Because...isn't it meaningless if you're not happy?」

「You also think of me as『family』don't you?」

「Isn't that obvious?」

「When...Since when?」

...What?

「Since when did you start thinking of me as your『family』?」

「No, I don't clearly remember since when but, From when I started calling Ruriko without the『-san』I've already made the resolve」

「Made the resolve?」

「Yeah...'She already belongs in my『family』 I must make her happy' I thought...!」

I've made my resolution

「In the end...your head always lacks of your own happiness...!」

...Minaho-neesan?

「Now then, here's the last question...what do you intend to do with us, Katsuko, Nagisa, Nei and me...」

The four ladies look at me.

「W-Well...but, Minaho-neesan and others are strong so you're fine without

me right?」

Minaho-neesan leaks a sigh.

「It's a good opportunity so let me tell you. Didn't I tell you before? Whatever happens, at least one woman won't leave you」

「Y-Yeah」

True...I think she did say that

「It's about that...when you weren't here, I made a decision with Katsuko and Nagisa」

...Decision?

「If ever you died, the woman closest to you among us three, would die with you」

...What?

「We'll never let you die alone...」

D-Does that mean?...

「It's fine, the remaining two will do the rest. They'll take care of Misuzu-san, Megumi-san and Mana-san. Michi-san, Reika-oneesan, and Ruriko-san and Yoshiko-san too」

「That's right...Only the one closest to you will follow you to your death」

「That's what we have decided on」

Minaho-neesan...Katsuko-nee...Nagisa...!

「But, Nagisa...What about Mao-chan」

「As for Mao...I can leave her to Minaho-san and Katsuko」

「No...but」

「That's all under the assumption that you are dead...It won't happen if you're alive though...!」

Nagisa looks at me with tears in her eyes.

「I'll follow too! If Yo-chan dies, I'm not included in the talk of those three...!」

...Nei-san?

「I don't want to see my brother die first. If Yo-chan dies then I'll die too. I've

decided it long ago!」

Nei-san smiles.

「Therefore, you absolutely mustn't die...!」

...Katsuko-nee

Katsuko-nee speaks to Ruriko.

「I confess...Nagisa and I and Ojou-sama were former prostitutes」

「...Prostitutes?」

Ruriko has restricted sexual knowledge because of Jii-chan

She probably doesn't know what a prostitute is.

「I was forcibly kidnapped by a bad guy...and made to work like a slave. For many years」

「...My」

Ruriko's surprised.

「I thought that my ordinary happiness won't ever come anymore. It was my dream to make a bakery but...I thought that it was just an illusion, never possible to realize it」

...Katsuko-nee

「Because...my mind and body have been completely defiled...I wondered if this tattered me could continue living. I had no qualification to be loved by anyone, I even thought that I shouldn't love anyone. I'm a defiled woman」

「...That's not true」

「In those desperate days of mine...I managed to keep myself just because I wanted to make a bakery Until I met you...」

...Me?

「You found the worth in this dirty woman. It's only you. Without you, I'm no good. I'll return to a despaired woman who's heart is drowning」

...Katsuko-nee

「I'm the same. I was able to turn a new leaf and started a flower shop, I was still in despair. My past has been eating away my heart. Especially Mao's

existence...」

...Nagisa?

「Mao is my treasure. I can endure any hardships just for her. But...that girl isn't someone I wish to bear. That has stuck in my heart...」

Mao-chan's father is unknown.

Nagisa as a prostitute...she was raped by a lot of men without contraception, and got pregnant with a child.

「I've tried...worked hard multiple times to be in love. I also registered in marriage consultations. I even had matchmakings. But...no matter how lovely the person I met, I wasn't able to talk everything about Mao. No...even myself」

Nagisa trembles

「Katsuko and I were kidnapped during our first year...turned to a prostitute. I have never experienced love. Therefore, I wanted to fall in love. But...I wasn't able to talk about my past, Mao's birth to ordinary men...」

Her past as a prostitute...a child born from being raped...

「Therefore...I wasn't able to fall in love no matter what. Therefore I was living in desperation too」

Nagisa used the shop clerks as pets.

Unable to fall in love with a man...she seduced younger girls.

「But you see...I, am in love right now...with you」

Nagisa tells me.

「You are looking at me as a woman...not a former prostitute, not Mao's mother... And loved me...」

I...

「Do you remember? The other day...when we negotiated with the Yakuza who came to threaten my shop, didn't you come to a small shop in the factory area?」

「...I do」

「Before you entered the shop...you were doing morning exercise」

「That was just me thinking that I should get my body used to it」

「That was really funny...I enjoyed it. Your all out feelings were conveyed...my chest got hot. At that time...I felt like I was back in high school」

「...Nagisa」

「I feel excited when I'm with you...you never lie, everything you think shows on your face. And yet, you always make up your mind. I can't stop feeling excited when I see you」

I...

Am just a dumb, foolish man...

「I'm in love. I think this is a love once in a lifetime. It's only you. I can truly be naked in front of you, mind and body. I won't do it unless it's you...!」

Nagisa spills tears in her eyes.

「So...don't die. Live. You can make any number of『women』elsewhere. I'll do anything for your sake. So please...live」

「Un, Yo-chan...live. You only need to live. If you die, then I can't see you again. Please live, Yo-chan」

「Please...dear」

Nagisa...Nei-san...Katsuko-nee...

「Sorry, I didn't understand everyone's feelings at all」

I apologized honestly

「I thought that everyone would be fine even if I'm gone」

「...Everyone's saved because you're here」

Minaho-neesan said calmly

「Rather, we the older ones can't live without you」

Minaho-neesan

「Therefore...take care of yourself」

「That's right, if Yo-chan dies then I will too!」

「Even I...right, Katsuko」

「Yeah...Nagisa」

...I

「Got it...I'll live. No matter what happens, I will survive...!」

After saying this far...I can never die.

「...That's a promise」

「...Yeah」

Seki-san who's been listening to our talk silently until now opens her mouth.

「...Sorry」

「W-What's wrong, Seki-san?」

I don't get what Seki-san meant by that

「I'm『Kakka's』full time guard so of course, I know everyone's profile」

In short...the prostitution ring『Kuromori』...

Their members, Minaho-neesan and others...

「Therefore...I didn't understand everyone's feelings. Far from that...I looked down on everyone who was a prostitute in my mind...」

「It can't be helped...it's inevitable to think like that if you're a normal person」

Minaho-neesan answers Seki-san with a smile

「...Were you really kidnapped?」

「When I was 12 years old, as for Katsuko and Nagisa, they were kidnapped when they were just high school students...and forced to become prostitutes」

Minaho-neesan's answer made Seki-san tremble

「That's...unbelievable」

「Yes, especially with it not being made public...!」

It's probably not written in the investigations of Kouzuki security service.

「Shirasaka Sousuke is the one who turned us to prostitutes. Therefore...we spent so many years, escaped the prostitute world, aimed at the opportunity to take revenge on Shirasaka Sousuke」

「...So, that's how it all went」

For Seki-san...it seems that this case and『Kuromori's』movement is all connected.

「Apart from『Kakka's』forecast...this is an execution of Kuromori-sama and

other's revenge?」

「...That's how it is. In addition, the criminal who's attacking the hotel right now, Cesario Viola has killed Nei's parents, kidnapped Nei and her brother and made them slaves...Nei was saved by us from her slave environment but, Nei's brother was killed by Viola's subordinate. Viola's attacking here is a request of Shirasaka's head but...his purpose is also to take Nei」

Seki-san looks straight at Minaho-neesan

「Understood. That's enough I'll cooperate with all my best」

「Should we take that from the top elite of Kouzuki security service?」

Minaho-neesan asks...Seki-san

「As a woman...I sympathize with everyone's feelings」

Seki-san smiles...

「I have never told everyone until now but...my father is frenzied when drunk, someone who always acts violently against my mother」

...Seki-san

「Fortunately, my parents divorced when I was in third grade in elementary school...we were able to leave father but...my father has casted a deep shadow in my heart」

Seki-san sighs.

「I think that is the case why I didn't come with any romantic relationship... Normally, a mild and timid man turns violent and rough when they drink alcohol... I can't just trust men」

「We're the same...we've had bitter experiences with men」

Minaho-neesan said

「Therefore...I fell in love with this boy」

Nagisa smiles

「Besides...this honest to fault boy can't be found easily. Therefore, we can be honest in front of him」

Katsuko-nee looks at me with kind eyes...

「Yeah...Yo-chan's silliness is what's good with him!」

...Nei-san

「It seems so...」

Seki-san looks at me.

Then...

「I like American cars but I also like motorcycles」

「...What?」

「Do you know Harley Davidson?」

「The name at least...」

「I'll let you ride one next time...」

Seki-san said with a bright red face...

「It feels good you know...especially when you go against the wind」

「...Is that so?」

「It is...I'm driving at full speed at central highway when I feel frustrated. There are times when I feel like driving a car isn't enough...」

「...Okay」

「It's fine, I won't go overboard when you're riding with me...」

I don't get it somehow but...

Anyway, it seems that I've got to ride Seki-san's Harley.

「Ah, sure...my best regards then」

「...That's a promise!」

---

# Chapter 293. His heart

---

「...Seki-san?」

「I, still don't know you yet but...or rather, I don't understand men well in general... But, I know it well that you're not a bad guy. I want to know you more」

Seki-san said, Katsuko-nee;

「Seki-san, just tell him what you want to talk about with him. Right now, he's fascinated and absorbing anything with his curiosity」

「Right, he's always looking at me in the eyes and he's listening seriously」

Nagisa smiles...

「All I can talk about are American cars and bikes, and history of American movies」

「Ah, teach me those. I don't know that at all...!」

Seki-san looks at Katsuko-nee and others...

「I somehow understand why you chose this『boy』when you're fed up with『men』I sometimes meet a man with the same hobby...yet I only meet idiotic men who don't even have that extensive knowledge and yet they have an arrogant attitude breaking themselves or an idiot who knows too much they try to poke every corner of the box tripping up somebody. It might be good to have someone listen to my talk as I teach my hobbies...」

「Therefore...I'm going to teach him how to make bread!」

Katsuko-nee laughs happily

「I wonder what should I teach him? A florist's work and flower arrangement are a bit different. Oh, right...then I'll teach him about sex!」

「Hey hey Nagisa!...I'll do that too so don't teach him alone!」

「That's right! I'll also teach Yo-chan about sex!!!!」

...Nei-san

No, I'm tired of retorting already

「Stop that you three...!!」

Minaho-neesan scolds Nagisa, Katsuko-nee and Nei-san.

...Then

She comes close to me...

「...Minaho-neesan?」

「...Just let me」

Minaho-neesan then embraces me tightly

Minaho-neesan's body is thin, don't have any meat attached...

A normal woman would have their body change to young『girl』or an adult『woman』...or a『mother』with their growth...

Minaho-neesan who has a body that never had sex since age 16...

The secondary characteristics of a『girl』has stopped...it didn't become a soft feminine body.

Yes, this thin and bony body...

Is a『girl's』body

Minaho-neesan kept adding her age while still having a figure of a『girl』

Although her height has gotten taller...this body has never changed to a『mother』, it's still a『girl』

「...Entrust your body to me...take a deep breath」

Minaho-neesan whispers in my ears.

「...Yeah」

Suu...Haaa

Suu...Haa

「...Sorry」

...Eh?

...Minaho, neesan...?!

「I...have forced you to do a lot of things」

「No...I just did what I had to do」

...Not at all.

I'm not forced by Minaho-neesan to do something...

「That's not it...most that you think『I have to do it』is actually something you『don't have to do』」

「...That's not true」

「A normal child would've thrown it all and fled long ago」

「Well...there's now way for me to escape」

Minaho-neesan kisses my forehead softly ...

「Because you say that...we came this far. Thank you」

「No...I didn't do anything. I don't have a role for everyone...! I have no skill in martial arts nor computer skills. I haven't done anything to help out with Minaho-neesan's『revenge』」

「No...you're doing well」

Minaho-neesan looks into my eyes...

「Therefore...don't be so scared」

...Me?

...Scared?

「...Katsuko, Nagisa, Nei」

Minaho-neesan calls the three.

「...Yes, Ojou-sama」

「Yes, Minaho-san」

「What's up...Sensei?」

The three look at us with uneasy expressions.

「Do you know why this child is docile to us? Why does he never reject us? Why he accepts everything...?」

...I

「This boy is broken. He thinks that we might abandon him. Therefore he's doing all his best so he won't be hated by us...」

Isn't that like Mana?

Mana's afraid of being abandoned by me so that's why she's coming to me in high tension.

「This boy is desperate」

Minaho-neesan stares into my eyes.

I'm the same as Mana?

「An ordinary high school boy...abandoned by his parents, became alone...in absence of the view of the future, he met us...」

That's right.

I was abandoned by my parents...

Left alone in that dim house...

Only money I had was the passbook my father left behind...

Afterwards...I don't know what's going to happen, what to do...

There was no one to consult with...

I just look at Yukino everyday...escaped the reality by masturbating to Yukino.

「I have used him for my『revenge』 And yet, this boy believed me...and did his best for me...for our sake., I have always...forced him to do horrible things and yet...!」

Minaho-neesan's plan had Yukino raped...

Raped her again and again...

Then, I met Katsuko-nee, Nei-san and Margo-san...the people of『Kuromori』...

Nagisa、Misuzu.....Megu.....Mana.....Michi、Ruriko.....Reika。

Eventually, even Jii-chan joined in our『family』

「I'm not being forced...I'm having fun. Yeah, it was fun」

I answered

「It feels like everyone...everything is a dream」

Yeah...me having a『family』

it's like a dream

「...It's not a dream!」

Minaho-neesan tells me.

「All of this is reality...everyone really loves you! You'll never be abandoned anymore!...Therefore」

Minaho-neesan's eyes are moist.

「...I know it in my head too. But」

Right...I

「But, this is just too dreamlike that I feel like it won't last forever」

...Yes

「Therefore, at least...for now, all I can do is to do my best, all my strength so I won't have regrets remaining」

Minaho-neesan hugs me even tighter.

「Is it that scary? Do you not believe us?」

「No...I do. Rather, what I don't believe in is myself...」

「Yourself...?」

「Because...all the people around me are all charming women. I'm sure that everyone should be going out with a much more amazing man instead of me」

「...I wonder」

I look up at Minaho-neesan...

「Before...Minaho-neesan taught me something about Yukino. When women learn about sex...they would want to have sex with more men with good body」

Just like how men wants to try to have sex with many girls...

Women also like to choose various men...

「Yes...I did talk about that.」

「Misuzu's raised to be a man-hater so I don't know since she's a lesbian but... Megu and Mana are surely interested in other men. Especially Mana who liked pop idols...I think she'd like a man with a better face and style than me... No, I even think that Megu would like a sportsman boy more ... Even Misuzu, I think she'd be more attracted than a cooler and smarter guy than me...」

「You're afraid that other men would take away your『women』」

「Because...I... I'm inferior to other men... I'm a useless guy so I'm no match...I can't win」

「...Who told you that you're a useless guy?」

「...That's...my mother」

I remember the face that looks down on me.

「My mother always told me. My father's genes were stronger...and mother's genes weren't passed at all, that I'm a useless human. A useless human like my father...I have no worth in living...」

My mother have always hurled insults to my father and me when she's in bad mood.

She feels refreshed by continuously cursing father and me.  
Ever since childhood...

「I'll kill your mother!」

「Katsun, I'll go too...!」

Katsuko-nee and Nei-san said...Minaho-neesan...

「Shut up you two...!」

Then she looks at me...

「Get yourself together!!!!」

...What?

「Do you still intend to be a Yoshida?! You're a Kuromori! Do you not understand why we don't call you Yoshida anymore?!!!」

...Right

After we escaped school...

Everyone's no longer calling me『Yoshida』...

Is this Minaho-neesan's order?

「You're a Kuromori man! My brother! There's no one here who thinks you're a useless guy! You're my prided brother! My pride! Have some confidence!」

M-Minaho...neesan!

「If you don't have confidence in yourself then I'll educate you until you're confident! You're my student aren't you? Then believe in your teacher!!!!」

Minaho-neesan who's hugging me...whispered

「I'm your Onee-chan too! you can talk to me about anything and be pampered by me!」

...Nei-san

「We're the same. aren't we『family』...?」

...Katsuko-nee

「Talk to me if you can't consult those three. Also, my house is yours so you can come and relax. Mao's waiting for you too」

...Nagisa

「By next week I'll find your father...and we'll formally welcome you in Kuromori house. I'm serious. You'll be in my family register. You'll really become a Kuromori...okay!」

「...I, uhm...Minaho-neesan」

Words don't come out

「Once you're in the register...you'll be a Kuromori until you die. My brother. You don't need to hold back anymore. You're my brother after all...!」

Her thin arms embraces me.

「While at it, Nei will also enter my register. Then you'll be real brother and sister!」

「Yay~ Love you Sensei!」

Nei-san's overjoyed

「I want Nagisa and Katsuko to join too! While at it, let's make everyone real『family』?!」

「Err...I'll hold back」

Nagisa said

「I want to be lovers with him. I'll leave the incest to Katsuko」

「I see, when we're on the same family register then it's incest...that's, great!」

Wait, Katsuko-nee...

「Well, please let me think for a bit. But, there's no need to worry. Nagisa and I are already yours. We don't need other men」

「True...we have experienced a lot of horrible things during our times as prostitute...you're the only one for us」

Nagisa smiles at me gently

「Anyway...we're your『family』forever already. Even if you don't like it, we'll never leave you...we've already made our resolve!」

Katsuko-nee said.

「We'll never abandon nor leave you...I promise」

Minaho-neesan...

「Therefore...don't accumulate those emotions inside you. Let out all the pain to us」

Minaho-neesan pats my head as she speaks gently

「Also...you were worried about Misuzu-san, Megumi, or Mana-san getting away from you」

...I

「If those girls want to have sex with another guy than you...What would Yo-chan do?」

Nei-san asks

「Well...I'm having sex with a lot of women too so...」

「You'd allow them to have an affair with another man? Is Yo-chan fine as long as they come back to you in the end?」

「...They won't come back」

I said.

「Once they had sex with another guy...they'd think that man is better than me. They won't return to me」

「I wonder why you're so pessimistic...」

Nei-san said.

「Answer honestly...do you want those girls to have sex with another man?」

Nagisa asks me.

「Well...I would hate it. But, I who have been in a relationship with a lot of『women』...It's wrong for me to say that... It's too selfish...」

「Isn't it fine to be selfish」

Katsuko-nee said

「Or rather...be more selfish」

「I can't do that」

「Hmm...I can understand Yo-chan's feelings but, Humans aren't theoretical」

...Nei-san?

「Because, Yo-chan don't want those girls to cheat right? If they had an affair at least once then you'd think that they'd part from you, right?」

Yeah...it's true.

「I'm such a small human」

「Just normal. Normal. Rather, it's revolting to have such a huge caliber of a person. A person who's philanthropy is too much is just an eccentric freak!」

「If so...then we should just make rules in advance!」

Nagisa proposes.

「Here's the rule...if a girl cheats then she'd leave the family. Of course, she won't be thrown out naked. They're guaranteed to live how they want but anyway...they'd be evicted from the『family』 When that happens, you'd give up on that girl. You won't have any relationship with that girl for the rest of your life」

「Nagisa-san, that's a good idea! If even though we made a rule beforehand and still the woman had an affair with another man...then it's not cheating but a serious thing. If so, then Even Yo-chan has no choice but to give up...!」

Well...if it's serious love.

I have no choice but to back down.

「Okay, then let's tell everyone about that rule」

Nagisa says.

「In the end, a woman who makes out with another man and leave won't change Yo-chan. I think it's better for Yo-chan's resolute

...Resolute?

「You want to keep all the girls right now but...you're uneasy that some of them will leave you, right?」

Nagisa asks.

「Yeah...that's true.」

I answered.

「Then be ready that none would be left from the very beginning. Suppose

that there's a woman who leave...then it'll make your heart feel better.」

「That's right, if Yo-chan can't be『Selfish』...you can be『Resolute』right?」

I see...it's painful top think that I want to keep everything in my current state.  
If I think that they would leave from the start...then I can endure it.

「Either way...Yo-chan's scared of being hated by the girls so I think his service  
is excessive, giving everything to the other party like now. If this continues, Yo-  
chan would suffer and fall. You've got to be irresolute to some extent」

...But

「Uhm. I understand what Nei-san is saying but...I don't know how do I do that  
specifically...」

「That's easy...it's fine to continue dealing with everything the girls wishes just  
like now but you see, when you think『Ah, I don't like this』, then refuse. Just  
that is enough」

「But don't girls hate it when they're refused?」

「It'll be fine as long as you say the reason. They're not mean people. It's also  
fine to say『I don't have time right now』or『I'm going to be tired if I do more  
than this so let's do this next time』 Still, if there's someone who speaks  
selfishly, Katsun an I would scold them. If Megumi-chan is the  
'Gakyuuinchou'(Class Chairman) of the『family』then I'll be the  
'Banchou'(Delinquent Boss) of the family」

...Nei-san, Banchou

「Or rather...women don't think that things go 100% their way. For the time  
being they just want to be pampered by you using the momentum」

Katsuko-nee said.

「And yet, Yo-chan's always doing his best to respond to the girl's wants...」

「Thus, there are some girls who are somewhat nervous recently...」

「Yup, yup...there's those.」

「Should we scold them?...Fuku—Banchou?」

「If that's what Banchou is saying then I'll go but.」

Nei-san and Katsuko-nee...Banchou and fuku-banchou.

「No, uhm...please don't be too reckless...」

「It's fine! We'll just roast them a bit...!」

「That's right...just a bit...!」

No...the two of you are already scary

「There's no need for that...」

Minaho-neesan said.

「Eh, Why Sensei?」

「Take a look at that」

Minaho-neesan activates the monitor.

Reflected on the screen...is the next room?!

The living room of the『emergency evacuation room』is projected  
...Eeeeeh?!

「...Uhm, isn't that?!」

Nei-san's surprised...

「My...what a surprise」

Ruriko who's been listening to the adults obediently all this time raises her voice.

In the screen is...

Misuzu, Megu and Mana...

All of them are kneeling on the floor naked...

「Could it be...Minaho-neesan?」

Minaho-neesan smiles gently

「That's right, the other side has been listening to the conversation in this room since earlier...」

Misuzu, Megu, and Mana are all listening to us?

And now...they're doing naked dogeza?!!!

---

# Chapter 294. Lesson

---

「...Does the three of you have anything to say?」

Minaho-neesan speaks to the microphone

The line must be connected to the room on the other side.

『Uhm...we』

As representative, the naked dogeza Misuzu speaks...

『We've been spoiled by the thought that Danna-sama would respond to everything we want...』

『So...we've thrown all our anxieties to Yoshi-kun』

『By having Onii-chan deal with us...I thought I could calm myself』

Megu and Mana said bowing their head.

「No, it's not that I...」

Minaho-neesan signaled me to stop speaking.

「Stay silent for now...」

「It is as Ojou-sama says...if you easily forgive them here then it won't be good for them」

...Katsuko-nee

『I never knew that Danna-sama is also doing his best so we won't hate him...』

『Yes...I believed that Yoshi-kun would just accept me...』

『Because Mana and others are being cared for so I thought that I could just be pampered as much as I want.』

The three's apology continues.

『Nagisa-sama and Katsuko-san and others have kept moderate contact with Danna-sama to avoid giving too much burden to Danna-sama...』

『That's true. The older ones only push their own desire when they really want to help out Yoshi-kun... I always depend on Yoshi-kun to wet my thirsty heart...』

『Yes. Nei-san has never flirted with Onii-chan in front of us... She's been holding

back』

No...Katsuko-nee and Nagisa were doing it with moderation but...  
For Nei-san's case...  
I don't know how to explain this anymore.

『...For me, it's only Danna-sama. Forever. I won't go with any man other than Danna-sama. If it's not Danna-sama then I'm no good!』  
『Even I am the same...Yoshi-kun! It's no good unless it's Yoshi-kun!』  
『Even Mana is the same...I'd feel disgusted doing it with people other than Onii-chan...!』

The three say it all at once...

『If you're worried about it then please tattoo Danna-sama's name in my stomach just like Yukino-san. To make sure I can't be with a man other than Danna-sama. You can even take embarrassing photos of me』  
『Do it with me too...make me embarrassed unable to show my body naked to any other man but Yoshi-kun』  
『Mana too...you can write Onii-chan's name in my body... !』

The three speaks to Minaho-neesan.

「Don't you know that making such an excessive demand just makes him suffer...?!!」

The three tremble...

「In the first place...are you that weak of a woman that you can't protect your own chastity if there's no name carved in your body? Are you below Yukino-san?」

Yukino barks at what Minaho-neesan said.

「I've got nothing to do with this!」

Minaho-neesan snorts...

「What is this girl who tried to have sex with Endou-kun, hiding the fact that you were raped by him saying...?!」

Yukino fell silent.

「Isn't it time you notice it? The true nature of Shirasaka Yukino is a nymphomaniac, a pervert...!」

「No...I'm not a nymphomaniac nor a pervert...!」

「Is that so? But, your body can't be satisfied unless it's perverted sex. You know that you won't have a high school student like fresh romance...or even having sex with a lover, don't you?」

「...!」

Yukino's eyes have tears accumulating

「Really...you're easy to cry easy to scream」

Minaho-neesan looks down on Yukino with an amazed expression.

「Well fine...next time, you'll be kneeling on the ground and begging『have sex with me』」

「...I'll never do that!」

「You will. Yukino-san's weak to pleasure. He's the only one who can have sex that can pleasure Yukino-san. He's really thorough or rather...he's rubbing the most pleasant places...!」

Minaho-neesan provokes Yukino.

「I don't want that. I...hate this man so much...!」

Saying that...Yukino spills tears

「...Yukino」

I call Yukino

「...What?」

Yukino glares at me

「No...somehow, it feels like It's been a while since Yukino did something Yukino-ish...」

Yukino takes off the black and yellow stripped comedian dress and changed to her sailor uniform.

I don't know which school that uniform is but it's an ordinary white and dark blue sailor uniform.

Her hairstyle is usual and her strange make up is taken off.

「Yup...Yukino's really a beauty」

I speak my impressions honestly

「W-What...are you making fool out of me?」

Yukino throws her anger at me while shedding tears.

Oh...it's the usual conversation with Yukino.

There is a huge and deep gap between Yukino and me.

We will never understand each other and we can never be lovers or friends.

No matter how much sex we have...our hearts will remain on parallel lines.

...However

This sense of distance...the gap of our hearts where we can look at each other from a distance away...

It's very pleasant.

「Look, while you three are bullying and forcing him...it seems that he's feeling easy being with Yukino-san」

Minaho-neesan said...the three naked girls on the screen shakes.

「Can you tell? Right now, you're just increasing his burden. He's always taking care of you three when you're with him, he can't rest easy his mind」

「No, it's fine, Minaho-neesan. I'm really happy being relied on by everyone, I want to be useful to everyone」

I say but...

「But, your mind and body would be overwhelmed if this continues. These girls are selfish and egoistic. You've always been taking care of those three...!」

The three on the screen are trembling.

「...We'll talk with him about your treatment. You should talk with the three in that room」

Saying that...Minaho-neesan switched off the voice line.

There's a『Under Deliberation』floating on the screen of that room

We can see the other room from here but...

They don't seem to see the state of this room.

Ah...the three starts to consult with Misuzu as the center.

「That room has Margo...I think that if the three of them discuss it'll go to a strangely serious direction」

Minaho-neesan speaks while looking at the screen

「Sensei...should we go there too?」

Nei-san says so...

「No. Those girls will just be spoiled if it's Nei, Nagisa, or Katsuko. If it's Margo, she can combine both kindness and strictness, and she'll be able to connect with those girls...」

Yeah. Margo-san is『family』but...she's not my『woman』

She can draw a clear line in response to those three.

Nei-san, Nagisa, and Katsuko-nee are too kind with their『little sisters』

「But still...Michi-san has grown up」

Minaho-neesan looks at Michi that's behind the scene.

Michi continues with the meeting about going on the upper floor with Margo-san, feigning ignorance.

「If it was Michi-san before...she'd go with Misuzu-san and kneel naked together right?」

...True

For Michi, Misuzu is an absolute master...

「But, this time...she understood that it's better not to get involved so she goes to the back」

Right. If Michi joins in the naked dogeza...it'll get confusing.

Megu's feeling inferiority complex towards Misuzu...

Misuzu's trying to become the boss of the young group.

Mana keeps drawing close to me every time something happens...

If Michi who's Misuzu's vassal joins in...the balance of the three would collapse.

Michi shouldn't be there in order for the three to talk honestly.

「She seems to have gained confidence in conformity of losing her virginity to you. I think that she's feeling a clear bond with you」

Katsuko-nee said

「She feels her heart is connected to you more than those three. Therefore she's not worrying about anything」

Nagisa says.

「Well...we've already been in that path long ago」

...Nei-san!?

「In the end...It's all about what you think. Whatever Yo-chan heart's say, I won't betray Yo-chan even if I die. I have decided that on myself so there's no need to worry about anything...!」

「Yes. You can't do with the mind of the other party after all. Those girls think they want to make your heart theirs so they're going on a strange direction. Your heart is yours so they must respect it. If they understand how to treasure it then it'll get easier for them」

...Nagisa

「Nagisa and I were prostitutes. We control our own hearts and often do it with people we don't like... It's important to decide with your own mind above all, we know that well, Before you could do strange activities on the other party's heart...」

「Right, Katsuko...!」

Nagisa looks at me.

「I love you. I'm okay with it no matter how much you have sex with women other than me. I don't care if you abandon me someday. Because, I love you. I'll accept anything...I'll do anything to make you happy」

「I'm the same as Nagisa」

「I'm the same too! Yo-chan is my『little brother』after all! I'm fine as long as Yo-chan's happy!」

Nei-san's been confined by Cesario Viola for many years.  
Katsuko-nee, Nagisa, Nei-san...everyone had their freedom taken away from them, endured their miserable situation...  
Therefore...they have the strength to suppress their desire and think about the happiness of the other party first

「Yo-chan's the same as us right? Therefore you always suppress your own

heart and respond to Mii-chan, Megu-chan and Mana-chan's demands right?」  
「I...simply didn't want to be hated by them. I'm just scared of being abandoned...」

Minaho-neesan grasps my hand then said

「No...That's not all. We understand...」

Then...looking back at the three on the screen  
The three are talking about something with a serious face...  
Sometimes, Margo-san gives her advice.

「But, it's about time they become self-independent」

...Independent

「If this continues...they'll look up to you to solve even the most little anxiety in their mind...they'll become people who can't grow」

...People who can't grow?

「Just like Yukino-san...!」

Hearing Minaho-neesan, Yukino glares at me.

「...It's useless even if you look like that. You really are helpless」

Minaho-neesan tells Yukino.

「Normally...you're the victim here. Caught up in the『revenge』against your father...raped, kidnapped, made pregnant. Even though you didn't do anything wrong」

「...That's right, I didn't do anything wrong!...And yet!」

Tears spill out of Yukino's eyes again.

「Look, here you cry again... Yukino-san is really easy to cry, easy to scream... therefore, there's no one to sympathize with you...can you tell?」

Minaho-neesan...does that mean?

「Actually, the most pitiful one here is Yukino-san and yet, that attitude is too annoying so nobody's sympathizing with you. It makes them want to bully you even more...isn't this all your fault...?!」

「...Why me!」

「Look...you screamed again Then, you'll cry again...!」

Minaho-neesan ridicules Yukino.

「Not accumulating the feelings rising up, venting it out immediately using tears or anger. Therefore, no matter how harsh your experience is, Yukino-san quickly changes. It's because you vent it out every time. Without pulling your emotions...your level of emotion go back to zero. In a sense you might own a strong spirit but nobody sympathizes with that. Before they could sympathize with you, you have already ended spitting out all of your emotions self-contained. Furthermore, you don't care about the surroundings when your emotions spring up that you let it all out anytime anywhere so it's just noisy...!」  
「...I」

Yukino gasps.

「You've never been told about this, have you?」

「...Never」

「As the lady of Shirasaka house...you were raised to be selfish. It's inevitable for you to have that kind of personality but...as of now, you'll never have someone on your side for the rest of your life」

「T-That's none of your business」

「If you could stay as a lady of a noble family then that's good but...Yukino-san can no longer go back to Shirasaka house」

「...I know that already!!!!」

「Look...you're screaming reflexively again」

Minaho-neesan smiles wryly

「Try to accumulate your emotions inside a bit more. If you do that, you might become a person who can talk in consideration of the situation...!」

Yukino shuts up frustrated.

「However...it's also troublesome if you accumulate those feelings too much」

Minaho-neesan looks at the three on the screen.

True...Megu quickly builds up emotions. Then, it just explodes later.

Mana's the type that accumulates inside but, she clings to me, vent out her anger on Yukino, it's okay since she lets it out.

The problem is Misuzu.

Misuzu's too smart so she thinks of various possibilities too much.

Being burdened by that...she would try to make various conspiracy work.

「Yukino-san...I'll give you an example because I don't think you understand it well」

Nagisa speaks to Yukino.

「I'm teaching on flower arrangement class but sometimes I go with my students to eat lunch on a French restaurant」

Wow. Since Nagisa is a teacher of flower arrangement that even Misuzu is under, then surely everyone are rich ladies or wives.

「There's a time when one of the students, in around her 20s...there's a beautiful woman there.

That person said『I broke up with my boyfriend last night』then began crying.」

...Okay.

「At first, everyone was『My, that's hard』or『Cheer up』but...after a while, they left her alone. She cry out by herself. She catches a weak girl and force her to listen to her story for a long time but we look at her with eyes saying『what's with that girl?』」

...I see

Nobody's going to take care of a person who's just crying out all their emotions.

「After a while...when the students gather, there's a girl who seems to be less energetic than usual, they ask『What's wrong』...then that girl said」

...Fumufumu

「『I broke up with my boyfriend last night, but my head is completely empty... So I wanted to make a lot of cream stew so I was boiling stew all night. I made a large pot but when I thought about it...there was nobody to eat together with me...』」

...A large pot of stew?

「At that time, everyone had already sympathized with that girl...everyone listened to her story, cried, opened up an expensive wine and drunk! Everyone

talks about their heartbreak story and it was very uplifting. The members at that time got along well!」

S-So that's what happened.

「In short...『It's sad so I'll cry and scream』is the lowest level of human emotion expression. Nobody would deal with it properly. The『sad』feeling sublimates to another and it'll reach the heart of others for the first time...!」

The feeling sublimates to another?

「That time, another girl talked about her anger because her boyfriend cheated, then she mentioned that she broke all of the music CDs her boyfriend liked...it made us impressed. She scratched each of it with a cutter...broke it into pieces with both hands. Dozens of them」

That's...amazing

「Normal people aren't allowed to cry or scream in front of others so the emotions accumulate that they switch to another action. It won't end with just『I cried』『I screamed』 It's the emotion itself If the sorrow is too deep...there are people who『laugh』instead of『cry』...There are people who get『angry』because they're too happy. When the accumulated feelings exceed a level, it switches to another emotional expression Expressing that far...for the first time, you'd be able to communicate with others' hearts」

Nagisa said,

「Yukino-san...as long as you repeat『crying』or『screaming』you won't become an adult!」

Nei-san laughs.

「And...those three as well. Those girls immediately throw the emotions that rise within themselves. It's okay to feel uneasy but...if they accumulate those emotions inside yourself and don't have the ability to endure...then they'll become girls that are dependent on you...」

Therefore...Minaho-neesan.

Isolated me from those three...

And gave them time to consult themselves...

「Afterwards...you have to go upstairs so you have to decline the anxiety in here, right?」

...Yep.

If those three show their determination to become independent without relying on me...

Then I can go up without worries.

「This is something that has to be done now」

I thank Minaho-neesan's thoughtfulness.

「Yukino-san too...it is as said. If you don't change here then we'll abandon you this time」

Minaho-neesna looks at Yukino...

「...I-I don't know. I am myself...!」

Yukino still refuses.

「Is that so? That's Yukino-san's reply...very well」

Minaho-neesan answers coldly

「Kuromori-san is really serious yet gentle...」

Ruriko said.

「You've thought a lot about Misuzu-oneesama, Onii-sama and even Shirasaka-sama...and gave them guidance...」

It seems that she completely admires Minaho-neesan's actions so far.

「It's as if you're a school teacher...!」

...Err

She's really a teacher though.

「I thought so too」

Seki-san said

Minaho-neesan

「Now then, it's about time we go to that room? Those girls seems to have finished their consultation」

Right...I feel sorry if we don't go now

「By the way, Ruriko-san...」

「I know, Kuromori-sama It's about grandfather, right?」

...Jii-chan?

「I'll watch over grandfather so he won't leave alone」

「Thanks」

Oh right.

Jii-chan's plotting something.

He's letting us retreat to this safe space and about to go back to the dangerous upper floor.

「Anyway...I understand that everyone's a person I can trust from the bottom of my heart. I accept everyone not with grandfather nor Misuzu-oneesama's opinion, but my own judgement」

I see...Ruriko's a polite girl so if Jii-chan and Misuzu trusts us then she'll follow for the time being.

However... that's not Ruriko's judgement.

She didn't believe us from the bottom of her heart.

Minaho-neesan knew that so she made an opportunity to talk with Ruriko.

「Onii-sama...please never think of dying」

...Ruriko

「I'm starting to think that it's okay to accept Onii-sama regardless of Misuzu-oneesama's will」

Ruriko's cheeks blushes.

「...It seems that I have grown up too much comfortably in Kouzuki house. I understood it well from the talk just now」

Ruriko looks at me with her big eyes.

「I would like to be kidnapped by Onii-sama...!」

---

# Chapter 295. Ruriko and Rules.

---

「Ruriko-san, we'll talk about that later」

Minaho-neesan tells Yukino.

「It seems that the three's consultation has settled」

Looking at the screen, the three naked beauties are looking this way anxiously

「Then, let's go...Yo-chan!」

Nei-san laughs.

「Now then, what's going to happen?」

「It would be nice if the opinion goes into a good direction」

Katsuko-nee and Nagisa look at each other.

「It's fine, those girls are smart...unlike that high pride lady over there」

Minaho-neesan looks at Yukino.

「Hmph...say as much as you want」

Yukino who changed to her sailor uniform of an unknown school, puffs.

「Come, let's go to the other room.」

Seki-san reached out to me.

「Yes, Onii-sama」

Ruriko takes her hand to me.

「...Thanks」

Holding Seki-san on the right...Ruriko's hand on the left, I stand up from the chair

「Hey, show a sharp face. This is for those girls...!」

Yeah...it's for Misuzu, Megu, and Mana who reflected seriously...  
I can't allow to show an irresponsible face on the other side.

「Then...I'll open the door...!」

「...Danna-sama」

「...Yoshi-kun」

「...Onii-chan」

The three looks at me with a worried face...still naked 「Did the three of you come to a conclusion?」

Minaho-neesan smiles

「Yes...」

Misuzu speaks on behalf of everyone.

「We first decided to turn back to our original positions」

Original position?

「I am Dannas-sama's pet」

Misuzu tells me.

「For someone with a pet as a position...I think I have pushed my own desires to Danna-sama indiscriminately. I'm very sorry」

Misuzu kneels.

「Mana is Onii-chan's sex slave. Even though I am a slave, I've been depending on Onii-chan whenever I feel even a bit uneasy...being so loud...I think that I did whatever I wanted. I'll never do it anymore. So please...don't abandon Mana」

Mana rubs her forehead on the floor.

「I...I think Yoshi-kun has given me the role of class chairman in the『family』 Or rather...even though Yoshi-kun was desperately thinking how I could make a place in the『family』...and yet, I just cling into Yoshi-kun by myself all this time. I...I think I'm a very heavy woman. But, Yoshi-kun didn't hate me at all...I'm sorry. I'm really sorry」

Megu also kneels naked.

「No...it's not that I mind it...raise your heads」

I'm troubled seeing my loved girls kneel.

I don't know how to react.

In the first place...the three of them are naked.

「Then, the three of us have made a decision」

Megu raised her face and told me...

「First of all...we'll never be jealous of Yoshi-kun having sex with whoever woman it is...!」

「Danna-sama can have sex with women as he want」

「If you want...Mana and everyone will cooperate」

...Oh

Seriously, these girls...

「Why are you always going for extremes...!」

I'm a bit angry.

「Up until now...I have embraced all of you with the resolve to treasure you as my『woman』as my『family』for all time...!」

That's right...!

I'm not a playboy who would just seduce a woman I'm interested in...!

「Uhm...Onii-chan」

Mana looks up at me.

「...What about Yukino-san?」

...Oh

...Yukino is

I may have raped her without that resolution.

Though I had a different resolve...

Like being caught by the police and live behind bars for the rest of my life...

Or that I can already die...

Awawawa...

Yukino's glaring at me with scary eyes...

「As expected of Mana-chan...you immediately touched the taboo of the taboos! Kufufu」

Nei-san laughs.

「...Y-Yukino is」

Mana peeks into my face

「...Yukino-san is」

「Yeah...Yukino's quite an exception...I guess?」

「Yukino-san's an exception?」

Mana looks up at me with eyes that doesn't seem to be convinced.

「T-That's right...She's an exception among exceptions...I guess?」

Even if I say so myself...it's all pathetic excuses coming out.

「Anyway...it's an SRrare item so exclude Yukino out for now」

「...Got it」

Mana backs off reluctantly

Okay...let's put Yukino back on the shelf for now 「Now that it comes to this...let me tell you clearly...」

Since the atmosphere is going bad...

I'll use force to manipulate the atmosphere.

「First...if you want to make someone join in our『family』...consult us beforehand. But...it's not good to invite invite the person themselves suddenly. You've got to consult Minaho-neesan and others properly, and once the invitation has been decided by the『family meeting』, that's when you tell the person. Let's make that a rule!」

This is a nail stab on Misuzu.

Ruriko, Yoshiko-san, Reika, and Seki-san...and Michi too.

Misuzu's alone so she invited more people...

Well, Misuzu's eyes are certain...everyone's good people but...

With no greetings beforehand, the seniors would get angry...

「...Understood. I'll never go ahead and decide with my own anymore」

Misuzu tells me.

「Also...I think that it's just strange that one has to become my『woman』just

because they entered the『family』」

「Eeeh, everyone loves Onii-chan so I think that it's good to make love with each other though...」

Mana says so but...

「No, even now Minaho-neesan and Margo-san are genuinely my『neesa』...it's okay that they're just『family』」

I don't think a relationship where sex is forced is good.

「Therefore...Ruriko, Yoshiko-san, Seki-san, if ever you become my『family』you don't need to have sex with me if you don't like it... It's more important that you became『family』...」

I look around the room

Wait...there's one less person?

「Where's Reika...?」

「Reika-oneesama has gone picking up flowers earlier」

Michi reports to me with a serious face.

...Pick up flowers?

We're in the basement though?

「Eh...she went above ground? Alone?」

T-That's bad

「Danna-sama...『picking flowers』is a jargon of『going to the toilet』」

Misuzu taught me but...

「What's Jargon?」

「In other words'...Yoshi-kun For example, a clerk on the department store says『I'm going to the seventh for a while』don't they?」

...Dunno. Who cares.

「Anyway, Reika-oneesan went to the restroom. She didn't go upstairs alone, be at ease」

Margo-san said laughing.

Well...it's fine if she's here.

「Going back to the talk earlier, Onii-sama...Ruriko will have sex with Onii-sama」

Ruriko said clearly

「R-Ruriko-sama...!」

Yoshiko-san's surprised.

「Because, if I don't make a baby with Onii-sama...Ruriko-can't bear a child, am I wrong?」

「Well...it's fine to do it with men other than me too」

Ruriko smiles.

「My interest in Onii-sama has gotten stronger. Having children of other men will cause various problems for me but...if it's Onii-sama's child then it'll be fine, won't it?」

W-What do you mean?

「I can get pregnant secretly...pretend to study abroad for about three months and give birth there」

...Ruriko, you?

Do you intend to secretly give birth to a child?

「When that happens...I will be living in the same house as everyone. Misuzu-oneesama is also there so I can live far from the eyes of media. I would like to cooperate with everyone in the『family』...and raise children with everyone...!」

True...at that time.

Yukino's child would also be born.

Nagisa would have her second child.

The other women might have given birth already.

If the『family』works together...

Even if the children's increased by one...it's possible that it might not be exposed to the world.

「You...do you intend to give birth to an illegitimate child?」

Jii-chan asks Yukino.

「It'll be finer. I will raise it with love every day. It's just fine to wait until it's adulthood before we announce it to the public...」

...Ruriko

「I'm born as the successor of Kouzuki family so it's a bit narrow. I feel like instead of being taught by a number of professors from university...I would be polished to grow up as a bigger person by everyone in this『family』」  
「Fumu...that's interesting...!」

Jii-chan thinks.

「Yes...if we stay in the『family』there would be no noisy people following around. I can raise it with the same eyes as common children until he becomes an adult. However...I will tell only the person himself that he's the successor of Kouzuki house...and teach that he's born with great responsibility from his birth」

「I see...keeping the secret child from the world, teaching that he's the heir of Kouzuki house and raise him that way?」

Shit...this is going to the worthless plan path again 「Jii-chan and Ruriko...that's enough!」

I intervene in between the two of them.

「Don't go and make your selfish decisions without obtaining consent from the other members of『family』...!」

「Oh, I'm sorry about that」

Jii-chan apologizes by word but...

He's considering Ruriko's plans inside his head...

...Geez

「Onii-sama...are you not going to give me your semen?」

Oh...I get it.

The Ojou-sama with an ignorant and naive atmosphere...is a fake on the outside.

Ruriko's true form is closer to Jii-chan and Minaho-neesan.  
She likes to plan various things in her head and implementing it steadily.  
And perhaps...wild things that other people cannot come up with...

「I'll kidnap you...I'll tell you everything at that time so wait for now」

I tell Ruriko...

This girl with a strong personality can only be turned over by hitting her straight ahead.

「Then...I'll look forward for that time. Onii-sama...!」

「...What?」

「I'm...actually a scheming woman. A woman with an ugly heart. Would you still be affectionate with me?」

...I

「I think that Ruriko should interact with the other members of the『family』...」

「...Onii-sama?!」

「Ruriko's not a schemer. The real scheming woman is Nei-san」

「What...Me?!」

Nei-san slips down.

「Yo-chan...am I that wicked?」

I look at Katsuko-nee and Nagisa...

「If Nei-san and Ruriko confront each other...which do you think would win?」

It'll be a no holds barred, no matter how unfair it can be...」

「I'll bet all money to Nei-sama!」

Katsuko-nee smiles.

「I'm going to Nei-chan too. I can bet even my shop」

Nagisa says.

「...Ruriko-san's given education on how to be a good leader but, you can't win against Nei-san who's trained with the harsh reality」

Margo-san said.

「Ehehe! Am I that amazing?!」

「Nei-san...it's a showdown of wickedness you know?」

「Oh right...Ahahaha」

Nei-san laughs at Mana's retort

That magnanimous atmosphere are all made up.  
Nei-san's...smart, has gone through horrible carnages. Her experience is very high.  
Then...she's more gentle and delicate than anyone...

「Ruriko...take a closer look on what kind of woman Nei-san really is...」

I said...

「Once you know the true Nei-san...Ruriko's loneliness would disappear I think」

「...Onii-sama?」

「Ruriko...you think you're lonely, aren't you?」

...Ruriko.

「No, I have Yoshiko with me...grandfather, Misuzu-oneesama, Onii-sama is here too. I don't feel lonely at all」

Ruriko smiles brightly

「RURiko's acting isn't very good...」

「...What?」

「We're always with someone who's good at acting everyday. That person supports our hearts everyday. Therefore, I can no longer be fooled by Ruriko's acting」

「I do not understand what do you mean by that?」

Ruriko's playing dumb.

「This girl's fate is go be in our family in the end」

Margo-san smiles wryly.

「Jii-chan...we'll be taking Ruriko. We might treat her roughly but...」

Jii-chan looks at my face...

「Leave her to me. Do whatever you want. However...let me watch over her loss of virginity」

「...I know」

Ruriko stands silently on the spot.

...Then.

「Grandfather, Onii-sama...did I do something wrong? Did I incur someone's displeasure...?」

Her face...mouth is smiling but her eyes are serious.

Her hand's clasped...trembling.

Her forehead...has sweat floating...

「You don't have any flaws...the one who should be blamed is the one who raised Ruriko...」

Jii-chan said...Minaho-neesan;

「Kouzuki-sama...now is not the time to say such things. Ruriko-san is still young so we can still fix her」

「You're right. Would this guy, and you girls move for Ruriko?」

Minaho-neesan answered, smiling.

「Yes...Ruriko-san's already our family We'll do everything. Of course...it is true for Kouzuki-sama who's a family as well...」

Jii-chan and Minaho-neesan's eyes match just for a few seconds.

「...Ruriko」

「Yes, grandfather」

「It is as he said a while ago...observe the movement of the girl named Nei over there for a while」

「...Certainly」

「I'm sure it'll be a good discovery for you...!」

Nei-san herself laughs...

「I've got nothing you know! I'm just an ordinary girl!」

...Nei-san

「Uhm...Danna-sama」

Misuzu talks to me when the conversation ended.

「Our talk is still halfway however...」

「Ah, sorry」

That's right...it's still halfway  
Err...what are we talking about again

「Uhm...it's about the talk earlier」

Misuzu said

「I think we're going to refrain asking sex from Danna-sama for a while」  
...Eh?

「That's right...Yoshi-kun. Somehow, as it is right now...we just ask and Yoshi-kun does his best to respond, right? We think it's not good」  
「Or rather...we were told by Margo-sana and others, if Mana and others just ask Onii-chan in the same momentum...he'll get sick」

Well, true...  
If you ask if I'm overdoing it...I am overdoing it.

「Therefore...we decided to endure it as much as possible except when we really want Yoshi-kun to embrace us」  
「In exchange...whenever Danna-sama wants us, then we'll be ready to be your partner」  
「Don't hold back...Mana wants to be wished by Onii-chan」

...Everyone!

「U-Uhm...」

I say my opinion...

「I want to do it one-on-one as much as possible but」  
「Yoshi-kun...what do you mean?」  
「Well...I just learned about sex...and it's not that I don't improve. I only have one body so if possible...I would like to concentrate on embracing only one girl. When it's two or three people...as expected, I'd think that I must make everyone feel pleasant」  
「...Danna-sama」  
「True...If that's what Yoshi-kun says」  
「Mana likes doing it with everyone but...」  
「Because Danna-sama wants to do it with only one...we must endure」

「You're right...Misuzu-san」

...Great

With this...I can have sex calmly

Really, I'm only a single man so I'm being put under a lot of pressure...

「...No!」

That was...Katsuko-nee

「You must always do it with two girls... Then, there's also a plan to do it with multiple girls at least once a week」

「...Wait a moment!」

Katsuko-nee looks at me and smiled

「It's for the harmony of the『family』...it can't be helped, right?」

...Harmony?

「If we have sex together then we can open up to each other right away. We can have a bare naked relationship...!」

I see...If I have sex with two girls that aren't that close...

I can make them become close...

「Besides...it doesn't seem you have noticed it yourself but...!」

Katsuko-nee...W-W-W-What?

「Your libido is stronger than a normal boy...! If not for at least two girls dealing with you, the girl would be the one to collapse...!」

...Eh?

...Me?

...I-I-I-I-Is that so?

「Nagisa and I will join of course...we've got to teach you a lot of sex techniques too!」

Katsuko-nee told the younger girls...

---

# Chapter 296. Reika and communication device

---

「Rather...Yoshi-kun, I have a favor to ask」

「Hm, what?」

The three girls look at me

「When Yoshi-kun's penis becomes energetic」

「We're ready to be Danna-sama's partner...」

「Onii-chan doesn't need to masturbate anymore...!」

Well...that is

「But...boys get sudden erection by chances. Even during classes」

「When it's during classes then you can do it with me」

...Megu

「We're going to slip out of the classroom...」

「Mana's going to Onii-chan's school...It'll be next year but, do it with Mana too」

「If it's outside school then please call me by my phone. I'll go anywhere, anytime. I'll even leave the school early」

No...I'm happy that you're saying that but...

「We don't want Yoshi-kun to hold back」

「Rather...we're worried that Onii-chan's holding back」

...Worried

「We're worried that Danna-sama who's libido has worked up might be distracted with other women...」

「Ah, of course...Yoshi-kun can look at other girls and feel lewd too」

「It's fine if Onii-chan have sex with new women more and more but...」

「We simply want you to vent it out to us when you feel horny」

「Mana is Onii-chan's sex slave...」

「Even I am a pet...I want to be loved too」

「Even I want to take care of Yoshi-kun too...」

How should I reply to this?

Katsuko-nee looks at me smiling.

「At such times, just smile and say...『Got it, then let me do it whenever I want to』」

「But...Katsuko-nee」

「These girls don't want your promise...they want peace of mind」

...Peace of mind?

「It's about time you fix your habit of promising everything These girls just wants to confirm that you want them, you need them...」

...I see.

I have to look behind what they say and see through their heart.

「Sure. Whenever I feel like I want to have sex then I will say it honestly...at that time, you'll be my partner even if you don't like it」

Is that okay?

「Yes...Yoshi-kun」

「Un...Onii-chan」

「Certainly...Danna-sama」

The three answered satisfied.

Well fine.

Actually...they won't know if I have an erection unless I tell them...

I'll just act in match to the situation at that time.

「...Master...you think that we won't suspect in case that you get a sudden erection?」

Suddenly, Michi speaks

「...What?」

「I'm very sorry but...I have completely grasped the state of mind and body of Master」

...Michi?

「AS a result of the synchronization of『Mystic art Shingetsu』...Even if Master hides it, it would be immediately conveyed to me whenever Master feels arousal」

「Right, tell me immediately when that happens...Michi!」

Misuzu says, but...

「I'm very sorry, Misuzu-sama...at that time, I will serve Master...」

「...Michi!?」

「Misuzu-sama may be invited but...I also want to be loved by Master a lot...」

Michi is trying to become independent from Misuzu's rule...

「...It can't be helped」

Misuzu smiles gently

Misuzu and Michi's bond grows thicker.

From『Master-Servant』...to『Sisters』

「With this...we can fight confidently」

Margo-san tells me.

That's right...we're heading back to a battleground.

「...Be careful, Yoshi-kun」

「...Mana's going to be a good girl and wait」

「I'll be waiting for Danna-sama's return」

Megu...Mana...Misuzu...

「I will protect Master」

Michi tells the three

「Take this」

Minaho-neesan brings a radio like machine with earphones on it

「It was in the monitor room. It's a machine used to communicate inside the hotel. If it's a cellphone, it's possible to be traced...」

When the location is confirmed...there's a possibility that the conversation would be bugged.

「This communication device uses the hotel's internal lines...it has a secret line

from here to the ground, and the radio waves are transmitted through repeaters embedded on the wall of each floor. With this machine, we can communicate with each other freely without letting the enemy know the existence of the emergency evacuation room...give it to the people going up」  
「...Got it」

I distribute the communication device to the members going upstairs.  
Margo-san...Seki-san...Michi...me...and  
Yukino tries to take a communication device from me like it's natural but...

「Ah, there's no need to give Yukino-san one」

Eh...Margo-san?  
We still have one communication device though  
Yukino glares at me.

「It's fine, leave her be. Okay, look at my hand...here's the power switch. This is the volume. Push this switch when you want to talk with everyone Keep pressing this during the conversation」

Margo-san teaches me how to use the communication device  
Seki-san and Michi already knows how.

「Since this part of the machine is the microphone...well, I think it'll pick up the voice as long as it's not a very small voice」

...I see  
I pressed the call switch and the red LED lights up.

「Since we want to share information with everyone...we only have one channel. Even if you try to talk with any individual, everyone can hear the conversation. While one person is talking, the others can't interrupt...at the end of conversation please attach『Done』or『Over』」

Oh...I've seen those on TV.  
「There's a possibility that the enemy can see how we are communicating so let's stop calling each other's name on the upper floor」

Seki-san proposed.  
「Then, I will be『Spades』Seki-san is『Diamond』, Michi-san is『Heart』Nei

is『Ace』and he's going to be『Joker』」

Margo-san said.

「...What about Yukino?」

I asked, Nei-san...

「『Old maid』 It's obviously『Old maid』right?」

Yukino's eyes are scary...

「『Spades』,『Diamond』,『Hearts』,『Ace』,『Joker』...and『Old Maid』 Roger」

Michi responds normally

「During communication, don't try to say『Mr. Joker』or『Miss Spades』 Even that is a big information for the enemy」

Selo=sam told me

「Uhm...『Old maid』feels pitiful don't you think? Besides,『Clover』is available」

When I say that...Margo-san smiles.

「『Clover's』...about time to come out I guess?」

...Then

A loud noise comes...and the restroom door opened

「P-Please take me as well!」

...That's Reika

Reika took off her graceful British Gentleman suit and dressed with a yellow jersey figure.

She also undid the makeup on her face.

「W-What's with that look...?!」

I asked...

「The closet over there only had these as clothes I could wear」

Well yeah...Reika's tall, but...

「From what Lord had said earlier...I reflected on myself. I will leave away the aesthetics for a while...and I want to take a look at myself」

So that's why she took off her British Suit?

「Reika-oneesan, do you still wear the supporters and protectors under the suit?」

Margo-san asks

「Yes, as you can see...」

Reika raises the hem of her jersey...

There's a black supporter on her ankles,

The shin has a special resin protector like those soccer players have...

Her knees and elbows...and her joints are protected well

...In short

Reika intends to fight upstairs

「I'm a warrior. A professional guard. My mission is to stand on the fighting field...please take me with you...」

Reika bows her head to me...

「...What to do? What do you think?」

Margo-san, the leader of the combat group asks me

「But...we should leave at least one person as a guard in this room, right?」

「Well, that's true but...Reika-oneesan is the attack captain type. In truth, she's not someone defensive」

True...leaving Reika in this room is a waste of talent.

「Reika-oneesan's ability to take down the enemy is charming...」

But...who is going to be left in here?

Margo-san is the leader so she can't be left...

She also has a hand on the communication device from here but...

As expected, it's better that she's on the actual site, giving direct instructions

...Seki-san

Since we can't take Jii-chan above...we need Seki-san, Jii-chan's full time guard in order to be able to meet the executives behind Kouzuki security service.

Then that means...is there no choice but to leave Michi?

「...Reika-oneesama, please take a look at me」

Sudently...Michi calls Reika

「...Yes?」

At the moment Reika saw Michi...!

Michi moves her hand like a beckoning cat...and pulls it in the air!

...Then!

「...Ah?!」

Reika's body is pulled one step ahead.

As if she was pulled by Michi's invisible thread...

「W-What was that?」

Reika's surprised.

「...Kudou style ancient martial arts, Mystic art『Shingetsu's』application.  
Capturing the heart of the other party using one's eyes and breaking the  
balance of the body. However, I can only do a step forward or stopping the  
movement, and it may not work on expert martial artists.」

Michi explains

「However, this technique...I think it'll be surely be useful on the fight in the  
upper floor...!」

Michi has really changed.

Her small body is now full of confidence

Before...even though she had enough fighting power, she's a weak hearted girl.  
It's different now. She became a strong child...

「When we encounter Viola's core troop...Michi-san's technique may be  
useful」

Margo-san looks at me.

If we take Michi...there will be no guard left in this room.

「I don't mind, Danna-sama...please take Michi along」

Misuzu said

「Danna-sama's safety is the most priority」

「That's right, Onii-chan...we'll be watching over here」

「True, if Michi-san is with Yoshi-kun then he'll be safe」

My『women』says so but...

「But...you're worried if there's nobody to guard you...Ruriko?」

Ruriko...?

「Onii-sama...why don't you ask grandfather?」

...Jii-chan?

「I think that our safety in the『emergency evacuation room』is more than we think. If not...then it's impossible for grandfather to be in a place where Tanizawa-san and Ootoku-san aren't with him」

...I see.

For Jii-chan...

Places where Kouzuki security service's Chief tanizawa, and Ootoku-san and Choumoto-san, his full time guards aren't with him...is a place where nobody could defend him.

He doesn't seem to trust Seki-san and Reika as much as chief Tanizawa... If he doesn't recognize that it's a safe place...then Jii-chan won't be here.

「Jii-chan...is this room really safe? Even if all the guards are taken down...do you think that this room will be fine?」

...Jii-chan smiles wryly

「It's fine. The enemy can never find this room...they can never enter this room. We'll be safe to stay here until morning...they won't be able to make a move to us」

「...Until morning?」

「The government agencies would start to move in the morning...Cesario Viola can only move freely until dawn」

I don't get it but...

Jii-chan seems to be advancing several plans I don't know at the same time.

「Then...it's fine for everyone to stay here without a guard?」

「It's up to you to judge at your own risk」

Jii-chan smiles at me

...I

「The escape routes from here can never be opened from the outside, right?」

「As I've explained earlier...it's designed to be only opened from the inside.」

「Moreover, the exit is camouflaged so you won't know it from the outside」

...Then

「Okay...let's take Reika., There will be no guard left in this room. Is that okay...」

Minaho-neesan?」

「Yes...I don't mind」

Katsuko-nee and Nagisa nods as well.

Everyone seems to be prepared for it

「Thank you very much...Lord...everyone!」

Reika on her yellow jersey bows her head to everyone.

「Let me ask by the way...Jii-chan」

I ask.

「Do you know who the traitor is among the executives?」

Jii-chan...

「I feel a couple of possibilities but I can't make conclusions. However」

...However

「A normal human can't involve the other executives and even their own children from the [private school] and invite the enemy inside」

...Jii-chan?

「There are various types of executives...the students are a shrunk model. What do you think when you saw my students?」

...The private school guys.

「Err, there's a faction...and bosses in it. Some of them are minions, others try to undertake coordination...」

「Even in factions, people who have the potential to become a boss won't defile their hands. They're a boss that's good at using people after all...」

I see...those people don't bring enemies to put danger on themselves.  
They would only watch from the safe place.

「Then that means...Kouzuki Souji and Subaru's father are white」  
「That's how it is...the children and the executives are very similar. If you look at  
the child then you'll know exactly what their parents are. You can check  
thoroughly who is the traitor among them」

Jii-chan said.
